A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I

In this edition Tracy Jones delves deeper into the profound mysteries of our Eternal Existence from a NON RELIGIOUS perspective because life and death occur regardless of religious affiliation or lack thereof Jones seamlessly weaves together Science Creation and the Technology that brings Bible Prophecy into our reality

BACK COVER God who is an Eternal Spirit created our universal presence in Heaven as Eternal Spirit Life Energy in His likeness Our same Spirit which now resides within our body is the only thing that is eternal everything else perishes the body material things and the spheres Therefore if we were living an infinite Life in Heaven with the Lord how did we transition to living a finite Life on Earth captive to certain death We desire our lives to last forever Truth is We each individually betrayed God sinned rebelled and therefore you and I were cast out of Heaven along with Lucifer whereby the Force of Gravity holds us away from God s Holy Presence We now live in the darkness of the abyss and this darkness is real close your eyes what do you see The darkness that we still are The evidence of your betrayal and rebellious behavior is your undeniable Natural Death which is to come For the wages of sin is death Rom 6 23 in Heaven and on Earth As a result you see death happening all around you and you know that in the back of your mind you could be next Therefore we were sinners long before Adam and Eve were created hence the reason that we are born sinners And the reason for planting the two trees in the Garden of Eden as well as the writing of the names of the redeemed in the Book of Life Follow this chronological journey through our Eternal History as we examine how death fits into the mystery of our eternal life Discover the cause intent and consequences of the only two death sentences and penalties that God has ever issued to His Creation We will evaluate Science Man Made Theories and Technology alongside Creation which reveals God s Divine Redemption Plan to save us from the Second Death Rev 20 14 with Heaven Hell Earth Satan Jesus all of us the Angels Death and Time each having a role to play Time was designed to take us from the beginning of God s redemption plan to the end yet Time is personal because upon your demise it is said that your time is up and you are buried but Time marches on according to God s purpose alone You will come to realize that God is NOT to blame for all the ills in the world for His objective is to redeem us through Jesus Christ so that we will avoid The Second Death based on freedom of CHOICE between eternal life and eternal death that is before us with each breath I have set before you life and death Deut 30 19 God s plan allows for the summation of our life s choices and decisions to make our eternal choice for us This is why death is designed as a surprise element and not a planned event you cannot plan your choice you must live your choice This book series will explore how God repurposed the Earth for our redemption the design details End Time Prophecy DNA Manipulation and the current biomedically engineered plagues COVID etc or Death Tests that are before us And will reveal the elite s purpose for UFOs and Computer Technology that allows them to communicate and

receive knowledge from the darkness of the unseen realm or as they call them Aliens as a result of our Tree selection in the Garden And to our surprise we do surely die Gen 2 17 You are awaiting your turn to die like me right We are living near the close of God s redemption plan The End Times Therefore the goal is to aid you in determining if what you believe is fact or fiction before your certain date with death so that you can make an informed decision about your life death and eternal future

Lost and Found Along The Way: Stories for Your Faith Walk from the Camino de Santiago Ron "Willie" Williams,2021-09-06 The Camino or The Way to Santiago is a five hundred mile thirty three day walk across Spain s extreme conditions to reach the beloved Cathedral of Santiago Ron Willie Williams walked The Way two and a half times a total of twelve hundred miles Why It is less about what he gains and more about what he loses along The Way old behaviors unforgiveness and a tendency to play God Journey with Willie through the chapters of Lost and Found Along The Way as he sheds these tendencies and in doing so finds a renewed richer and deeper faith The first few chapters are narrative historical fiction portraying James in Acts 12 2 facing his execution along with supposed reactions from his loved ones At the end of this narrative we transition back to nonfiction with the discovery of James gravesite some eight hundred years after his martyrdom Willie then explains how the Camino pilgrimages began along the Camino also known as The Way No other nonfiction book offers such a unique back story of Saint James and the Camino The following chapters and the bulk of the book follow Willie s own Camino journeys present vivid descriptions of the geography on the trail and historical background provide readers with a nearly firsthand experience of The Camino de Santiago True and dramatic faith walk stories demonstrate God s hand in people s lives and guide readers to dig deeper into their own spiritual life and get outside their comfort zone The final chapter of Lost and Found Along The Way instructs fellow sojourners in how to follow Willie s example to strengthen their own faith and share it with those who have lost their own faith no hiking boots required

Hitchcock Lost & Found Alain Kerzoncuf,Charles Barr,2015-03-17 It seems there is still plenty to discover and to say about Alfred Hitchcock a host of impressive new research Journal of Film Preservation Audiences worldwide know him for Psycho The Birds Vertigo and other classics but in Hitchcock Lost and Found fans and film students alike can explore forgotten incomplete lost and recovered productions from all stages of Alfred Hitchcock s career including his early years in Britain Alain Kerzoncuf and Charles Barr highlight Hitchcock s neglected works including various films and television productions that supplement the critical attention already conferred on his feature films They also explore the director s career during World War II when he continued making high profile features while also committing himself to a number of short war effort projects on both sides of the Atlantic Focusing on a range of forgotten but fascinating projects spanning five decades Hitchcock Lost and Found offers a new fuller perspective on the incomparable filmmaker s career and achievements For the Hitchcock completist Hitchcock Lost and Found is an essential resource Philadelphia Inquirer Includes photos and illustrations

Porter,2022-11-15 Do you get the feeling that the most popular trend in faith circles is to abandon faith altogether Are you wooed by the voices inviting you to deconstruct Christianity If you re tempted to leave the faith of your youth you re part of a growing crowd But if you re questioning the questions you re not alone either Joshua Porter has been there and back again Now he s sharing the rollercoaster story of deconstruction in his characteristically thoughtful and unconventional voice Buckle in and get ready for a ride that will both take your breath away and restore your heart A heart wrenchingly honest account from someone who deconstructed and returned to tell the tale This lived experience ensures that this book is a compassionate guide for those wrestling with their faith faith that has been warped by the American culture dented by doubt and hurt by hypocrisy Mark Sayers author of Reappearing Church and A Non Anxious Presence Deliciously dark blisteringly honest and funny Like the best art this book will provoke not placate ruffle your feathers not soothe them work you up not calm you down John Mark Comer New York Times best selling author of The Ruthless Elimination of Hurry and Live No Lies One thing we need a lot more of in our current moment is wise thoughtful and pastoral voices stepping into the main conversations we are all having Josh is one of those voices and this book is one of those conversations Jefferson Bethke New York Times best selling author of To Hell with the Hustle Josh writes as an insider a wrestler with God church life all of it which makes his voice not just unique but credible If you re going on a journey through your own deconstruction you need a credible guide Josh will lead you to the real Jesus who is more radical more rebellious more tolerant and unwavering than popular podcast personalities dare to have you believe If you want Jesus and not an off ramp from faith read this book Rick McKinley author of Faith for This Moment and This Beautiful Mess *Water-Related Death Investigation* Kevin L. Erskine, Erica J. Armstrong,2021-05-18 Nearly ten years after the first edition of Water Related Death Investigation Practical Methods and Forensic Applications water death cases continue to be improperly investigated The pathologist s report can determine the cause of death as a drowning but the manner of death is the most challenging to prove The report will not determine if a victim jumped into the water to commit suicide fell into the water accidentally or was pushed in as a homicidal act Many drowning cases do not reflect injury to the body so evidence collected at the scene plays a vital role The importance of an on scene body assessment cannot be overemphasized Often the body evidence begins to change rapidly upon recovery and may not be present during an autopsy Written statements on the scene are an effective tool to use to determine the accuracy of information given to arriving officers These statements need to be written by the witnesses themselves as well as the reporting person The Show Me technique can also help reveal discrepancies in a person s version of what occurred as well as aid in providing the most details to an incident as is humanly possible This second edition includes updated information on the latest technology to

assist water death investigators Parabon Snapshot can help determine the faceless identity of skeletal remains and help locate potential suspects using the science of DNA Drones can aid in locating missing persons as well as human remains even months after death Updated information is provided regarding fingerprints from submerged objects and Carbon 14 can help determine the origin of a found corpse Key Features Thoroughly reviews the physiological aspects of drowning Reveals the investigative characteristics inherent to various scenes of water related deaths Highlights certain red flag indicators that may point to foul play or scene staging Outlines autopsy protocols trial preparation and expert witness testimony Provides numerous case studies and numerous illustrations to further clarify key points presented in the text Coauthored by a Master Water Death Investigator and an experienced forensic pathologist Water Related Death Investigation Practical Methods and Forensic Applications Second Edition merges the essentials of evidence collection and field investigation with autopsy best practices and laboratory testing It will continue to serve as a valuable resource for the various professionals involved in these cases
