Cultural Anthropology Alexander Moore,1998-05 TofC cont

Anthropology of modern life Market and the modern metropolis a new system of exchange and the rise of commercial industrial cities Corporate bureaucracy and the culture of modern work Modernity and culture Epilogue applied anthropology and the policy process The framework on which this book hangs is an updated version of the community study method as network discerned at the expanding gas phase of our species random walk over the earth through our settling down into trading and warring tribal societies through the mesolithic and neolithic transitions into our densification into urban states and civilizations and finally at our emergence as a metropolitan species of unparalleled population aggregations

Pref **South Coast New Guinea Cultures** Bruce M. Knaft,1993-03-25 The communities of south coast New Guinea were the subject of classic ethnographies and fresh studies in recent decades have put these rich and complex cultures at the centre of anthropological debates Flamboyant sexual practices such as ritual homosexuality have attracted particular interest In the first general book on the region Dr Knaft reaches striking new comparative conclusions through a careful ethnographic analysis of sexuality the status of women ritual and cosmology political economy and violence among the region

s seven major language culture areas The findings suggest new Melanesian regional contrasts and provide for a general critique of the way regional comparisons are constructed in anthropology Theories of practice and political economy as well as post modern insights are drawn upon to provide a generative theory of indigenous social and symbolic development

Genealogies for the Present in Cultural Anthropology Bruce M. Knaft,2013-09-13 In the wake of tensions between modern and postmodern sensibilities what larger directions now emerge in cultural anthropology In this major work Bruce Knaft takes stock of important recent initiatives in cultural and critical theory By combining critical reviews and ethnographic engagements with fresh readings of major figures and approaches the work develops a larger vantage point for considering the dispersing influence of practice theories postmodernism cultural studies postcolonial studies modern post positive feminism and multicultural criticisms

Supernatural Selection Matt Rossano,2010-05-28 Author Matt J Rossano provides an evolutionary history of religion beginning with the social lives of our primate ancestors This book makes the case that religion is adaptive that it is essential to morality that childhood imagination provides its raw materials and that it is the very essence of what it means to be human

The Origin and Evolution of Cultures Los Angeles Robert Boyd Professor of Anthropology University of California,Davis Peter J. Richerson Professor of Environmental Science and Policy University of California,2004-12-22 Oxford presents in one convenient and coherently organized volume 20 influential but until now relatively inaccessible articles that form the backbone of Boyd and Richerson s path breaking work on evolution and culture Their interdisciplinary research is based on two notions First that culture is crucial for understanding human behavior unlike other organisms socially transmitted beliefs attitudes and values heavily influence our behavior Secondly culture is part of biology the capacity to acquire and transmit culture is a derived component of human psychology and the contents of culture are deeply intertwined with our biology Culture then is a pool of information stored in the brains of the population that gets transmitted from one brain to another by social learning processes Therefore culture can account for both our outstanding ecological success as well as the maladaptations that characterize much of human behavior The interest in this collection will span anthropology psychology economics philosophy and political science

The Origin and Evolution of Cultures Robert Boyd,Peter J. Richerson,2005 The Origin and Evolution of Cultures presents articles based on two notions That culture is crucial for understanding human behaviour and that culture is part of biology Interest in this collection will span anthropology psychology economics philosophy and political science

Rise And Demise Christopher Chase-Dunn,2018-02-06 The authors combine an excellent state of the art review of the literature in world systems analysis with a vigorous presentation of their own quite coherent views This book is a major contribution to our collective dialogue on the past and the future Immanuel Wallerstein Binghamton University author of The Modern World System An up to date and synthetic overview of current world systems research The authors draw on diverse literatures from political science to archaeology from contemporary policy issues to Native American studies and from history to sociology This thoughtful

volume serves as both a provocative summary of ongoing scholarship and a fertile foundation for future cross disciplinary dialogue Gary M Feinman University of Wisconsin Madison To understand the evolution of the world s political economy we need empirical theories that can handle ancient and modern processes a longer time frame encompassing multiple millennia and less concern about trespassing in other people s disciplines Chase Dunn and Hall s new book *Rise and Demise* delivers all three with noteworthy style and effect William Thompson Indiana University *Rise and Demise* is a wide ranging and stimulating synthesis of the world systems approach and its main findings Its broad coverage of parallel social processes in various regions and time periods convincingly makes the argument that world systems theory is able to integrate many diverse historical and social science specializations Richard E Blanton Purdue University [The Anthropology of Art](#) Robert Layton,1991-08-30 An authoritative introduction to art forms in the non Western world addresses the problem of cross cultural aesthetic appreciation in societies ranging from traditional West African craftsmen to Australian hunter gatherers
