Lost Teachings on Your Higher Self Mark L. Prophet, Elizabeth Clare Prophet, 1988 In Book 1 of their Lost Teachings of Jesus series Mark L Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church's doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential

The Lost Teachings of Atlantis Jon Peniel,1997-07-06 This is the account of an American teenager who discovered a monastery in Tibet that was the inspiration for the legend of Shangri La It might be categorized as a new age or philosophy book like the Celestine Prophecy since it focuses on his spiritual training and their teachings in a novel like format Hard to believe but interestingly the sub tropical region amongst the Himalayas that he describes finding was later documented by explorers from National Geographic then covered up there is still evidence of this Also interesting is that the author was apparently mentioned in the Edgar Cayce readings the famous American psychic whose books have sold millions of copies as someone who would one day bring an important message to the world
