Lowry, 1929-1954 Conrad Aiken,Malcolm Lowry,1992 From the beginning John Sutherland recognized that his literary gifts lay in criticism rather than in poetry His independence from the academy and his largely autodidactic training gave him a unique perspective as a critic of Canadian literature What these letters document beyond a purely personal struggle is a period 1942 1956 of great importance in the development of Canadian poetry and it is above all the nuts and bolts of that development that they bring into keen relief the economics of publishing books and literary magazines in the days before The Canada Council and the difficulty if not the impossibility of trying wholly to live a life in literature at that time The New Georgia Encyclopedia Companion to Georgia Literature Hugh Ruppensburg,2011-08-15 Georgia has played a formative role in the writing of America Few states have produced a more impressive array of literary figures among them Conrad Aiken Erskine Caldwell James Dickey Joel Chandler Harris Carson McCullers Flannery O Connor Jean Toomer and Alice Walker This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature Organized in alphabetical order by author the entries discuss each author s life and work contributions to Georgia history and culture and relevance to wider currents in regional and national

literature Lists of recommended readings supplement most entries Especially important Georgia books have their own entries works of social significance such as Lillian Smith s Strange Fruit international publishing sensations like Margaret Mitchell s Gone With the Wind and crowning artistic achievements including Jean Toomer s Cane The literary culture of the state is also covered with information on the Georgia Review and other journals the Georgia Center for the Book which promotes authors and reading and the Townsend Prize given in recognition of the year s best fiction This is an essential volume for readers who want both to celebrate and learn more about Georgia s literary heritage Conrad Aiken Ted Ray Spivey, Arthur E.
