Everything Happens for a Reason Danny Care,2024-11-07 An honest end of career autobiography from widely adored Harlequins and England rugby star Danny Care They say everything happens for a reason and I think my life is proof of that There have been a series of moments some of them tough setbacks that have proved over time to be pivotal to the person and player I am today There was the time when my dreams of a football career came to an abrupt end but opened the door for rugby in my life the ill judged sledging outing that may have cost me the opportunity to go on a Lions tour the times when my name made the headlines for the wrong reasons the choice I made to miss an England tour which led to meeting the love of my life on a party island halfway across the world and the devastating moment when Eddie Jones dropped me from the England squad and I thought my international career was over I sometimes wondered if it was meant to be but I kept on smiling and I worked hard as I kept my focus on playing the game that I love that I owe everything to And now a little older and a little wiser and with over 100 England caps three Six Nations championships and two Premiership titles to my name I want to tell you my story The highs and lows the good and the bad and everything in between *JPR* John Peter Rhys Williams,2006

Through many trials and tribulations I found out exactly who I am and my reason for being on earth. Whatever your circumstance you first need to become content with the person in the mirror. Without him or her by your side you will stay lost. The mirror needs to become your best friend otherwise you will be faced with figuring out life on your own which can become a very lonely place indeed. Your fears anger boredom and addictions will always make its way to the surface which creates uncertainty in the core of your being. Every person was once a young child with great big dreams dreams of being the hero of becoming something or rising to the top and doing daring feats like rescuing the damsel in distress. Even better every little girl has dreams of being rescued by her prince and swept off on a great adventure knowing that she is the beauty. For some they stay as dreams. What happens to those dreams when we grow up. Walk into most churches or large corporations have a look around and ask yourself What does today's man resemble. Then look around you. Most people especially men are bored. Life can be full of adventure. We were not placed on earth to figure this out on our own. We need to become crucial influencers and conscious
