Brubacher, 2024-09-30. This accessible, practical, and thoroughly updated second edition introduces and presents how emotionally focused therapy can be used effectively across all three modalities: couple, family, and individual therapy with clients from a diversity of backgrounds. Responding to critical updates in the field, this second edition once again follows Emily, an EFT therapist, to demonstrate how EFT can be used in practice. With updated references, research, and terminology throughout, this new edition reflects recent theoretical and practical updates by refocusing the model toward therapist interventions such as the EFT Tango rather than the client change events, making it more accessible for readers to learn. It addresses the current need to integrate explicit socio-cultural sensitivity into EFT by including diverse case studies, explicit discussion of how the model can be applied with a diversity of clients, and how EFT therapists can integrate cultural sensitivity and attunement across multiple and diverse identities such as race, gender, sexual orientation, disabilities, neurotypicality, class, and religion. It can also be used alongside a practical new workbook, *Workouts for Stepping into Emotionally Focused Therapy*, providing therapists with all the tools needed to confidently integrate this approach into their practice. This book is an essential read for all marriage and family therapists in practice and in training, as well as counselors who are looking to use EFT with couples, families, and individuals.

Supreme Court, *Learn a Man Earn a Man* Barry Fletcher, 2017-03-08. Master hair stylist Barry Fletcher is in a unique position. Women and men from all walks of life have been confiding in him for years. Too often when we have relational issues, we seek counsel from those without relevant insight. Women talk to their girlfriends, men talk to the fellas. Wouldn't it make sense to seek information from closer to the source? Barry has heard the uncut, uncensored versions from both sides. If you sincerely want a man who is worthy of your special light and future promise, one who can treasure you when you are down as well as he can when you are at the mountaintop, please come right in and pull up a chair. You can take control of how you go about finding him, wooing him, and keeping him. You have the power to create an internal and external environment to ensure victory. You can earn a man, not by losing yourself, but by finding yourself. But by all means, read *LEARN A MAN EARN A MAN* and discover effective ways to own and leverage your powers, use your natural properties to control, or should I say, earn a man.
