The Lost Tycoon Harvey Hurt, 1993-05-01 Lost Tycoon Harry Hurt, 2016-07-15 Originally published New York W W Norton and Company 1993 **Lost Tycoon** Harry Hurt, III, 1994-03 The Strange Case of Donald J. Trump Dan P. McAdams, 2020-02-17 The Strange Case of Donald J Trump provides a coherent and nuanced psychological portrait of Donald Trump drawing upon biographical events in the subject's life and contemporary scientific research and theory in personality developmental and social psychology Dan P McAdams renowned psychologist who pioneered the study of lives examines the central personality traits personal values and motives and the interpersonal and cultural factors that together have shaped Trump's psychological makeup with an emphasis on the strangeness of the case that is how Trump again and again defies psychological expectations regarding what it means to be a human being The book's central thesis is that Donald Trump is the episodic man The chapters structured as stand alone essays each riffing on a single psychological theme build on each other to present a portrait of a person who compulsively lives in the moment without an internal story to integrate his life in time With an emphasis on scientific personality research rather than political rhetoric McAdams shows that Trump's utter lack of an inner life story is truly exceptional This book is a remarkable case study which should be of as much interest to psychologists as it is to readers trying to reckon with the often confounding behavior and temperament of the 45th President of the United States *Empires of Entertainment* Jennifer Holt, 2011-06-01 Empires of Entertainment integrates legal regulatory industrial and political histories to chronicle the dramatic transformation within the media between 1980 and 1996 As film broadcast and cable grew from fundamentally separate industries to interconnected synergistic components of global media conglomerates the concepts of vertical and horizontal integration were redesigned The parameters and boundaries of market concentration consolidation and government scrutiny began to shift as America's politics changed under the Reagan administration Through the use of case studies that highlight key moments in this transformation Jennifer Holt explores the politics of deregulation the reinterpretation of antitrust law and lasting modifications in the media landscape Holt skillfully expands the conventional models and boundaries of media history A fundamental part of her argument is that these media industries have been intertwined for decades and as such cannot be considered separately Instead film cable and broadcast must be understood in relation to one another as critical components of a common history Empires of Entertainment is a unique account of deregulation and its impact on political economy industrial strategies and media culture at the end of the twentieth century *The Lost Tycoon* Harry Hurt, 1993 A look at the fortunes and misfortunes of the multimillionaire uses untapped family sources to describe Trump's dealing with political fixers and contractors his ties to organized crime his personal life and his financial situation 30 000 first printing Tour Paradise Lost David S. Brown, 2017-05-22 Pigeonholed as a Jazz Age epicurean and an emblem of the Lost Generation Fitzgerald was at heart a moralist struck by the nation's shifting mood and manners after WWI Placing him among Progressives such as

Charles Beard Randolph Bourne and Thorstein Veblen David Brown reveals Fitzgerald as a writer with an encompassing historical imagination **You May Never See Us Again** Jane Martinson,2023-10-19 Part Ozymandias part Succession Financial Times A tour de force Guardian A Financial Times Book of the Year 2023 The inside story of the rise and fall of the Barclay brothers secretive business titans and one time owners of the Ritz and the Daily Telegraph Born poor the Barclay brothers were enigmatic twins who built one of the biggest fortunes in Britain together from scratch and spent six decades at the epicentre of business media and politics Their empire said to be worth 7bn at its height included Littlewoods the Ritz Hotel the Daily Telegraph and the channel island of Brecqhou They were major advocates for Brexit and well connected with influential politicians including Margaret Thatcher Boris Johnson and Nigel Farage And yet despite their fortune and influence their fiercely guarded desire for privacy has meant that their story has remained largely unknown until a very public family dispute pitched Barclay against Barclay in the High Court In *You May Never See Us Again* journalist Jane Martinson unravels the fascinating story of these once inseparable billionaire brothers Through their lives she offers compelling insights into post war Britain from the conditions that enabled their way of doing business to thrive through to the tightly enmeshed webs of influence between capitalism politics and the media that shape Britain today *Veblens America* Sidney Plotkin,2018-12-28 Donald Trump s astonishing rise to the US presidency challenges conventional understandings of American politics yet he is distinctively American His biography and family lineage reflect American traditions such as real estate hucksterism and buccaneering salesmanship But Trump s pugnacity also reflects the shadow of other darker American traditions of misogyny racism and xenophobia patterns that formed what Thorstein Veblen called a sclerosis of the American soul Using Veblen s theory of American development to explore the nation s curious fusion of barbarism and liberal democracy Veblen s America taps the rich vein of the sociologist s early twentieth century insights to shed light on the Trump phenomenon that has overwhelmed and threatened early twenty first century American democracy

All the President's Women Barry Levine,Monique El-Faizy,2019-10-22 With groundbreaking interviews behind the scenes reporting and never before seen photos All the President s Women records 43 new allegations of sexual misconduct against President Trump including that of E Jean Carroll the woman at the center of the civil trial that found Trump liable for sexual abuse in 2023 During his 2016 presidential run the revelation of the Access Hollywood tape and subsequent allegations of sexual misconduct lodged against Donald Trump looked like they might doom his candidacy Trump survived and the first two years of the real estate scion s presidency were marked not by controversy over his behavior around women but by the Mueller investigation Outside of being found liable for sexual abuse in a 2023 civil trial that awarded E Jean Carroll 5 million in damages Trump has widely dodged the MeToo bullet that has taken down so many once powerful men But despite the decades of tabloid fascination with his personal life the story of Trump s relationship with women has never been fully told Considering his bully pulpit in the White House the reckoning is overdue All the President s Women offers the most detailed

account yet of Trump's history with women dating back to his childhood and high school days through his rise in real estate reality TV and politics. This book will show that Trump's behavior goes far beyond occasional locker room talk and unwanted advances. Barry Levine and Monique El Faizy detail more than a dozen new allegations against Trump including a disturbing attack on a woman at Mar a Lago, an incident at a private Manhattan sex club involving a teenage girl as well as Trump's behavior at fashion shows and beauty pageants events that gave the future president a hunting ground to harass young women. Veteran journalists Levine and El Faizy tell the story of Trump from the point of view of the women in his orbit: wives, mistresses, playmates and those whom the president has dated, kissed, groped or lusted after. *Trump Revealed* Michael Kranish, Marc Fisher, 2017. Who is Donald J. Trump? To discover Trump in full, the Washington Post assembled a team of award-winning reporters and researchers to investigate every aspect of his life from his privileged upbringing in Queens to his hundreds of lawsuits, his infamous womanizing, his shifting position on abortion rights, his dizzying seven changes in party affiliation and his astonishing disruptive election as president in November 2016. Page 4 of cover. **American Television News: The Media Marketplace and the Public Interest** Steve M. Barkin, 2016-09-16. This concise history of the news broadcasting industry will appeal to both students and general readers. Stretching from the radio days of the 1920s and 1930s and the early era of television after World War II through to the present, the book shows how commercial interests, regulatory matters and financial considerations have long shaped the broadcasting business. The network dominance of the 1950s ushered in the new prominence of the anchorman, a distinctly American development and gave birth to the golden age of TV broadcasting which featured hard hitting news and documentaries epitomized by the reports by CBS's Edward R. Murrow. Financial pressures and advertising concerns in the 1960s led the networks to veer away from their commitment to serve the public interest and tabloid television, celebrity gossip, driven soft news and news magazines became increasingly widespread. In the 1980s cable news further transformed broadcasting, igniting intense competition for viewers in the media marketplace. Focusing on both national and local news, this stimulating volume examines the evolution of broadcast journalism. It also considers how new electronic technologies will affect news delivery in the 21st century and whether television news can still both serve the public interest and maintain an audience. *The Plaza* Julie Satow, 2019-06-04. Journalist Julie Satow's thrilling unforgettable history of how one illustrious hotel has defined our understanding of money and glamour from the Gilded Age to the Go Go Eighties to today's Billionaire Row. From the moment in 1907 when New York millionaire Alfred Gwynne Vanderbilt strode through the Plaza Hotel's revolving doors to become its first guest to the afternoon in 2007 when a mysterious Russian oligarch paid a record price for the hotel's largest penthouse, the eighteen-story white marble edifice at the corner of Fifth Avenue and 59th Street has radiated wealth and luxury. For some, the hotel evokes images of F. Scott Fitzgerald frolicking in the Pulitzer Fountain or Eloise, the impish young guest who pours water down the mail chute. But the true stories captured in *THE PLAZA* also include dark hidden secrets, the cold-blooded murder

perpetrated by the construction workers in charge of building the hotel how Donald J Trump came to be the only owner to ever bankrupt the Plaza and the tale of the disgraced Indian tycoon who ran the hotel from a maximum security prison cell 7 000 miles away in Delhi In this definitive history award winning journalist Julie Satow not only pulls back the curtain on Truman Capote s Black and White Ball and The Beatles first stateside visit she also follows the money trail THE PLAZA reveals how a handful of rich dowager widows were the financial lifeline that saved the hotel during the Great Depression and how today foreign money and anonymous shell companies have transformed iconic guest rooms into condominiums that shield ill gotten gains hollowing out parts of the hotel as well as the city around it THE PLAZA is the account of one vaunted New York City address that has become synonymous with wealth and scandal opportunity and tragedy With glamour on the surface and strife behind the scenes it is the story of how one hotel became a mirror reflecting New York s place at the center of the country s cultural narrative for over a century *Tower of Lies* Barbara A. Res,2020-10-20 Barbara A Res worked directly with Donald Trump for eighteen years on some of his biggest projects and had nearly unlimited access to him Trump selected Res to be in charge of construction of Trump Tower his greatest success as a developer In this insider s look at how the ambitious real estate developer became the most divisive president in recent U S history Res takes us into closed door meetings boardrooms limo rides and helicopter flights to really understand what makes him tick and show us why his claim to be a great dealmaker and savvy businessman is just a mirage No one with this kind of access to Trump during his formative years as a developer has ever written so completely about who he is away from the cameras It s no wonder that when the media are looking for someone who really understands Trump they turn to Res Candid personal and deeply perceptive Res shines new light on the man whose depravity has put us all and democracy itself in danger Includes a 16 page photo insert featuring images from the author s personal collection **Bitter Tweet** Alan Cashman,2021-03-03 He rose as a populist and fell as an insurrectionist The presidency of Donald J Trump was built on collusion bribery scandal and lies Trump is famed for his use of Twitter a digital machine gun he relished in firing Over a five year period he fully integrated Twitter into the very fabric of his administration ultimately re shaping the presidency and the power that came with it In a presidency like no other Trump woke up to Twitter went to bed with it and took comfort in how much it revolved around him Bitter Tweet is a chronological story that explores the fascinating presidency of Donald J Trump inspired by his own words A captivating tale of corruption bribery collusion and fascism By exploring the contexts and consequences of his most infamous tweets we gain an insight into just how the American political system works or in some cases does not *Sunny Side Up* David Baird,2004-06 Behind the white walls of the pueblos of southern Spain you will find more drama and passion than you could ever imagine All human life is here in all its varieties as British journalist David Baird and his Dutch wife found out when they settled in an Andalusian village seeking the simple life Sunny Side Up may read like fiction but it s all fact It s the Spain that Hemingway never saw and never wrote about *God, Where's My Hope?* Tim Gumm,2024-10-31 Where s my

The Trumps Gwenda Blair,2015-10-06 The definitive family biography of President Donald Trump The revealing story of the Trumps mirrors America s transformation from a land of striving immigrants to a world in which the aura of wealth alone can guarantee a fortune The Trumps begins with a portrait of President Trump s immigrant grandfather who as a young man built hotels for miners in Alaska during the Klondike gold rush His son Fred took advantage of the New Deal using government subsidies and loopholes to construct hugely successful housing developments in the 1940s and 1950s The profits from Fred s enterprises paved the way for President Trump s roller coaster ride through the 1980s and 1990s into the new century With his talent for extravagant exaggeration he calls it truthful hyperbole

President Trump turned the deal making know how of his forebears into an art form By placing this much publicized life within the context of family Gwenda Blair adds a new dimension to the larger than life figure who ascended to the American Presidency
