are inextricably linked and contribute to Matthew's unraveling. The characters are all in the grip of the upcoming elections and dance to its rhythm each in his own way weaving an intricate and spellbinding choreography of human desires, ambitions, greed, love, passion, sacrifice and idealism. *Election Dance* is a realistic literary narco thriller as well as an erotic and psychological novel depicting real life situations and taboos within the context of Curaçao's social, historical and cultural setting and holds up a mirror to modern society. But Matthew learns there is a price to pay when entering politics. His background is attacked by the media and demons of his past are resurrected. The attacks are instigated by Manny Contreras, The Voice, whose goal is to turn Curaçao into an import/export hub of Colombian drugs for Europe and the U.S. The political campaign becomes ugly and ruins his love relationship. His private life and politics are inextricably linked contributing to Matthew's unraveling. As The Voice does all he can to neutralize Matthew's popularity, Matthew works with the police to end Manny's drug career even at great personal cost. Almost in the manner of Balzac, Joseph Hart presents a cross section of Curaçao from the most wretched and impoverished of its citizens to the most powerful and corrupt of its politicians. He is unflinching in his description, whether of love.

Goju Quest Robert Leiterman, 2005. Martial arts was one thing that Shawn, a 15-year-old boy from a small California town, was good at and he knew it. But it was his misguided anger from his parents' separation that got him into trouble. When Shawn's Sensei found out that he had been starting fights, he rallied to set Shawn straight, giving him two choices: to either quit the arts that he loved so much or to take him and his friend on a quest into the wilderness. It takes a fight with persistent bullies to encourage Shawn to choose a quest into the heart of the wilderness, a place he has never been before. The deeper they traveled into the shadows of the ancient forest, the greater the mystery became. With the help of a spirit guide, he pushes himself beyond his wildest dreams. The solitude only seems to make his imagination come alive as he challenged his mind, body and spirit. Despite all he has learned, felt and seen, he finds that his hardest challenge was yet to
