Raya A Novel Of Suspense:

Library Journal ,2009 **West Coast Review of Books** ,1979 The Mammoth Encyclopedia of Modern Crime Fiction
Michael Ashley,2002 A reference and overview of the genre of crime fiction primarily covering the 1950s onwards although
major earlier writers such as Agatha Christie and Raymond Chandler also have entries *The New York Times Book Review*
,1974 The Publishers Weekly ,2007 The Women's Sultanate P.S. Garbol,2009-12-29 In the fabulous surroundings of
the sacred city of Christianity and Islam Constantinople or Istanbul a young innocent but desperate housewife of striking
beauty gradually becomes entangled in a web of a glamorous career in fashion modeling trusting the promises of a
unscrupulous filthy rich Jewish patroness for a rapid financial advancement and a luxurious lifestyle However soon enough
the two roles undergo a profound transformation as the patroness motives prove to be much more subtle and noble than
simply turning a pretty woman into a pin up girl or possibly an aristocratic call girl while the innocent victim s secret
intentions are much more hideous than simply starting a lucrative career in fashion or artistic photography might imply In
fact after an unexpected and mysterious death it becomes even vaguer if this tragic event is just an accident or a well
orchestrated assassination by a blackmailed victim Incidentally two retired military officers from the EU who are visiting
Istanbul as tourists investigating mysterious historic events as archeological amateur detectives get also involved in this
enigmatic affair as they discern several fuzzy coincidences relating this untimely death with the accidental demise of a past
Ottoman Sultan many centuries ago The fog over Istanbul gradually thickens as progressively more unscrupulous people
intentionally or unwillingly get involved in the conspiracy motivated by a great variety of unclear and possibly conflicting
intentions This significant increase in the number of participants is promptly followed by another assassination attempt that
nearly misses its target In the ensuing chaos where fanatical competitors become momentarily trusted allies practically all
the participants lose their bearings driven only by the urge to prevail when the fog is finally dispersed Only the hideous
murderer knows exactly what must be done because his or her aims are the most clearly defined P S Garbol **Companion**
