The Dream Thieves Dream thieves steal people s aspirations until they encounter a dream so powerful it threatens the fabric of their reality In Summary In The Dream Thieves the beautiful town of Aspira is shown to be a place where dreams are more than just scary images This delicate balance is threatened by the Dream Thieves mysterious beings from another world who eat dreams and disappear where happiness and creativity used to grow In this case Eli a young resident of Aspira is in the middle of a trip that will change his life The Dream Thieves are interested in his visions because they are bright and full of healing and inspiration This starts an epic story that will ultimately decide everyone s fate As the story goes on Eli s run in with the Dream Thieves sets him on a mission to find out what dreams are really about and get back his stolen dreams His journey shows how the dream and real worlds are complicatedly connected and he has to find his way through a road full of danger new discoveries and the chance to meet new people The Dream Thieves change from enemies to friends in the end because Eli keeps believing in the power of dreams and wants to make things right for everyone Because they had hurt the Heart of Dreams which is where all dream power in Aspira comes from they set out to fix it The most important part of the story is Eli s huge sacrifice he gives up part of his own dream to save the dying Heart of Dreams In both areas it shows how powerfully personal dreams can affect the well being of everyone The Dream Thieves future is changed by this brave and selfless act Not only does it restore the flow of dreams but it also forces them to become Protectors of Dreams watching over the dream realm in case it is threatened again The sad ending of The Dream Thieves is a bittersweet reminder of how dreams can bring about change heal wounds and bring people together By following Eli s journey readers are encouraged to think about how their own goals relate to reality and how they can work together to change it Aspira wakes to a new era of peace and creativity The story has a timeless lesson about how important it is to love and protect our dreams because they are the seeds from which amazing things can grow

Chapter 1 The Amazing Dream of Eli This was the first dream of its kind that Eli had ever had Not only was he drawn to the city s beautiful textures and bright colors but he was also drawn to the never ending thrill and freedom he felt as he explored this amazing world If you remember Eli s dream he was on top of a cloud and looked down at a city that seemed to defy gravity They were connected by bridges that looked like they were made of light and hung loosely in the air They were made of bright materials that he wasn t sure what they were There were buses and flying cars buzzing around him in the sky They darted between buildings like fish in a river The animals that roamed the city streets and sky on the other hand were what made this dream unique These animals weren t like other animals they talked to people like people telling stories about their adventures and meeting people who came by Eli remembers seeing a dog that could run faster than the flying cars and a cat whose wings sounded like old stories and whose laughter could be heard in the wind When Eli woke up his heart was still racing from an exciting dream He lay in bed for a while holding on to the dim memories of the city in the sky and the people who lived there When

Eli opened his eyes he thought he might be back in the dream because it felt so real and solid Eli felt he had to talk about what he had seen even though the dream details were blurring and scenes from his own room were taking their place He wasn't sure if his friends would believe him when he told them about the flying city and the talking animals or if they would just think it was another dream However Eli knew that this dream was different It didn't seem like something out of his mind it was like a doorway into a world that was linked to his own in some way The town of Aspira where Eli lived needed some magic It had slowly lost its shine and life and now there was a pall of darkness around it It was hard for the people of Aspira to live happy lives because their daily lives were so boring and hard The streets of town were not as busy as they used to be and kids laughing wasn't heard very often Eli had always thought that Aspira was missing something something that could bring back the wonder and joy that had faded over time While Eli thought about his dream he began to wonder if Aspira needed a reminder of the magic in the world the magic that could make the town happy again Eli hurried to meet his friends because he was excited and wanted to tell them about his idea His passionate story about his dream which included detailed accounts of floating buildings flying cars and animals that talked wowed his coworkers They paid close attention as Eli told them about a world full of magic and excitement Aspira seemed to suddenly feel better as they sat together The sadness that had been there seemed to lift and a glimpse of hope and promise took its place What Eli dreamed brought back the wonder and joy that his friends had lost for too long They talked about their own dreams and told each other about strange animals and places they had seen in their sleep They could believe in the impossible again after Eli's dream seemed to have opened a door They thought that Eli's dream might not have been a dream at all as they talked It could have been a challenge to them to find the magic in their own lives and bring it back to Aspira In response to Eli's idea they came up with a plan Instead of in the sky they were going to build their own flying city on Aspira They would start with small projects like making models of flying structures and their own talking animals to bring some of Eli's ideas to life Each project was meant to bring the wonder and happiness that Eli's dream had given them to as many people in the town as possible It was their time to work when something amazing happened Aspira's population grew because Eli and his friends were happy and interested By stating their own goals and ideas they added their knowledge and creativity to the movement that was already strong The town slowly changed from being dead and boring to busy and creative Paintings on the walls showed scenes from Eli's dream and the talking animal statues in the town square made everyone happy Eli's wonderful dream had started a movement in Aspira and given him a short break from real life People in the town were told that magic isn't just in dreams but also in the strength of groups and creativity Aspira's streets went from being sad to being full of hope because of them They brought Eli's skyscraper city to life Eli realized that remembering what a place used to be is sometimes better than trying to change it As the town began to come to life with the spirit of the dream he realized this Chapter 2 The Burglars in the Venereal Area It was dark and strange in the peaceful town of Aspira and something bad was going on The Dream Thieves a name for a group

of mysterious and interesting people walked quietly through the streets They moved through the darkness with a grace that was both beautiful and scary Their presence was almost ghostly and you could feel it more than see it These were not your average thieves instead they were looking for the most valuable and mysterious things in people What they hoped for They used ethereal nets and gadgets from an unknown world to record the dreams of the people who slept in Aspira They were driven by need not greed or spite Dreams were more than just mental illusions for them they were an important part of their world like how air and water are for us In the Dream Thieves country people s dreams became real Over time this fabric had started to fray and fall apart which put their world s future at risk To fix it they needed dreams from people full of color and feeling The Dream Thieves waited for the Aspira people to go to sleep every night so they could steal their dreams which rose up like smoke These dreams ranged from normal to strange from vivid memories of the previous day to trips into the future to places no one had been before For the Dream Thieves every dream was an important resource because it gave them energy to keep their world going for a little while longer As they moved around Aspira the Dream Thieves worked quickly but with respect for the dreams they stole They knew how much the things they stole were worth and how their acts had hurt the people they borrowed from But they were in great need and the survival of their country was in danger Aspira started to change a little with each dream that was written down People in town felt like their mornings were missing something but they couldn t put their finger on it The intense dreams they had seemed to fade leaving them with an unsettling feeling of emptiness and pain They felt like something had cast a shadow over who they were making them less inspired happy and living Even though there was ethereal silence after the Dream Thieves visits people in Aspira were getting restless They talked in whispers about their dying dreams telling stories of lost adventures at night and strangely sad mornings Some people started to wonder if the Dream Thieves stories which had been written off as lies before might actually be true Could there really be beings that only lived in people s dreams wiping out wonder and imagination in the process The thought scared and interested the people in the town who were all interested in the mysterious people who walked the streets at night The bad guys in this story though were not the Dream Thieves In their society taking dreams was not a crime that was okay It was a heavy duty that was taken on in the hopes that one day there would be no need to take from people that their reality could be fixed and that their worlds would be balanced again They wished there was a way for everyone to live together and enjoy the beauty of dreams without putting anyone in danger or using up all their resources During their nighttime walks each dream they gathered had a whispered plea for peace understanding and a time when dreams can freely move between their world and the human world
