Nurtured Evil:

Traditional Ethics and Contemporary Society of China Guojie Luo,2023-04-28 Based on the ethical thinking of the pre Qin Dynasty this book discusses the formation and development of traditional Chinese ethics the refinement of the Confucian ethical normative system and the establishment of its orthodoxy as well as the deepening and maturation of feudal ethics The book is simple in style and clear in context It contains not only the essence of traditional Chinese morality but also the achievements of modern civilization It analyzes the implications of traditional Chinese ethics on the governance and moral construction of modern society and can be used as a reference for governance and revitalization of the country and moral development

Superevil. Villains in Silver Age Superhero Comics Anke Marie Bock,2023-10-18 Superevil Villains in Silver Age Superhero Comics sheds light on the often disregarded supervillains in the American superhero comic of the 1960s From Loki to Killmonger they all possess famous cinematic counterparts yet it is their comic origin that this study examines Not only did The Silver Age produce countless superheroes and supervillains who have conquered the screens in the last two decades but it also created complex villains Silver Age supervillains were as the analyses in Superevil show the main and only means to include political and societal criticism in a cultural product which suffered from censorship and belittlement Instead of focusing on the superheroes once more Anke Marie Bock pioneers in putting the supervillain as such in the center of the attention In addition to addressing the tendency to neglect villains in superhero comic studies revealing many important functions the supervillains fulfill among them criticizing Cold War politics racism gender roles and the often unquestioned binary of good and evil on the examples of i a The Fantastic Four Spider Man and Black Panther comics

Discourses on Christian Nurture Horace Bushnell,1847 **Christian Nurture Series ...** ,1917 *The Book and the Magic of Reading in the Middle Ages* Albrecht Classen,2013-10-11 The computer revolution is upon us The future of books and of reading are debated Will there be books in the next millennium Will we still be reading As uncertain as the answers to these questions might be as clear is the message about the value of the book expressed by medieval writers The contributors to the volume *The Book and the Magic of Reading in the Middle Ages* explore the significance of the written document as the key icon of a whole era Both philosophers and artists both poets and clerics wholeheartedly subscribed to the notion that reading and writing represented essential epistemological tools for spiritual political religious and philosophical quests To gain a deeper understanding of the cultural significance of the medieval book the contributors to this volume examine pertinent statements by medieval philosophers and French German English Spanish and Italian poets
