Lost Sunrise:

Lost Sunrise Garrett Patrick McCorkle, 2019-02-20 Broken and disillusioned about life Joe Martinson convinced himself he was content to just get through each day He carves out a quiet uncomplicated life working as a photographer for the city paper and managing Henry his cantankerous father He almost believes he can go on existing this way day in and day out that is until his life is turned upside down when his one true love comes crashing back into his life As Elizabeth and Joe rekindle their love affair she finds part of the man she once knew and loved long ago but she also sees a man that is lost and broken from a war he left years ago As Elizabeth teaches Joe to confront the ghosts of war she helps him find a life that was almost lost to him but she also helps him tell his story their story which will forever change both of their lives Their love story is one that we all hope for it's about forgiveness second chances and finding that one person that sees the best parts of us even when life leaves us broken **Lost Sunrise**

Boomburbs Robert E. Lang, Jennifer B. LeFurgy, 2007-10-01 A glance at a list of America's fastest growing cities reveals quite a surprise most are really overgrown suburbs Places such as Anaheim California Coral Springs Florida Naperville Illinois North Las Vegas Nevada and Plano Texas have swelled to big city size with few people really noticing including many of their ten million residents These boomburbs are large rapidly growing incorporated communities of more than 100 000 residents that are not the biggest city in their region Here Robert E Lang and Jennifer B LeFurgy explain who lives in them what they look like how they are governed and why their rise calls into question the definition of urban Located in over twenty five major metro areas throughout the United States numerous boomburbs have doubled tripled even quadrupled in size between census reports Some are now more populated than traditional big cities The population of the biggest boomburb Mesa Arizona recently surpassed that of Minneapolis and Miami Typically large and sprawling boomburbs are accidental cities but not because they lack planning Many are made up of master planned communities that have grown into one another Few anticipated becoming big cities and unintentionally arrived at their status Although boomburbs possess elements found in cities such as housing retailing offices and entertainment they lack large downtowns But they can contain high profile industries and entertainment venues the Los

Angeles Angels of Anaheim and Arizona Cardinals are among over a dozen major league sports teams who play in the boomburbs Urban in fact but not in feel these drive by cities of highways office parks and shopping malls are much more horizontally built and less pedestrian friendly than most older suburbs And contrary to common perceptions of suburbia they are not rich and elitist Poverty is often seen in boomburb communities of small single family homes neighborhoods that once represented the American dream Boomburbs are a quintessential American landscape embodying much of the nation s complexity expansiveness and ambiguity This fascinating look at the often contradictory world of boomburbs examines why America s suburbs are thriving and how they are shaping the lives of millions of residents Midnight Rambler James Swain,2008-08-26 Explosive Pulse pounding Heart racing From the bestselling author The Wall Street Journal hails as one terrific writer Midnight Rambler is the breakout thriller of the year a brawny brainy novel of suspense that pairs James Swain s trademark smooth as silk prose with a plot bigger and bolder than anything he s done before In South Florida Jack Carpenter is infamous He s the cop who busted the notorious serial killer Simon Skell aka the Midnight Rambler and sacrificed his badge and marriage in the process Haunted by the Skell case Carpenter now works as an abduction specialist in Fort Lauderdale reuniting families with their missing children But the body of one of the Midnight Rambler s victims has just been uncovered and forensic evidence suggests Carpenter jailed the wrong man With Skell just days away from release the tarnished hero must reopen the case that shattered his life and the lives of eight murdered women As waves of heat and rain wash over the steamy streets Carpenter races against the clock to reaffirm the case against Skell Yet the deeper he digs the more he starts to realize that Skell is just one piece in a terrifying puzzle of predation and murder just one player in a shocking conspiracy that ranges across the state of Florida And as the relentless Carpenter draws the net tighter his enemies prepare to spring a devastating final surprise From the seaside bar that Jack Carpenter calls home to the glittering tourist kingdom in Orlando to the funky jungle of Coconut Grove James Swain unleashes a wild ride into the heart of evil with the Rolling Stones Midnight Rambler as the throbbing terrifying soundtrack History of the Great Lakes...
