Mom Guilt Lauren Whitman, 2022-08-22 Counselor Lauren Whitman helps moms identify mom guilt understand the common roots of it and think biblically about how God helps us escape from it **Seven Deadly Sins** Kevin Vost, 2015-06-15 The seven deadly sins are generals leading a vast and deadly army The soldiers are a variety of sins and misdeeds and the capital sins are the officers who sent them on their nefarious tasks With the writings of St Thomas Aquinas as his guide best selling author Kevin Vost tackles the deadly sins one by one showing how they take root in our soul and give birth to offspring other sinful thoughts and deeds that help it reach its sinful goals You ll learn how they attacks us and how they become ingrained habits that prevent virtue from raising us to heaven Indeed these sins hold us down to earth and possibly ultimately even much lower The deadly sins can be conquered and in these pages you ll learn the methods employed by saints to vanquish vicious habits and replace them with virtuous ones Follow the advice in this book and you ll soon strike at the head of sin and walk more positively in the light and love of Christ You ll also learn Which sin can truly be called the deadliest in the world Why there are only seven deadly sins What takes place within our souls when we grapple with sin The relationship between vices and sins and how to sever their bonds How each and every deadly sin is outnumbered by several opposite virtues Six deadly dominoes Do you know the sins that almost always cause us to commit additional sins How the mother of the virtues dethrones the queen of the vices Seven sacramental and saint sanctioned strategies to call forth God s graces to grapple with each deadly sin *The Ebony Exodus Project* Candace R. M. Gorham, 2014-07-01 Black women are the single most religious demographic in the United States yet they are among the poorest least educated and least healthy groups in the nation Drawing on the author s own past experience as an evangelical minister and her present work as a secular counselor and researcher The Ebony Exodus Project makes a direct connection between the church and the plight of black women Through interviews with African American women who have left the church the author reveals the shame and suffering often caused by the church and the resulting happiness freedom and sense of purpose these women have felt upon walking away from it This book calls on other black women to honestly reflect on their relationship with religion and challenges them to consider that perhaps the answers to their problems rest not inside a church but in themselves
