**Lore of the Unicorn. Bib** O. SHEPARD,1930 **Fantastic Creatures in Mythology and Folklore** Juliette Wood,2018-08-23 Drawing on historical sources myth and folklore *Fantastic Creatures in Mythology and Folklore* explores the roles of fantastical beasts particularly the unicorn the mermaid and the dragon in a series of thematic chapters organised according to their legendary dwelling place be this land sea or air Through this original approach Juliette Wood provides the first study of mythical beasts in history from the medieval period to the present day providing new insights into the ways these creatures continue to define our constantly changing relationship to both real and imagined worlds It places particular

emphasis on the role of the internet computer games and the cyberspace community and in doing so demonstrates that the core medieval myth surrounding these creatures remains static within the ever increasing arena of mass marketing and the internet This is a vital resource for undergraduates studying fantastic creatures in history literature and media studies
