United States has transformed into OPTI's New America a place where all its citizens are under the oppressive control of a tyrannical robot named OPTI who demands to be worshipped above God. Abigail Richardson grows up in this totalitarian society as a Christian along with her siblings Faith Scarlett and Rene and learns she must hide her faith to survive. As a child Abigail's family is torn apart when Faith tragically dies leaving her with a crushed soul. Two nights before her fifteenth birthday while living with the harsh merciless Edwins in a foster home Abigail's faith is put to its greatest test. When Abigail commits an act of pure desperation and survival the course of her life is forever altered. This one dire act sparks a series of misfortune and terror in her life. She must trust in God to rescue her. Her life depends on it. As Abigail walks through her valley and the consequences of her ill-fated decision OPTI surveys her every move with threats of imprisonment and death hanging over her head. Abigail yearns for freedom from persecution and to live peacefully with her family. However with OPTI in power her aims seem next to impossible to achieve. In a society where every day is an act of survival Abigail must find a way to move forward and persevere in her faith that God will rescue her and everyone under OPTI's cruel soul-devouring regime. Will the light of the Lord overcome even the greatest darkness and the most treacherous of evil? **Hers** Corri Lee,

That was the social experiment. Kristen McGuiness, single, living in LA and entering her thirties, newly sober, embarked upon McGuiness' thought: facing her struggle with alcoholism would be the hardest part, with love coming easily afterwards. It didn't. Rethinking her previous dating strategy, she embarks on the ultimate social experiment: 51 dates over the course of 50 weeks and a chance to claim the life she thought was supposed to be hers. Dodging CHAs, Cheesy Hollywood Actors and men with self-diagnosed RAD (Relationship Anxiety Disorder), McGuiness is determined to find the perfect guy by being the perfect girl. But McGuiness, like all of us, has

her own issues to contend with a longing for the wrong kind of men a penchant for swearing and a difficult relationship with her father in maximum security prison But as the year progresses McGuiness begins to develop a new hope for her future the dates transform into truth seeking missions and point her toward a life with satisfying work a supportive family and with the help of a local shaman a comforting spirituality Told with wry humor pathos and an engaging lack of self pity 51 50 is a moving adventure
