With a career spanning more than two decades and a client list including celebrities, politicians, Fortune 500 companies and New York City socialites, Peter has earned a reputation for creating hors d'oeuvres that are as inventive and beautiful as they are delicious. A two sip shot cleverly matched to a small bite is an incredible icebreaker, especially when the appetizer is playfully served on an edible spoon or inside a miniature Chinese take out container. Bite size cheeseburgers are served on tiny home baked poppy seed buns with all the trimmings. Mango marinated shrimp are served individually on lollipop sticks, sprinkled with fresh cilantro. Diminutive plantain cones are filled with dollops of tuna tartare and chicken is rolled into nori cigarettes. And for an impressive encore, how about shots of coffee with sugar donuts or mini bagels with lox and cream cheese paired with caviar cones and champagne. In *Bite by Bite*, his debut cookbook, Callahan welcomes readers to share in the fun and beauty of his creations, providing inspiration for parties, whether casual gatherings, dinner parties, baby showers or formal occasions such as weddings and holiday soirees, and 100 recipes for the home cook ranging from savory to sweet, comfort food to haute cuisine. According to Peter, being prepared is the key to pulling off a self catered party like a professional. With that in mind, he has included a Kitchen Tools and Conveniences section listing the key equipment that will help you create the delicious masterpieces in this book. In the recipes, he also notes what can be made in advance, how best to schedule your time and any emergency substitutions and shortcuts that will make life easier on the big day. Along the way, he divulges his secrets and inspiration, recounting stories of how he dreamed up dishes that he's catered for his impressive roster of celebrity clients.
