Losing Eddie:

Losing Eddie Deborah Joy Corey, 1994-01-01 Records the struggle and turmoil of a life of poverty and despair in rural southeastern Canada as seen through the eyes of a perceptive and innocent nine year old girl **Setting in the East** David Craig Creelman, 2003 The Maritime region is thus torn between its memory of an earlier more prosperous and traditional social order and its present experience as a less fortunate modern industrial society These tensions are embedded in the Maritime character and have affected not only the lives of its people but the imaginations and texts of its writers BOOK JACKET **Dishonorable Death** Bill MacWithey, 2000-06-14 When a team of army rangers makes a trip into Cambodia looking for Americans believed to still be held prisoner they are ambushed and half their team lost They had safely made these trips a half dozen times without incident so know they were set up But who would do such a thing Few people knew of their incursions into Vietnam Laos and Cambodia After an attempt on their lives back in The States they know someone for some reason wants rid of them It becomes a dangerous game of cat and mouse with their unknown pursuers The remaining seven team members all master sergeants bring their commanding officer home to bury then Mitch goes to see Colonel Eddie McCains sister in Southern Illinois She has a packet of information for Mitch that her brother left with her knowing Mitch would come to see her if anything happened to him The information contained in the packet is a list of people thought to be trafficking in heroin from the Far East Also a Senators name whom Eddie evidently trusted is in the packet When Eddie goes to Indianapolis to see the senator another attempt is made on his life When the senator is killed Mitch knows he is into something far reaching and evidently involving far more than heroin traffic After the senator is murdered a CIA operative who had worked with the senator approaches Mitch and his team Mitch tends to trust the man but is wary of everyone It seems everywhere they turn someone tries to take them out They have been given new identification cards by Walter Hixon their CIA contact It turns out the cards are miniature locator beacons but Mitch believes Hixon when he tells him although someone at the agency has to be involved in the plot to kill them he has no knowledge of who or why The trail leads them to an army missile storage depot in Kentucky where a number of cruise missiles are missing People from an electronics firm located in Dallas had recently been to the depot to do modifications on the missiles When Mitch and his team avoid the people laying in wait for them on the trip to Dallas they find that a large number of the electronics firm employees are missing They do make contact with two women employees who had been at the missile depot and who had survived whatever had happened to the other employees Eventually Mitch learns the electronics company is actually a CIA owned company The story involves much more than he could have imagined Crooked deals being made with Mexican officials who soon mysteriously disappear a high level conference of European Industrialists a plot to use the missing cruise missiles against an array of targets but who is behind all of it and most importantly why do they need to kill Mitch and the remaining members of his team What could they possibly know that would interfere with the plans of one of the worlds most powerful industrialists

to take over control of the major portion of the world's oil supply FD Gialmo not only owns a dozen senators but is involved in more crooked schemes than can be counted to become even wealthier His father began FD's financial empire with one sailing vessel and a dogged determination to succeed at becoming a billionaire at any cost FD is completely devoted not only to his old man's business acumen but also to his ruthlessness in establishing the financial giant which FD inherited and enhanced But that fucking worthless son of his What the hell could he do about that skirt chasing little prick After all the troubles problems he had endured all his life to double and redouble the fortune the old man left him why couldn't this stupid little bastard understand it would be up to him to continue building the company **I Watched You Disappear** Shirley Ann

Grau,2001-03-01 **Silent Sisters** Jenny Tomlin,2012-02-16 For years Jenny and sister Kim suffered horrendous physical and sexual abuse at the hands of their father They survived in part because of their closeness and their determination to be there for each other Both sisters left home at the earliest opportunity to escape but before long Jenny was embroiled in a relationship with an abusive man that kept her locked in a cycle of violence and fear Their lives followed parallel paths with first marriage then kids and always the terror that things would never change Eventually with a lot of love grit and courage they helped each other to climb out of the pit of despair and truly free themselves from the legacy of the past Every bit as harrowing and inspiring as *Behind Closed Doors* this is a story of the power of unstintingly loyal love **The House on Sunny Street** Judith A. Winkle,2011-09-30 For decades Abraham and Mary Lincoln's marriage has been characterized as discordant and tumultuous In *Abraham and Mary Lincoln* author Kenneth J Winkle goes beyond the common image of the couple illustrating that although the waters of the Lincoln household were far from calm the Lincolns were above all a house united Calling upon their own words and the reminiscences of family members and acquaintances Winkle traces the Lincolns from their starkly contrasting childhoods

through their courtship and rise to power to their years in the White House during the Civil War ultimately revealing a dynamic love story set against the backdrop of the greatest peril the nation has ever seen When the awkward but ambitious Lincoln landed Mary Todd people were surprised by their seeming incompatibility Lincoln lacking in formal education and social graces came from the world of hardscrabble farmers on the American frontier Mary by contrast received years of schooling and came from an established wealthy slave owning family Yet despite the social gulf between them these two formidable personalities forged a bond that proved unshakable during the years to come Mary provided Lincoln with the perfect partner in ambition one with connections political instincts and polish For Mary Lincoln was her diamond in the rough a man whose ungainly appearance and background belied a political acumen to match her own While each played their role in the marriage perfectly Lincoln doggedly pursuing success and Mary hosting lavish political soir es their partnership was not without contention Mary once described as the wildcat of her age frequently expressed frustration with the limitations placed on her by Victorian social strictures exhibiting behavior that sometimes led to public friction between the couple Abraham s work would at times keep him away from home for weeks leaving Mary alone in Springfield The true test of the Lincolns dedication to each other began in the White House as personal tragedy struck their family and civil war erupted on American soil The couple faced controversy and heartbreak as the death of their young son left Mary grief stricken and dependent upon s ances and spiritualists as charges of disloyalty hounded the couple regarding Mary s young sister a Confederate widow and as public demands grew strenuous that their son Robert join the war The loss of all privacy and the constant threat of kidnapping and assassination took its toll on the entire family Yet until a fateful night in the Ford Theatre in 1865 Abraham and Mary Lincoln stood firmly together he as commander in chief during America s gravest military crisis and she as First Lady of a divided country that needed the White House to emerge as a respected symbol of national unity and power Despite the challenges they faced the Lincolns life together fully embodied the maxim engraved on their wedding bands love is eternal Abraham and Mary Lincoln is a testament to the power of a stormy union that held steady through the roughest of seas
