William Lee Holladay

Mad Gods Wrath:

Beyond an Angry God Steve McVey, 2014-08-01 How would your life change if you really believed and could even feel that God is absolutely crazy about you Steve McVey's penetrating new look at the transforming power of God's grace leads you to that change Steve unpacks the biblical revelation of the Trinity as a loving relationship and he highlights the goal of history God intends to include us in that circle of love Steve answers troubling questions that can keep you from fully sensing God's love acceptance and forgiveness such as Why does God look like a bad cop in the Old Testament and a good cop in the New Testament At Calvary was the Father angry at the Son Is He ever angry with me Why do I sometimes feel separated from God abandoned guilty and ashamed Theologians have described the Trinity as perichoresis a dance Are you ready to be swept into the Father's embrace

E-Quake Jack W. Hayford, Dolores Hayford, 1999-05-06 Pastor Jack Hayford believes the key to understanding the book of Revelation is to understand and correctly interpret the time and events surrounding the major earthquakes in Revelation In E Quake Pastor Hayford offers a practical study of the book of Revelation not a speculative or sensationalized look at prophecy Readers will understand how this revelation of Jesus Christ affects their lives today He also shows them how to live in what are perhaps the end times how to keep things in perspective how to make sure their value system and priorities are in order and how to apply the teaching of Revelation in practical ways

God War James Axler, 2012-08-07 A deadly war of the gods has broken out and the bravest of rebels Kane is humanity's last hope to halt it Endgame has finally arrived but who will be the winner Original

Long Ago God Spoke William Lee Holladay, 1995 How can we get beyond perceived barriers and find in the Old Testament the speech of God for today What do we do with the battles the worldview the wonders and wrath of God Holladay offers clear guidance for these and a host of other questions and topics in this most useful book which functions as an innovative introduction to the Old Testament and its theology

You Are God! David Todd Singleton, 2008-08-19 YOU ARE GOD is an epic story about who we really are It not only explains every mystery of the known world but brings the reader to their own realization that they themselves are indeed God And through this awakening into their natural divinity their own truth is revealed For the only way one ever knows what is true for them is when it gives them a feeling of relief Let the relief begin and the light shine in So Be It

God Isn't Mad at You Georgina Packer, 2008-10-22 The Bible says in Jeremiah 29 13 You will seek Me and find Me when you seek Me with all your heart This is such a simple invitation to a relationship that will only bring life and peace into one's life However too many times today we find people seeking after men or women instead of the One who can supply their every need It is good to listen to good teaching from God's Word but in the end it is we who must decide for ourselves about our lives Any other way will certainly lead us in a path away from God He wants a personal relationship with each and every one of us He wants to bless and deliver us from situations which are pulling us down He wants to pick us up when we fall and restore us into a right relationship with Him He is the God Who is more than able to supply all that we could ever ask for or desire It is His

purpose for us to realize the love He has for us above all else Many of the things which come into our lives are of our own doing and have nothing to do with God It is our poor choices or a wrong path that we have taken which leads us into situations which it seems that there is no deliverance from But God is the God Who is bigger than any situation and He is more powerful than any bad choice that we have made The only requirement is for us to trust Him and surrender all to Him In 1 Peter 5 7 it reads casting all your care upon Him for He cares for you I heard someone say once I don't know what the future holds but I know Who holds the future We can rest in the promises of God and learn of Him and we will have success even when it seems an impossibility for a situation to turn around So when we seek Him we can claim the promise in Jeremiah 29 11 13 For I know the thoughts that I think toward you says the Lord thoughts of peace and not of evil to give you a future and a hope Then you will call upon Me and go and pray to Me and I will listen to you And you will seek Me and find Me when you search for Me with all your heart So let's believe in a Father whose grace will carry us through any obstacle and let's believe in a Saviour Who wants to perform miracles the same way He did when He walked this earth He is as near as the mention of His Name Jesus

Helping Angry People Glenn Taylor, Rod Wilson, 2003 Anger is one of the most common problems counselors face What does the Bible say about it Is all anger sin Is there a way to turn anger into something positive Glenn Taylor and Rod Wilson bring their pastoral teaching and counseling experience to bear on the various issues surrounding anger and provide a step by step biblically based approach to helping people understand and deal with their anger Helping Angry People follows the counseling model developed by clinical psychologist David G Benner for pastoral counselors This model is short term enhanced by outside reading assignments carefully structured holistic

spiritually focused explicitly Christian After giving a brief overview of this model the authors present a five session format that guides counselors through a hypothetical counseling situation from initial encounter through counselees feelings thoughts and behaviors to the process of referral and termination Helping Angry People together with its companion handout for counselees Exploring Your Anger is perfectly suited for pastors who want to counsel in a psychologically informed way that also emphasizes the spiritual resources of Christian ministry Glenn Taylor M Th M Ed has been Counselor consultant and researcher in missions for many years with the Missionary Health Institute Toronto Rod Wilson Ph D York University is President and Professor of Counseling and Psychology at Regent College in Vancouver British Columbia Sinners in the Hands of an Angry God Jonathan Edwards, 2018-12-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices Sinners in the Hands of an Angry God combines vivid imagery of Hell with observations of the world and citations of the scripture It is Edwards most famous written work is a fitting representation of his preaching style and is widely studied by Christians and historians providing a glimpse into the theology of the Great Awakening of c 1730 1755 The sermon emphasizes the belief that Hell is a real place Edwards hoped that the imagery and language of his sermon would awaken audiences to the horrific reality that he believed awaited them should they continue without calling on Christ to be saved The underlying point is that God has given humanity a chance to confess their sins Edwards says that it is the mere will of God that keeps wicked men from the depths of Hell This act of restraint has given humanity a chance to mend their ways and return to Christ *Aging Angry* Amanda Smith Barusch, 2024 Never before in the history of humanity have so many people lived to be so very old Throughout our past a few individuals might have made it to old age but mass aging is a new concept for the human species **Sinners in the Hands of an Angry God & Other Sermons** Jonathan Edwards, 2023-11-18 Jonathan Edwards Sinners in the Hands of an Angry God Other Sermons is a collection of powerful and emotive sermons that capture the essence of early American Puritan literature Edwards writing style is filled with vivid imagery biblical references and a sense of urgency that seeks to evoke fear and repentance in his listeners Through his intense and often graphic language Edwards conveys the message of God s wrath towards sinners and the precarious nature of human existence This work exemplifies the fire and brimstone preaching style of the Great Awakening era making it a significant contribution to American religious literature Jonathan Edwards a renowned theologian and preacher was a key figure in the First Great Awakening in the American colonies His deep religious convictions and belief in the sovereignty of God influenced his writing and preaching as demonstrated in Sinners in the Hands of an Angry God Other Sermons Edwards strong emphasis on divine justice and human depravity reflects his Calvinist beliefs and his desire to bring about spiritual revival among his audience I highly recommend Sinners in the Hands of an Angry God Other Sermons to readers interested in early American religious history and Puritan literature Edwards impactful sermons offer a window into the religious fervor and theological debates of the colonial period making this collection a valuable resource for understanding the cultural and

spiritual landscape of early America *Sinners in the hands of an angry God. A sermon [on Deut. xxxii. 35] ... Third edition*
Jonathan Edwards,1772 **Good and Angry** David Powlison,2016-09-12 In this groundbreaking book David Powlison

reframes the universal problem of anger through an in depth exploration of God s anger and ours Full of practical help for all who struggle with how to respond when life goes wrong Good and Angry sets readers on a path toward the faithful and fruitful expression of anger **What Happens...When God Gets Angry** Buddy Rogers,2023-04-05 What Happens When

God Gets Angry God created Heaven and earth and all that is in it He created man and woman with His two hands and named them Adam and Eve God told them they had total control of the Garden of Eden except one tree The Tree of Knowledge of Good and Evil God did not want them to look at it or touch it or eat the fruit from it The warning from God did not last long Satan was after Adam and Eve as soon as God told them to stay away from the tree Satan convinced them to eat the fruit so their eyes would be opened and thus sin was born God threw Adam and Eve out of the Garden and into the world of sin that the man and woman had created by disobedience Several hundred years later God saw the wickedness of the Adam and Eve generations He decided to clear the earth of sinful man God killed every land born creature with a flood of water that was above the mountain tops God spared Noah his wife their three sons and their wives Only eight people survived the flood Those eight people produced today s world population of eight billion Hundreds of years later God again looked at the sins of mankind and was disturbed He looked at two of the worst cities Sodom and Gomorrah and decided to destroy four cities in the evil valley Abraham asked God to spare the cities if he could find ten righteous people within the city of Sodom Abraham could only find four righteous people so God destroyed the cities with fire and brimstone Now hundreds of years after Sodom and Gomorrah God is looking at the world today He is deciding how long He will wait before He sends Christ to rapture the church age saints and destroy sinful mankind In the Bible book of Revelation God explains some of the events that will take place during the Tribulation period of seven years I have tried to capture the consequences in this book After these events there will be no reason for God to look from Heaven to earth anymore because Heaven will be on earth It is all there right in the Bible **The Emotions of God** David T. Lamb,2022-11-22 The God of the Bible is

emotional But for some Christians the idea of God experiencing deep emotions can be confusing and problematic In this rich study Biblical scholar David Lamb examines seven divine emotions arguing for the goodness of God s emotions so that we might better know and reflect the beauty of emotion to the world Getting God Wrong G. S. Kohler,2023-10-06 Reading a tone of voice into printed words especially the personal experience of an email or text can disconnect two people even friends Having one friend reinterpret the way another heard the words with their own tone of voice may lead them into discovering how Jesus seems to hear God differently even though he read the same Bible In Getting God Wrong the reader is invited into a conversation on how they taught themselves to misunderstand the One who loves them best Instructions is the same word that gets translated commandments and guidance is the same word sometimes translated law This shift of translations can

affect one's emotional engagement with the ideas People have told themselves for centuries that God marched the people of Israel out of four hundred years of slavery out into the desert to tell them Now you'll be my slaves and live under my commandments What if God used a different tone of voice and not the one people usually hear as they read Getting God Wrong suggests that God wants people to hear his heart as clearly as Jesus lived it out in front of them Jesus is God's tone of voice Angry Like Jesus Sarah Sumner,2015-11-01 Few people realize that the Gospels include at least fifteen different stories about Jesus' anger When was Jesus angry What was he angry about Is Jesus' anger relevant today Is it right for a Christian to be angry Although sinful anger cannot achieve the righteousness of God, godly anger can rouse a sleeping church Godly anger lights a flame that fuels people to wake up and be truthful out loud so that many who don't expect it can be healed Godly anger is powerful It's an aspect of real love It ushers in true hope because it knows that God is faithful It dares to take a risk because it trusts that God has its back Without the salt of Jesus' anger, people accept what's unacceptable We allow what we shouldn't allow We don't make changes we should make We deceive ourselves into thinking that corruption doesn't need to be opposed Godly anger is not afraid It assumes responsibility It motivates us to confront things we wish did not exist Jesus' anger is God's gift to help deliver us **Sinners in the Hands of an Angry God and Other Sermons**
