Lost Lady Of The Amazon:

The Lost Lady of the Amazon Anthony Smith, 2003 The French scientific expedition that set off for Peru in 1735 did not have much luck Five of its members died or went insane before their seven years work was completed but Jean Godin the youngest member of the team fell in love with and married a local girl Isabela the daughter of the local Spanish governor After a few years Godin crossed the Andes and travelled the Amazon to test whether it was a route suitable for his family Unfortunately having safely reached Cayenne in French Guiana he discovered the political situation prevented his return neither the Spanish nor the Portuguese would allow his passage back upriver After almost 20 years during which Jean waited on in Guiana the King of Portugal sent a boat to retrieve the family Isabela at last set off with her children her brothers and her servants over the Andes and down the Amazon but the journey was to prove worse than the waiting Smallpox starvation the torrential river and the horrors of the jungle beset the travellers Some drowned some ran away others died of hunger In the end Isabela alone survived of the 42 who set off she was found wandering in the jungle sick and half crazed **Lost**

The Old Man and the Sea Anthony Smith, 2015-02-26 Octogenarian Anthony Smith's journey was originally inspired by both the Kontiki Expedition of Thor Heyerdahl who he knew and the incredible story of the survivors of a 1940 boat disaster who spent 70 days adrift in the Atlantic eventually reaching land emaciated and close to death While this might sound like a voyage no one would wish to emulate to octogenarian Anthony Smith it sounded like an adventure and he placed a typically straightforward advertisement in the Telegraph that read Fancy rafting across the Atlantic Famous traveller requires 3 crew Must be OAP Serious adventurers only In his inimitable style Smith details their voyage and the hardships they endured with a matter of fact air that makes his story seem all the more impressive His advanced age allows him a wider perspective not only on the journey but on life itself and his never say die attitude to the difficulty of the journey is inspirational Old men ought to be explorers said T S Eliot and this book certainly gives a compelling argument in his favour It is both a great story a huge storm on the final night of the voyage almost wrecked them on a reef and a call to action for the older generation do not go quietly says Anthony Smith but seek out adventure as long as you are able
