Ade realizes that he must break the one rule he's been told he can't. The pair must overcome their addictions and embrace their love for each other in order to do the impossible change the future.

All the Best for the Future Greg James, 2025-09-25 Brilliantly funny and life affirming stories of growing up from much loved Radio 1 presenter and bestselling children's author Greg James. When Greg James was ten years old his nylon shell suit clad idols the Chuckle Brothers to me to you signed an autograph from them to him with the message All the best for the future. It was a weirdly formal message for a kid. Ten year old Greg had no idea what the future held no clue what was in store for him as he carried on through life. How could he? No one really knows what's coming. We all have big dreams and small ones ideas about how we want our lives to pan out when you'll get married where you'll live how many children you want what you want to be when you grow up. We race through the milestones desperate to unlock life's next level and before you know it you're a grown up. That's all well and good but have you remembered to have fun along the way? Whether it's entertaining the nation with his hugely popular BBC Radio 1 Breakfast Show writing big funny adventures for kids with his bestselling children's books finding the joy in cricket and F1 in his podcasts Tailenders and The Fast and the Curious or posting stupid videos of his adorable but quite thick dog Barney Greg's focus is to put a smile on people's faces because let's face it having fun is something we all forget to prioritise sometimes. In **All the Best for the Future** Greg looks at how he thought his life would go and shares the things that wind him up make him sad make him laugh and the little passions and interests that he relies on to get him through the day whether it was a good one or a bad one. He tells us who he is who he thought he'd be and who he still thinks he could be. Most of all though his message for everyone is not to let go of that inner child as he navigates how to grow up without growing old. It's possible to be fully functioning adults with bills to pay and a dog to look after and still find time to play with a train set.

Rustic Revival: The Heiress Who Planted Her Future Degerae Mallory, Xia Wu died then came back to life only to discover that her absurd existence had merely been a story. She was the fake heiress in a switched at birth tale the gray sparrow who stole the magpie's nest the despised villainess who tormented the real heiress. Her older brother Xia Heng who once treated her like the apple of his eye coldly pushed her hand away. How could I have a sister like you? You're not worthy. Her childhood fianc Fu Shilin responded icily when he heard she had been hospitalized. Xia Wu stop playing these tricks I've seen right through you. In the end Xia Wu died alone in a hospital unloved and unnoticed. As her soul drifted into the sky she finally realized how laughable all her actions had been. Given a second chance at life Xia Wu decided to live differently. Returning to her hometown she unexpectedly earned the favor of the local mountain god and began a peaceful farming life leasing land building a hot spring resort growing fruit trees and beekeeping raising chickens dogs and all kinds of fluffy animals. As her livestream gained popularity she helped lift her impoverished village into prosperity. Even a major pastoral themed variety show came knocking on her door. The wealthy elites who once scorned her first thought she was playing hard to get until they ended up begging for her forgiveness hoping she would return.
