Lost Summer

David James

Lost Summer:

The Lost Summer Tony Buttita, 2003-12-31 *The Lost Summer* Joan Oppenheimer, 1977 *The Legacies of Modernism* David James, 2011-10-20 An engagement with the continued importance of modernism is vital for building a nuanced account of the development of the novel after 1945 Bringing together internationally distinguished scholars of twentieth and twenty first century literature these essays reveal how the most innovative writers working today draw on the legacies of modernist literature Dynamics of influence and adaptation are traced in dialogues between authors from across the twentieth century Lawrence and A S Byatt Woolf and J M Coetzee Forster and Zadie Smith The book sets out new critical and disciplinary foundations for rethinking the very terms we use to map the novel's progression and renewal enhancing our understanding not only of what modernism was but also what it might still become With its global reach *The Legacies of Modernism* will appeal to scholars working not only in the new modernist studies but also in postcolonial studies and comparative literature

Climate Change Impacts on Freshwater Ecosystems Martin Kernan, Richard W. Battarbee, Brian R. Moss, 2011-02-14 This text examines the impact of climate change on freshwater ecosystems past present and future It especially considers the interactions between climate change and other drivers of change including hydromorphological modification nutrient loading acid deposition and contamination by toxic substances using evidence from palaeolimnology time series analysis space for time substitution laboratory and field experiments and process modelling The book evaluates these processes in relation to extreme events seasonal changes in ecosystems trends over decadal scale time periods mitigation strategies and ecosystem recovery The book is also concerned with how aspects of hydrophysical hydrochemical and ecological change can be used as early indicators of climate change in aquatic ecosystems and it addresses the implications of future climate change for freshwater ecosystem management at the catchment scale This is an ideal book for the scientific research community but is also accessible to Masters and senior undergraduate students *Business Practices in Higher Education* Mark A. Kretovics, 2011-02-15 *Business Practices in Higher Education* is a breakthrough guide offering higher education and student affairs professionals an understanding of the fundamental business nature of colleges and universities The author discusses the practical applications of business concepts and models and how these applications can contribute to the overall efficiency and effectiveness of higher education institutions Useful examples from a wide range of institutions including small privates large publics and community colleges illustrate these concepts This professional guide is organized into the following four sections Environment and Structure Finance and Funding People and Processes Perspectives on the Future Business practices pervade the academic student affairs and administrative sides of higher education This book affords readers a greater understanding of the true nature of higher education and an appreciation for how the academy effectively incorporates business practices into everyday work lives *Karielle and the Gift of Magic* Jo Ann Gilbert Stover, 2012-11-20 Karielle born of humble circumstances finds early in life that she is different She can do things others can't Her family thinks

she is only fantasizing One day Nathan Karis half brother left to care for her and the animals a task he hates taunts Kari until she runs away Traveling much farther than she ever had before she trips on the muddy path spraining an ankle A large wolf Worg finds her changing Karielles life forever Worg leads Karielle to the hut of the sorceress Gretchen who discovers her gift of magic Gretchen also a healer begins training Kari She loves learning magical skills and the use of healing herbs Kari even heals the twisted legs of a young man of the village Karielle had never known her real father His relationship with her mother had been very short Rolgrin Hawke a powerful wizard discovers her and comes to the village where she lives to see if she is his child Therein lies the adventure Karielle leaves her tiny villagel travels to Hawkes Reach and the castle of her newly found father Events threaten the land and it is Karielles unique gift of magic that helps save humanity **Living Memorials**

Project Erika S. Svendsen,2005 Reviews the public spaces that have been created used or enhanced in memory lives lost from terrorists attacks of September 11 2001 Reports the results of a national registry that serves as an online inventory of living memorial sites and social motivations Through the first year of research more than 200 living memorials were located in every state in the U S This publication includes findings associated with research conducted in the first year of the multi year study One of the findings was that after September 11 2001 communities needed space space to create space to teach space to restore space to create a locus of control These social motivations formed the basis of patterned human responses observed throughout the nation A site typology emerged adhering to specific forms and functions that often reflected a variance in attitudes beliefs and social networks **Second Corinthians**

Larry Kreitzer,1996-11-01 This Guide explores the controversial place that 2 Corinthians has within Pauline studies Special attention is given to the contribution that the epistle makes to our understanding of Paul s views on such matters as his apostolic ministry his interpretation of scripture and his ecclesiology A summary of scholarly debate about the placement of 2 Corinthians within the larger setting of the Pauline corpus is also provided **'78**

Bill Reynolds,2009-03-31 Now in paperback the inside story behind a crucial chapter in Red Sox lore and a turbulent time in a troubled city George Steinbrenner called it the greatest game in the history of American sports On a bright October day in 1978 the Boston Red Sox met the New York Yankees for an epic playoff game that would send one team to the World Series and render the other cursed for almost a quarter of a century Award winning sports columnist Bill Reynolds masterfully tells the dramatic story of the rival teams and players at this pivotal moment and explores the social issues that divided Boston that summer and their influence on one game beyond the realm of sports **John**

Osborne John Heilpern,2008-01-08 John Osborne the original Angry Young Man shocked and transformed British theater in the 1950s with his play Look Back in Anger This startling biography the first to draw on the secret notebooks in which he recorded his anguish and depression reveals the notorious rebel in all his heartrending complexity Through a working class childhood and five marriages Osborne led a tumultuous life An impossible father he threw his teenage daughter out of the house and never spoke to her again His last written words were I have sinned Theater critic John Heilpern s detailed portrait

including interviews with Osborne's daughter, scores of friends and enemies and his alleged male lover shows us a contradictory genius, an ogre with charm, a radical who hated change and above all a defiant individualist. **Thief's Mark** Carla Neggers, 2017-09-01 A murder in a quiet English village, long buried secrets and a man's search for answers about his traumatic past entangle FBI agents Emma Sharpe and Colin Donovan in the latest edge of your seat Sharpe/Donovan novel. As a young boy, Oliver York witnessed the murder of his wealthy parents in their London apartment. The killers kidnapped him and held him in an isolated Scottish ruin, but he escaped, thwarting their plans for ransom. Now, after thirty years on the run, one of the two men Oliver identified as his tormentors may have surfaced. Emma Sharpe and Colin Donovan are enjoying the final day of their Irish honeymoon when a break-in at the home of Emma's grandfather, private art detective Wendell Sharpe, points to Oliver. The Sharpes have a complicated relationship with the likable, reclusive Englishman, an expert in Celtic mythology and international art thief who taunted Wendell for years. Emma and Colin postpone meetings in London with their elite FBI team and head straight to Oliver. But when they arrive at York's country home, a man is dead and Oliver has vanished. As the danger mounts, new questions arise about Oliver's account of his boyhood trauma. Do Emma and Colin dare trust him? With the trail leading beyond Oliver's small village to Ireland, Scotland, and their own turf in the United States, the stakes are high and Emma and Colin must unravel the decades-old tangle of secrets and lies before a killer strikes again. **New York Times bestselling author Carla Neggers delivers the gripping suspense filled tale readers have been waiting for.** **The Democracy Disadvantage** Brian K. Grodsky, 2024-02-02 Populists are conventionally maligned as impediments to effective policymaking. They tend to undermine state institutions, exercise personalistic rule, and offer simplistic solutions to complex societal problems. But is populism always a hindrance to good governance? In this book, Brian Grodsky argues that the interplay between populism and regime type can upend expected levels of political responsiveness based on regime considerations alone. The result can be a reversal of the so-called democratic advantage, according to which public accountability in democratic regimes drives action beyond what is typically expected under authoritarianism. Grodsky explores the government policy response to the COVID-19 pandemic in three populist states: the United States, a democracy; China, a non-democracy; and Russia, a hybrid regime. This insightful exploratory analysis is essential reading for students and scholars of comparative politics, populism, and disaster management. **The Jive 95** Hank Rosenfeld, 2023-08-15 **The Jive 95** An Oral History of America's Greatest Underground Rock Radio Station KSAN San Francisco is an oral history of America's first hippie underground FM station which broadcast the countercultural consciousness of the 60s and 70s to a new generation. A communal radio band of intrepid hellraisers, pranksters, and drug-enlightened geniuses defined this psychedelic era from the Summer of Love in Golden Gate Park to the rebellion and bitter end of the late 1970s which launched the Reagan Revolution. Founded in San Francisco by Tom Donahue, a 1996 inductee into the Rock & Roll Hall of Fame, an entire generation of Americans discovered a new musical universe among dance clubs, light shows, and street fests. The original pop

ups Almost overnight KSAN became an audio clubhouse where anyone could belong with friends and the cool cats and hipsters they just met Rock gods political stars and literary celebrities including Jerry Garcia Ken Kesey Sly Stone and John Lennon were all interviewed by founder Tom Donahue and his cohorts whose listeners tuned in and turned on to bands like Jefferson Airplane The Grateful Dead Janis Joplin Quicksilver Country Joe and the Fish Hot Tuna The Beatles and Santana among others Folk journalist Hank Rosenfeld was there during those final years writing producing and announcing His warm funny voice presents a behind the mic experience at KSAN the beloved Jive 95 whose delicious dose of enlightened sunshine and 33 rpm LP dreamscapes ignited a radio explosion from coast to coast So how did KSAN go from a liberating voice to a corporate cliché It's all here in Rosenfeld's insightful hilarious account which includes countless exclusive interviews with iconic performers and never before available in print or audio form

Cousy Bill Reynolds, 2010-05-11 Bob Cousy is one of the greatest figures in American sports history He was a first team All NBA player ten years in a row the MVP of the 1957 season He led the NBA in assists for eight straight years He played in six NBA championships with the Boston Celtics In a sense he was the first modern player and flashy playmaker the first improviser the first player to look inside the boundaries of a basketball court and see endless possibilities jazz musician as point guard To teammates coaches and opponents he was the greatest basketball player of all time But to millions of fans he was simply Cooz In Cousy His Life Career and the Birth of Big Time Basketball veteran sportswriter Bill Reynolds with the full cooperation of Bob Cousy reveals the man often called the Babe Ruth of basketball the dazzling athlete who brought showtime basketball to the NBA and changed the game forever Bob Cousy the originator of the behind the back dribble and the no look pass joined the Boston Celtics in 1950 when the fledgling NBA was still competing with rodeo and professional wrestling for column inches in the sports pages When Cousy retired thirteen years later the NBA had joined baseball and football as a premier American entertainment This absorbing portrait not only recounts Cousy's record breaking career but also reveals the superstar's little known personal life from his impoverished childhood in New York City when he was ironically cut from his high school basketball team in both his freshman and sophomore years to his eventful life after his playing career when he coached Boston College and the Cincinnati Royals in the NBA Readers will discover the mind of a man so tortured by the fear of failure that he had recurring nightmares walked in his sleep and developed a nervous tic Before Jerry West and Oscar Robertson before Kareem and Dr J before the Lakers brought showtime basketball to the national stage the Celtics dominated the NBA for more than a decade And Cousy was the team's biggest star As Reynolds examines the inner workings of a truly one of a kind athlete Cousy His Life Career and the Birth of Big Time Basketball examines as never before an era of basketball largely unknown to modern fans with portraits of many of the NBA's vintage superstars such as Bill Russell Wilt Chamberlain and Elgin Baylor as well as perhaps the greatest basketball coach of all time the Boston Celtics Red Auerbach

The River House Carla Neggers, 2018-03-27 A potent friends to lovers story in the Swift River Valley series from the New York Times bestselling

author of Red Clover Inn RT Book Reviews In this charming novel about the search for love home and family Carla Neggers takes readers on a journey to an irresistible town they ll want to return to over and over again Felicity MacGregor loves organizing social events for others but her own personal life is a different story After a brief but failed attempt at a career as a financial analyst she returned to Knights Bridge where she enjoys running a thriving party planning business Then Felicity s life gets a shake up when her childhood friend Gabriel Flanagan returns unexpectedly to their tiny hometown Now a high flying businessman Gabe always vowed to get out of Knights Bridge but he is back for the local entrepreneurial boot camp Felicity s been hired to organize Together again they ll finally have to face each other and their complicated past Gabe and Felicity soon realize their reunion is stirring up long buried emotions While Gabe has big plans for his future Felicity is discovering that hers doesn t depend on fate she must choose what s right for her But if they can find a bridge between their diverging paths they may just discover that their enduring connection is what matters most *Thriving in the Face of*

Mortality Daniel B. Hinshaw,2023-01-27 Kenosis a Greek word meaning depletion or emptying and a concept borrowed from Christian theology has deeply profound implications for understanding and ordering life in a world marked by suffering and death Whereas the divine kenosis was voluntary human beings experience an involuntary kenosis which is characterized by the inevitable losses experienced during the lives of mortal creatures How one chooses voluntarily to respond to this involuntary kenosis regardless of faith commitments in effect defines us both in our relationships with other suffering creatures and with the entire cosmos This book offers a unique perspective on how the losses of involuntary kenosis choreograph the suffering which is such a defining aspect of the lives of persons communities and the environment in which they live and how the kenotic process rather than being a source of despair can be a source of hope presenting opportunities for extraordinary personal growth **From Small Screen to Vinyl** Bob Leszczak,2015-06-25 From its infancy television

networks and studios explore others avenues to increase their revenues Conveniently enough several film studios and production companies MGM MTM Columbia Screen Gems Talent Associates Warner Brothers had their own record label divisions The obvious benefit was cross promotion a television series could be plugged on the record and the record could be promoted on the TV show Though few and far between several television performers went on to become major recording stars Ricky Nelson started as a child actor on The Adventures of Ozzie and Harriet before dominating rock and pop charts Johnny Crawford of The Rifleman Walter Brennan of The Real McCoys and even Bruce Willis of Moonlighting all scored Top Ten hit singles But these were just the standouts from the hundreds of TV actors who recorded songs and the stories behind their records are simply fascinating In From Small Screen to Vinyl A Guide to TV Stars Who Made Records 1950 2000 author Bob Leszczak offers a look at hundreds of stars who performed double duty as a television performer as well as a recording artist He looks not only at the show and the performer but the behind the scenes dramas that unfolded as each attempted to tackle the two different mediums Through his interviews with many of these multitaskers the author has uncovered new and

mostly never before known facts about those who sought to conquer the world of vinyl As Leszczak stresses most eagerly embraced the opportunity to record while others saw it as a necessary evil the result of contractual obligations or industry pressures Entries are listed alphabetically from Nick Adams of The Rebel to Efrem Zimbalist Jr of 77 Sunset Strip Also included are over 80 photos of these rare releases taken from the author s private collection For a new look at your old favorites From Small Screen to Vinyl will let you see that just because one is a TV star does not mean that he or she does not have the ability to expand beyond their acting prowess Baby boomers fans of classic hits radio and devotees of classic TV programs will find From Small Screen to Vinyl a treasure trove of TV and record trivia and no TV or music library can be considered complete without it **The Issue of Time and Dissolution** Frank Darwiche,2000-09 This is an excellent many layered lyrical exploration of the ontological issues that time history and selfhood elicit **Congressional Record** United States. Congress,1984 *Beneath the Bleak New Moon* Debra Purdy Kong,2021-05-18 What happens when a street race down a busy Vancouver thoroughfare goes horribly wrong and a pedestrian dies And what happens when it happens again deliberately The third installment in the Casey Holland Mysteries is a wild ride that will hold you in suspense until the end A good read with urban grit and a spicy climax The Hamilton Spectator

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Tender Moments: **Lost Summer** . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms.
