Lost Glory:

Today's Prayer Stephen Kyeyune, 2019-05-30 This book is written to all kinds of people because all of us need to pray. Praying means asking. None of us is exempted from praying because we are all dependants in one way or another. Everything that is not God depends on God. We are inadequate because there is no time we don't have expectations to meet. We have shared human desires. For example, everyone needs to be loved. We are all exclusively dependants on God because the desires of the human heart can only be found in the Lord. Trying to fix things apart from God is the recipe of failure. Praying is the greatest fellowship with God. We pray to the all-sufficient God because we are insufficient by ourselves. Humanity with all human resources cannot save or fulfill itself. Our desires are endless and are constantly changing. For example, our eyes are never satisfied with seeing; we always want to see something new. Our ears are never satisfied with hearing; we always want to hear the current news. Likewise, the soul is never tired of yearning for the transcendent. People take different avenues when seeking for fulfillment, but only those who have discovered the power of prayer experience true fulfillment. We are called to pray unceasingly because there is constantly a feeling of emptiness when we do not communicate with God. Emptiness is the reality of the void that colonized the heart, which was once a sacred space occupied by the Divine. Praying is to be intimate with God; it is having God's ear and eye in order to see the earthly things from the heavenly perspective.

The Prophetic Times, 1866 **The Land & the Orchard of Human Species** Babajide M. Ola-Buraimo, 2011-04-12 The analytical views in this book are not in any way serendipity; rather, they were well thought out and structured as simply received. Thus arises the need to initiatively look back at the epoch of our existence on Earth as preceded by the following: survival of the fittest, search for food, where to live, sacrifices and rituals to appeal to God, brutalism against one another, religious sect formation and deforestation due to uncontrollable population increase. Improvisation of wooden houses, trees of concrete, iron and steel have been initiated, but in a way they have continually caused global warming to increase very much at a gradual pace as civilization advances through Machine Age, mechanized farming, industrialization and technological advancements, space exploration and globalization of industries and corporate organizations. The heat increases at an unusual, unprecedented level due to greenhouse gas emission, and thus the assumed greenhouse releases a light weight carbon dioxide (CO₂) gas into the atmosphere, which is speculated to have formed an impenetrable blanket. The presence of CO₂ is an indicator pointing to a fact that this gas in question had been released in the past and is presently being discharged uncontrollably. More so, there seems to be no end in sight as the CO₂ continues to be sporadically expunged into the atmosphere. The process described above has continued to be expanding through all frontiers with no end in sight, where new neighborhoods are being built, Suburbs margining together as new Castles are evolving block by block and concrete plazas are enveloping the Earth, so are the vegetative forest of trees disappearing, causing global warming to increase exponentially. The increase becomes very much intense at an alarming rate in that it has now been considered to be adversely

effective when found to be dangerously impacting the essence and every facet of life Analytical research is hereby required to be conducted by the world's best researchers and scientists in their respective professional fields Necessary wisdom of advice has to be forwarded by religious leaders of all known notable reliable religious groups or denominations Leaders and heads of governments of all Nations that control every facet of life in every part of the globe must guide and monitor purposely to do proper checks and balances with intuition ideology predictions and prophecies contained in this book *The Land the Orchard of Human Species* This is to determine the level of damages caused by humanity thereby putting the Earth's conditions into a scale of ratio prior to civilization and as civilization progresses i.e. the condition of the Earth from time immemorial as the scientists and archaeologists can determine through lists of records and documentaries Precisely from premedieval periods to present days and age while projecting into the future of the planet Earth in order for us to be just and find peace among ourselves and on Earth If humanity cannot find peace on Earth then we cannot find peace elsewhere because human's trait is like a shadow that trails behind you when you take a walk in the light Source of all lives and the means of energy and growth

The Last Illumination Johanes Vegba, 2025-10-31 The hope of every Christian is to go to Heaven but is Heaven real or imaginary Why must a Christian go there and what will they do once they arrive These questions have grown more pressing in the age of artificial intelligence and space exploration where even satellites have failed to locate Heaven The Last Illumination seeks to answer these enduring mysteries exploring the intersection of faith and science At its heart lies the transfiguration of Jesus Christ His radiant transformation on the mountain witnessed by the sudden appearance of Moses and Elijah Was this merely a

miraculous display or did it hold deeper significance for humanity This book traces God's original purpose for mankind and examines the alienation that separated humans from His glory It delves into the nature of that divine glory how it was lost and how it may be reclaimed Through biblical insight and theological reflection the author explores the meaning of the transfiguration and its implications for modern believers Other key topics include the return of Jesus Christ on the last day the symbolism of white garments for eternity the millennial reign and the fate of Heaven and Earth The book also addresses whether Christians can miss the transfiguration and what that might mean Additionally the text considers the activities of Satan during the millennial reign the timeline of future events and the ultimate location and permanence of Heaven Rich in scriptural context and contemporary relevance *The Last Illumination* invites readers to reflect deeply on the mysteries of salvation the return of Christ and the eternal destiny of humanity In the end readers will come away with a clearer understanding of the transfiguration and its vital importance for every Christian life

Pre-Nicene Christology in

Paschal Contexts Dragoş Giulea, 2013-11-01 In *Pre Nicene Christology in Paschal Contexts* Drago A Giulea re-examines the earliest texts related to the festival of Easter in light of Second Temple traditions Commonly portrayed as sacrificial lamb the key actor of the paschal narrative is here designated as heavenly Kabod Divine Image King of the Powers celestial Anthropos Demiurge Son of Man each of these divine names implying a corresponding soteriological function Drago A Giulea indicates as well that the Greek philosophical vocabulary and certain idioms of the mystery religions inspired new categories which reshaped the traditional way of describing the nature of celestial entities and the epistemological capacities able to access these realities Thus the King of the Powers or the Son of Man is several times described as a noetic Anthropos while initiation and noetic perception become the appropriate methods of accessing the divine

Christosis Ben C.

Blackwell, 2011 With increasing interaction between Eastern and Western theologians several recent biblical interpreters have characterised Paul's soteriology as theosis or deification In response to these affirmations Ben C Blackwell explores the anthropological dimension of Paul's soteriology to determine how helpful this characterisation is Utilising the *Wirkungsgeschichte* of the Pauline letters he first examines two Greek patristic interpreters of Paul Irenaeus and Cyril of Alexandria to clarify what deification entails and to determine which Pauline texts they used to support their soteriological constructions The monograph then focuses on Paul's soteriology expressed in Romans 8 and 2 Corinthians 3:5 with excursus on other passages and explores how believers embody Christ's death and life his suffering and glory through the Spirit Blackwell concludes with a comparison of deification as presented by these two Greek patristic interpreters and Paul's

soteriology noting the substantial overlap as well as key differences **The Enoch-Metatron Tradition** Andrei A. Orlov, 2005 Andrei A Orlov examines the tradition about the seventh antediluvian patriarch Enoch tracing its development from its roots in the Mesopotamian lore to the Second Temple apocalyptic texts and later rabbinic and Hekhalot materials where Enoch is often identified as the supreme angel Metatron The first part of the book explores the imagery of the celestial roles and titles of the seventh antediluvian hero in Mesopotamian Enochic and Hekhalot materials The analysis of the celestial roles and titles shows that the transition from the figure of patriarch Enoch to the figure of angel Metatron occurred already in the Second Temple Enochic materials namely in 2 Slavonic Enoch a Jewish work traditionally dated to the first century CE The second part of the book demonstrates that mediatorial polemics with the traditions of the exalted patriarchs and prophets played an important role in facilitating the transition from Enoch to Metatron in the Second Temple period

Pastor Paul Sudhakar through his sermon series on Build Thou the Walls of Jerusalem and True Light explains many of these questions Build Thou the Walls of Jerusalem is an in depth study on what happens when a believer sins Through the prayer that King David makes in Psalms 51 Pastor Paul Sudhakar has explained the following points 1 What led David to sin And how should a believer watch out at present times 2 Can God not bless and restore us in the same way that he did with King David The second sermon True Light is emphasized on the verse let there be light It talks about how without the true light darkness emptiness and ugliness is spread all over It explains the impact of true light shining on three individuals Zacchaeus Job and John the Baptist It correlates how a God of multitude is also a God of an individual Though he ministered to the larger crowds he still took time to seek out individuals and minister to their needs
