

Lost In The Head

L Darling-Hammond

Lost In The Head:

The suicide; or, Nick Carter and the lost head Nicholas Carter, Burke Jenkins, E. K. Nostwell, 2023-07-09 In *The Suicide or Nick Carter and the Lost Head* readers are invited into a varied landscape of mystery and detective fiction where the theme of identity and the quest for truth unfold against backdrops as diverse as the human condition itself. The anthology brings together an array of compelling narratives offering a plethora of styles from atmospheric suspense to cerebral sleuthing. Within this tapestry of tales several standout pieces challenge conventional notions of detective work, crafting intricate puzzles that stimulate both intellect and imagination. The collection serves as a testament to the enduring appeal of the genre, encapsulating its evolution and continued relevance in today's literary context. The contributing authors, Nicholas Carter, Burke Jenkins, and E. K. Nostwell, present a confluence of backgrounds that enrich the anthology's explorations. Each author draws from distinct cultural and historical frames, yet together they converge on the universal themes of human fallibility and redemption. Their engagements with contemporary and classical literary movements breathe life into stories juxtaposing the gritty allure of detective fiction with profound philosophical musings, thus enhancing the reader's nuanced understanding of the genre's thematic core. This anthology is a treasure trove for those eager to experience the dynamic interplay of narrative voices and stylistic flourishes within one comprehensive volume. *The Suicide or Nick Carter and the Lost Head* not only offers an educational journey through the subtleties of detective fiction but also fosters dialogue between disparate literary perspectives. For enthusiasts and scholars alike, it is an invaluable resource that bridges narrative entertainment with intellectual enrichment, presenting a unique opportunity to engage deeply with the enduring mysteries of the human psyche.

The Suicide, or, Nick Carter and the lost Head Nick Carter, 2022-10-13 Excerpt: "Slow down, Danny, and look out for that wire," said Nick Carter to his chauffeur. "It may be a live one. I'm onto it, chief. Onto it, eh? Don't you run onto it while I'm in the car, not if it's a live one. You may fancy absorbing the output of an electric lighting plant, but not for mine, Danny. Not for mine. I know what it would do to me. I've seen men electrocuted." Danny Maloney laughed, for it was obvious that the famous detective was jesting. "Onto it with my lamps, chief," is what I meant, he replied. "Say what you mean, then," said Nick with a smile. "Precision is one of the valuable assets of a detective. Luckily, however, you are addressing one who can read between the lines, barring those of the ambiguous letter that brought us out here. Can't you fathom it? It must be mighty blind, chief, if it fools you. On the contrary, Danny, it is perfectly plain what there is of it," said Nick dryly. "A woman, one Mrs. Myra Darling, states that she is in great trouble; that a very devoted friend of mine has advised her to appeal to me, and will I favor her with a call at my earliest convenience. That all questioned, Danny, tersely. 'The whole business,' said Nick. 'Of course, the appeal coming from a woman, I cannot turn it down. Noblesse oblige. You don't know her. Not from a side of leather. I am acquainted with no Darling woman. Suppress that smile, Danny. I know what you are thinking. But all women are not darlings, far from it. This one might be,' said Danny, his smile spreading to a grin.
