Nashville's Songwriting Sweethearts Bobbie Malone, Bill C. Malone, 2020-03-26. The story of Felice and Boudleaux Bryant is the story of towering artistic achievement wrapped in a love story so deep and so complete that the two are their own country song. Bobbie and Bill Malone are precisely the right match to tell this tale of love and genius. Ken Burns, Director, *Country Music*. You might not know the names of Boudleaux and Felice Bryant, but you know their music. Arriving in Nashville in 1950, the songwriting duo became the first full-time independent songwriters in that musical city. In the course of their long careers, they created classic hits that pushed the boundaries of country music into the realms of pop and rock. Songs like "Bye Bye Love," "All I Have to Do Is Dream," "Love Hurts," and "Rocky Top" inspired young musicians everywhere. Here for the first time is a complete biography of Nashville's power songwriting couple. In *Nashville's Songwriting Sweethearts*, authors Bobbie Malone and Bill C. Malone recount how Boudleaux and Felice married in 1945, began their partnership as itinerant musicians living in a trailer home, and writing their first songs together. In Nashville, the couple had to deal with racism, classism, and in Felice's case, sexism. Yet through hard work and business acumen and a dose of good luck, they overcame these obstacles and rose to national prominence. By the late 1990s, the Bryants had written as many as 6,000 songs and had sold more than 350 million copies worldwide. They were inducted into the Nashville Songwriters Hall of Fame in 1972, and in 1991, they became members of the Country Music Hall of Fame, a rare occurrence for songwriters who were not also performers. In 1982, their composition "Rocky Top" was adopted as one of the official state songs of Tennessee. The Bryants were lucky enough to arrive in the right place at the right time. Their emergence in the early fifties coincided with the rise of Nashville as Music City USA. And their prolific collaboration with the Everly Brothers, beginning in 1957, sparked a fusion between country and pop music that endures to this day.

Coogan V. Malone, 1979. **The Mighty Miss Malone** Christopher Paul Curtis, 2013-03-12. The dramatic and unforgettable story of a girl and a family caught up in the turbulent days of the Depression. From Newbery Medal and Coretta Scott King Award winner Christopher Paul Curtis: "We are a family on a journey to a place called wonderful. This is the motto of Deza Malone's family, but the road is getting rocky. Deza is the smartest girl in her class, singled out by teachers for a special path in life. But the Great Depression hit Gary, Indiana, hard, and there are no jobs for Black men. When her beloved father leaves to find work, Deza, Mother, and her older brother Jimmie go in search of him and end up in a Hooverville outside Flint, Michigan. While Jimmie's beautiful voice inspires him to leave the camp to be a performer, Deza and Mother continue on, clinging to the hope that they will find Father. The twists and turns of the Malone's journey reveal not only the devastation of

the Depression but also the enduring strength of family bonds and the mighty heart of young Deza Malone

Dispatches from the Color Line Catherine R. Squires, 2007-07-05 When modern news media choose to focus attention on people of multiracial descent how does this fit with broader contemporary and historical racial discourses Do these news narratives complicate common understandings of race and race relations Dispatches from the Color Line explores these issues by examining contemporary news media coverage of multiracial people and identities Catherine R. Squires looks at how journalists utilize information from many sources including politicians bureaucrats activists scholars demographers and marketers to link multiracial identity to particular racial norms policy preferences and cultural trends She considers individuals who were accused rightly or wrongly of misrepresenting their racial identity to the public for personal gain and also compares the new racial categories of Census 2000 as reported in Black owned Asian American owned and mainstream newspapers These comparisons reveal how a new racial group is framed in mass media and how different media sources reinforce or challenge long standing assumptions about racial identity and belonging in the United States
