Meet Little Texas:

Meet Little Tex Jill Pierce, 2000 This book is great for children that want to learn about being a Texan With a lot of texture pages this book will bring enjoyment to every child

Praying in the Pine Straw Robert C. Morgan, 2025-10-15 With reverence and wit *Praying in the Pine Straw* uncovers the untamed spirit of Alabama's camp meeting tradition where revival met revelry and salvation mingled with scandal Robert C Morgan brings this world to life with vivid stories and unforgettable characters capturing the cultural spiritual and historical legacy of a distinct Southern form of worship

Meeting the Minotaur Carol Dawson, 1997-01-01 Considered a freak Taylor Deeds is a very tall man who stumbles about because of an inner ear condition that induces a lack of equilibrium but he is about to confront the maze of the modern world and defeat the evil within

Meeting Jimmie Rodgers Barry Mazor, 2009-05-15 In *Meeting Jimmie Rodgers* the first book to explore the deep legacy of The Singing Brakeman from a twenty first century perspective Barry Mazor offers a lively look at Rodgers' career tracing his rise from working class obscurity to the pinnacle of renown that came with such hits as Blue Yodel and In the Jailhouse Now As Mazor shows Rodgers brought emotional clarity and a unique sense of narrative drama to every song he performed whether tough or sentimental comic or sad His wistful singing falsetto yodels bold flat picking guitar style and sometimes censorable themes sex crime and other edgy topics set him apart from most of his contemporaries But more than anything else Mazor suggests it was Rodgers' shape shifting ability to assume many public personas working stiff decked out cowboy suave ladies man that connected him to such a broad public and set the stage for the stars who followed him In reconstructing this far flung legacy Mazor enables readers to meet Rodgers and his music anew not as an historical figure but as a vibrant immediate force

The Perilous Adventures of the Cowboy King Jerome Charyn, 2019-01-08 Teddy Roosevelt comes to comic life in Jerome Charyn's tremendously fun delightful novel Ron Charles Washington Post Widely considered one of our most rewarding novelists Jerome Charyn has upped the ante Larry McMurtry by re-creating the voice of Theodore Roosevelt through his derring-do adventures as New York City police commissioner Rough Rider and soon to be twenty sixth president Beginning with his sickly childhood and concluding with McKinley's assassination in 1901 Charyn positions Roosevelt as a fearless crime fighter and pioneering environmentalist who would grow up to be our greatest peacetime president With an operatic cast including Bamie his handicapped older sister Eleanor his gawky little niece as well as the devoted Rough Riders the novel memorably features the lovable mountain lion Josephine who helped train Roosevelt for his crowded hour the charge up San Juan Hill Graced with vivid vigorous writing Gerard Helferich Wall Street Journal *The Perilous Adventures of the Cowboy King* is a rollicking work of historical fiction that will appeal to fans of Michael Chabon's *The Amazing Adventures of Kavalier & Clay*

Matthew Meets the Man Travis Nichols, 2025-09-23 Matthew Swanbeck has a classic problem Back in seventh grade his dad talked him into playing the trumpet instead of the drums Now he's a lowly brass player in the school marching band Until one day he has an epiphany He can start his own band play in all the cool rock

venues even go on tour if only he can scrape together the cash to buy a drum set But how will he ever get the money together when The Man thwarts him at every turn taking taxes out of his paycheck forcing him to mow the lawn for a measly 10 a week and creating all of those rules that get in the way of dreams It s one teen against the system in this light hearted look at the challenges and rewards of chasing your dreams **To God Be the Glory** John L. Ewing,2010 When I celebrated my 85th birthday I determined to put in writing the miracles of my life and ministry As I counted the many miracles of God s grace not only for me but for my family and the persons whom I was privileged to serve the more I reflected upon the way the Holy Spirit has led and worked through all these years and the more I felt compelled to put this in writing so that others might be blessed and challenged as I have been during all of my life I knew God s hand was upon my life when I was told the story of the miracle of my birth and I determined to share it with our children our grandchildren and now our great grandchildren so they would know the good news of God s marvelous grace and of the way He has worked in my life and has supplied every need I also wanted the people with whom I have ministered as well as those with whom I have worked hand in hand to know how they have encouraged me and have been such a blessing to me John L Ewing retired elder of the United Methodist Church served four years in the Kentucky Conference as a student pastor and 42 years as pastor in the Southern New Jersey Conference He has been active in the work of evangelism both at home and abroad and has always been eager to share the Good News of the Gospel He and his wife are presently living in retirement in Kissimmee FL where he has been privileged to be a part of a new church Community of Faith United Methodist Church seeing it blossom from birth until it is now in its 11th year **The One That Got Away** Diana Rubino,2022-02-06 A loyal Southerner embroiled in John Wilkes Booth s plot to kill President Lincoln struggles with a dilemma that is tearing him apart But should he avenge the South as a hero or back out as a coward and avoid an unforgiveable sin We know about Mary Surratt the conspirator who helped John Wilkes Booth launch his insane plot to assassinate President Lincoln But Mary wasn t the only conspirator in the Surratt family Her son John is a mere footnote in history but he was also one of John Wilkes Booth s most trusted followers Whether he joined Booth out of need for approval or recognition as a war hero we may never know Becoming Booth s cohort he took numerous risks for this beloved South But as Booth s plan to abduct Lincoln changed to assassination a question arises was John Surratt there in Washington to assist Booth in the murder or was he in New York No one knows for sure as witnesses claim to have seen him in both places The One That Got Away explores the possibilities did Surratt have an attack of conscience or cowardice or did he just promise to obey Booth without any intention to carry out the deed And what ultimately caused John Harrison Surratt Jr to get involved in John Wilkes Booth s plan in the first place *Department of Transportation and Related Agencies Appropriations for 1992* United States. Congress. House. Committee on Appropriations. Subcommittee on Dept. of Transportation and Related Agencies Appropriations,1991 **The China Capers** Bernard Katz,2012-05-04 Jake Diamond is a Chinese antique dealer in San Francisco and a special variety of sweet and sour sauce

Chun Liu ambles into his shop and offers Jake a piece of Chinese heaven a 13th Century oil on silk painting by Zheng Mengfu While theres something oddly familiar about this Mr Liu its just not there The scroll has all provenances and signatures and has been signed off by the experts but go figure Jake discovers what he believes to be a fatal flaw in the scrolls authenticity And so begins Jakes Chinese adventure chasing Dr Liu through the poetic and uniquely Chinese cities of Taipei Xiamen Hangzhou Shuzou and Shanghai Jakes range of encounters run from Pentecostals an accusation of murder to his meeting his devilish jailer when a prisoner in the Korean War and a garlic eating Chinese cop who puts the kibosh to Jakes future

Jones,2025-03-04 An intimate and searching Natasha Trethewey New York Times bestselling author of Memorial Drive memoir of family color and being Black white and other in America from one of our country s greatest historians Clint Smith 1 New York Times bestselling author of How the Word is Passed Martha S Jones grew up feeling her Black identity was obvious to all who saw her But weeks into college a Black Studies classmate challenged Jones s right to speak Suspicious of the color of her skin and the texture of her hair he confronted her with a question that inspired a lifetime of introspection Who do you think you are Now a prizewinning scholar of Black history Jones delves into her family s past for answers In every generation since her great great great grandmother survived enslavement to raise a free family color determined her ancestors lives But the color line was shifting and jagged not fixed and straight Some backed away from it others skipped along it and others still were cut deep by its sharp teeth Journeying across centuries from rural Kentucky and small town North Carolina to New York City and its suburbs The Trouble of Color is a lyrical deeply felt meditation on the most fundamental matters of identity belonging and family *Macon County Sanitary Sewerage Facilities CDBG* ,1982 **Refined by Fire** Brian Birdwell,Mel

Birdwell,2011-08-17 2005 Gold Medallion Award finalist When hijacked American Flight 77 slammed into the Pentagon on September 11 2001 LTC RET Brian Birdwell was only 15 to 20 yards away He stepped out into the corridor and was instantly engulfed in flames burns consumed 60 percent of his body with almost 40 percent of them third degree Thirty plus operations and countless physical therapy sessions later his recovery has truly been remarkable and spiritually he and his family are stronger than ever before Brian and his wife Mel tell their captivating story of God s grace and sovereignty **A Life in Smoke** Julia Hansen,2006-11-07 I accepted the certainty of my untimely death with gallows humor and a calculator I d read somewhere that each cigarette you smoke knocks seven minutes off your time on the planet To amuse myself I did the math 153 000 cigarettes two years of my life up in smoke Julia Hansen first lit up at nineteen Twenty years later she was editing books about health and smoking a pack or two a day She denied her son fast food but smoked in the house and car curtailed his video games but lit up at his soccer matches Despite repeated attempts to quit she always crawled back to her beloved menthol lights Smoking had become a metaphorical chain around her neck shackling her to an early death Haunted

by a nightmarish vision of her future her son at her deathbed begging her not to leave him Hansen devised a drastic quit method She bought a 72 foot length of chain that was unwieldy as a corpse and locked herself to a radiator in her dining room What followed seven days of cold turkey misery comic absurdity and revelation as Hansen stepped from behind her wall of smoke to face her addiction to nicotine and some painful truths Clanking around her house like Marley s ghost white knuckling cravings and struggling to understand tobacco s unyielding grip on her Hansen confronted her life in smoke fractured relationships lifelong battles with alcohol and depression and a profound sense of emptiness On day 1 the chain was her addiction to nicotine each link a story about cigarettes and self loathing By day 7 it had revealed its ringing rattling truth that every smoker has a story and it always centers on clinging to a comfort that can kill you In the end Hansen s story was painfully simple She smoked to survive her life And then to save it she quit Fierce and funny honest and utterly absorbing A Life in Smoke is Julia Hansen s evocative and inspiring account of the extreme measures she took to quit smoking decidedly not recommended by the medical profession

Love Unchained David W.
