

Los Angeles Police Department

Gary Farmer

Los Angeles Police Department:

Los Angeles Police Department Meltdown James Lasley, 2012-08-08 Once considered among the most respected police departments in the world the LAPD suffered a devastating fall from grace following the 1991 police officer beating of Rodney King and the Los Angeles riots stemming from the officers acquittal in 1992 Unique to the literature of policing management and policy studies Los Angeles Police Departmenten *The Streets Are Blue* Gary Farmer, 2014-06-06 In 1869 the police force in Los Angeles went from a voluntary to a paid city police force Since then thousands upon thousands of men and women have served on the Los Angeles Police Department In this book thirty four former officers share stories of their experiences in police work in their own words Of the thirty four the first officer came on in 1941 and the last officer retired in 2009 a range of time just short of seventy years The experiences recounted in this book cover a wide range of assignments and speak to just about any situation a police officer can encounter The officers were frank truthful and open about an occupation met with everything from monotony to split second life and death decisions They recounted their thoughts of purpose duty and in many instances valor Whether rescuing an abused child confronting armed individuals managing civil disorder or losing one of their own the officers in this book reveal the human element present in all those who serve in law enforcement

Los Angeles Police Department Thomas G. Hays, Arthur W. Sjoquist, 2005 No police force in history has gained as much fame and notoriety as the Los Angeles Police Department The acronym LAPD is practically synonymous with the idea of professional law enforcement The men in blue who patrol Hollywood and the sprawling metropolis of L A have been investigated by screenwriters more times than vice versa With more than 9 300 sworn officers today the LAPD endures seemingly endless controversies and media circuses But then there s the other side of L A s protective shield the story of the force s evolution alongside the spectacular growth of its unique melting pot city This book s rare and often never before published photographs focus on that side the excitement danger tragedy and comedy of everyday beat cops and workaday detectives with concessions to their limelight representations including Jack Webb s *Dragnet* and *Adam 12* **Los Angeles**

Police Department Meltdown James Lasley, 2012-08-08 Once considered among the most respected police departments in the world the LAPD suffered a devastating fall from grace following the 1991 police officer beating of Rodney King and the Los Angeles riots stemming from the officers acquittal in 1992 Unique to the literature of policing management and policy studies Los Angeles Police Departmenten *Annual Report - Los Angeles Police Department* Los Angeles (Calif.). Police Department, 1920 [Report of the Independent Commission on the Los Angeles Police Department](#) Warren Christopher, 1998-05 In the wake of the Rodney King Los Angeles Police incident the Independent Commission on the L A Police Dept was created to examine any aspect of the law enforcement structure in L A that might cause or contribute to the excessive use of force This reports presents the results of this unprecedented inquiry conducted through witness testimony interviews of private citizens and current and retired police officers computerized studies of force reports and complaints

filed by the public reviews of patrol car communications and examination of the files in civil damage cases Recommendations are presented in detail Annual Report - LAPD, Los Angeles (Calif.). Police Department,1914 *Policing Los Angeles* Max Felker-Kantor,2018-09-25 When the Los Angeles neighborhood of Watts erupted in violent protest in August 1965 the uprising drew strength from decades of pent up frustration with employment discrimination residential segregation and poverty But the more immediate grievance was anger at the racist and abusive practices of the Los Angeles Police Department Yet in the decades after Watts the LAPD resisted all but the most limited demands for reform made by activists and residents of color instead intensifying its power In *Policing Los Angeles* Max Felker Kantor narrates the dynamic history of policing anti police abuse movements race and politics in Los Angeles from the 1965 Watts uprising to the 1992 Los Angeles rebellion Using the explosions of two large scale uprisings in Los Angeles as bookends Felker Kantor highlights the racism at the heart of the city s expansive police power through a range of previously unused and rare archival sources His book is a gripping and timely account of the transformation in police power the convergence of interests in support of law and order policies and African American and Mexican American resistance to police violence after the Watts uprising

The Division of Rationalized Labor Michelle Jackson,2025-12-02 Specialization should make workers perform an ever narrower range of tasks Yet evidence shows that many specialized occupations have grown more complex Michelle Jackson untangles this paradox arguing that scientific investigation of social and industrial problems has changed the nature of work and burdened workers with new responsibilities **Policing the Streets of Los Angeles** Craig D. Uchida,2024-12-15 This book takes an in depth look at the LAPD over a 60 year period It is about the ways in which the use of force particularly deadly force has been controlled or not by internal and external forces The Department has been at the center of numerous controversies including the killing of Eula Love 1977 the beating of Rodney King 1991 the riots that followed the acquittal of officers in the King beating 1992 the Rampart scandal 1999 questionable officer involved shootings OISs and the complaints of over policing during the George Floyd protests 2020 At the same time however the Department has been at the forefront of change and innovation It continuously revises its policies regarding use of force implements new training curricula and has developed an extensive accountability process Some of these changes have occurred voluntarily others have been imposed or mandated upon them Yet despite these changes the LAPD and its officers continue to be embroiled in issues regarding controversial shootings charges of racial bias and questionable tactics during social justice protests The book is grounded in data analysis historical documents and personal observations by the author It provides details about each of the controversies and solutions that occurred and most significantly it includes recommendations about how to make these positive changes permanent **Racial and Ethnic Tensions in American Communities: The Los Angeles report** ,1993

Annual Report Los Angeles (Calif.). Police Department,1951 *Los Angeles Police Department* Los Angeles (Calif.). Police Department,1961 **Guardians of Angels** James A Bultema,2019-01-09 For 150 years LAPD officers have pinned on

a badge holstered a gun and traveled the corridors of history leaving behind the rich traditions that are today's LAPD Guardians of Angels is a penetrating history of the Los Angeles Police Department since 1850 Thoroughly researched over eight years containing scores of interviews and illustrated with hundreds of rare photographs this book details how the department evolved from six officers administering frontier justice to today's high tech professionals It brings to life the accomplishments and disappointments of the men and women who unselfishly gave of themselves as the Guardians of Angels

To Protect and to Serve Nelson Lim, 2009 The Los Angeles Police Department LAPD is in the middle of a five year hiring plan to increase the number of sworn officers in the department by 1 000 and achieve a force strength of more than 10 000 officers for the first time in its history Thus far working together with the City of Los Angeles Personnel Department's Public Safety Bureau PSB the LAPD is on track to achieve this ambitious goal However the personnel department and the LAPD have been operating close to the margin often meeting their hiring quota at the very end of the month In addition the LAPD is under consent decrees that stipulate greater diversity in hiring its officers This book assists the LAPD in achieving its recruiting and diversity goals by offering ways to improve productivity and efficiency in the recruiting process It begins by identifying potential untapped local recruiting markets It also provides a model of viable candidates that the LAPD and the personnel department can use to target its recruitment and to prioritize applicants while still maintaining its diversity hiring goal Finally it recommends ways to improve productivity of the PSB Background Investigation Division Hearings United States. Congress Senate, 1966 *Labor Rights are Civil Rights* Zaragosa Vargas, 2005 In 1937 Mexican workers were among the strikers and supporters beaten arrested and murdered by Chicago policemen in the now infamous Republic Steel Mill Strike Using this event as a springboard Zaragosa Vargas embarks on the first full scale history of the Mexican American labor movement in twentieth century America Absorbing and meticulously researched *Labor Rights Are Civil Rights* paints a multifaceted portrait of the complexities and contours of the Mexican American struggle for equality from the 1930s to the postwar era Drawing on extensive archival research Vargas focuses on the large Mexican American communities in Texas Colorado and California As he explains the Great Depression heightened the struggles of Spanish speaking blue collar workers and employers began to define citizenship to exclude Mexicans from political rights and erect barriers to resistance Mexican Americans faced hostility and repatriation The mounting strife resulted in strikes by Mexican fruit and vegetable farmers This collective action combined with involvement in the Communist party led Mexican workers to unionize Vargas carefully illustrates how union mobilization in agriculture tobacco garment and other industries became an important vehicle for achieving Mexican American labor and civil rights He details how interracial unionism proved successful in cross border alliances in fighting discriminatory hiring practices in building local unions in mobilizing against fascism and in fighting brutal racism No longer willing to accept their inferior status a rising Mexican American grassroots movement would utilize direct action to achieve equality **The Narcotic Rehabilitation Act of 1966** United States. Congress. Senate.

Judiciary,1966 **Narcotic Rehabilitation Act of 1966** United States. Congress. Senate. Committee on the Judiciary,1966 Considers S 2113 and related S 2114 S 2152 and H R 9167 to provide optional treatment to addicts in lieu of trial extend coverage of Federal Youth Corrections Act to drug offenders up to 26 year olds and revise parole procedures on marijuana offenses Focuses on LSD and marijuana use on college campuses **DARE to Say No** Max Felker-Kantor,2024-04-02 With its signature DARE to keep kids off drugs slogan and iconic t shirts DARE Drug Abuse Resistance Education was the most popular drug education program of the 1980s and 1990s But behind the cultural phenomenon is the story of how DARE and other antidrug education programs brought the War on Drugs into schools and ensured that the velvet glove of antidrug education would be backed by the iron fist of rigorous policing and harsh sentencing Max Felker Kantor has assembled the first history of DARE which began in Los Angeles in 1983 as a joint venture between the police department and the unified school district By the mid 90s it was taught in 75 percent of school districts across the United States DARE received near universal praise from parents educators police officers and politicians and left an indelible stamp on many millennial memories But the program had more nefarious ends and Felker Kantor complicates simplistic narratives of the War on Drugs He shows how policing entered US schools and framed drug use as the result of personal responsibility moral failure and poor behavior deserving of punishment rather than something deeply rooted in state retrenchment the abandonment of social service provisions and structures of social and economic inequality
