**Re-making Love** Barbara Ehrenreich, Elizabeth Hess, Gloria Jacobs, 1986 This provocative book reveals how the real sexual revolution was initiated by women not men and how it transformed both our behavior and our understanding of what sex means in our lives Copyright Libri GmbH All rights reserved      *Sex Scene* Eric Schaefer, 2014-03-21 *Sex Scene* suggests that what we have come to understand as the sexual revolution of the late 1960s and early 1970s was actually a media revolution In lively essays the contributors examine a range of mass media film and television recorded sound and publishing that provide evidence of the circulation of sex in the public sphere from the mainstream to the fringe They discuss art films such as *I am Curious Yellow* mainstream movies including *Midnight Cowboy* sexploitation films such as *Mantis in Lace* the emergence of erotic film festivals and of gay pornography the use of multimedia in sex education and the sexual innuendo of *The Love Boat* Scholars of cultural studies history and media studies the contributors bring shared concerns to their diverse topics They highlight the increasingly fluid divide between public and private the rise of consumer and therapeutic cultures and the relationship between identity politics and individual rights The provocative surveys and case studies in this nuanced cultural history reframe the sexual revolution as the mass sexualization of our mediated world Contributors Joseph Lam Duong Jeffrey Escoffier Kevin M Flanagan Elena Gorfinkel Raymond J Haberski Jr Joan Hawkins Kevin Heffernan Eithne Johnson Arthur Knight Elana Levine Christie Milliken Eric Schaefer Jeffrey Sconce Jacob Smith Leigh Ann Wheeler Linda Williams      Re-making Love Barbara Ehrenreich, Elizabeth Hess, Gloria Jacobs, 1986 This provocative book reveals how the real sexual revolution was initiated by women not men and how it transformed both our behavior and our understanding of what sex means in our lives Copyright Libri GmbH All rights reserved      **Make Love, Not War** David Allyn, 2016-05-23 When Helen Gurley Brown's *Sex and the Single Girl* hit bookstores in 1962 the sexual revolution was launched and there was no turning back Soon came the pill the end of censorship the advent of feminism and the rise of commercial pornography Our daily lives changed in an unprecedented time of sexual openness and experimentation *Make Love Not War* is the first serious treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on first hand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful fifties to the first tremors of rebellion in the early sixties to the heady heyday of the revolution Bringing a fresh perspective to the turbulence of these decades David Allyn argues that the sexual revolutionaries of the 60s and 70s by telling the truth about their own histories and desires forced all Americans to re examine the very meaning of freedom Written with a historian's attention to nuance and a novelist's narrative drive *Make Love Not War* is a provocative vivid and thoughtful account of one of the most captivating episodes in American history Also includes an 8 page insert      Neo-Feminist Cinema Hilary Radner, 2010-11-01 What lies behind current feminist discontent with contemporary cinema Through a combination of cultural and industry analysis Hilary Radner's *Neo Feminist Cinema* *Girly Films* *Chick Flicks* and *Consumer Culture* shows

how the needs of conglomerate Hollywood have encouraged an emphasis on consumer culture within films made for women By exploring a number of representative girly films including *Pretty Woman* *Legally Blonde* *Maid in Manhattan* *The Devil Wears Prada* and *Sex and the City* The Movie Radner proposes that rather than being post feminist as is usually assumed such films are better described as neo feminist Examining their narrative format as it revolves around the story of an ambitious unmarried woman who defines herself through consumer culture as much as through work or romance Radner argues that these films exemplify neo liberalist values rather than those of feminism As such Neo Feminist Cinema offers a new explanation as to why feminist oriented scholars and audiences who are seeking more than labels and love from their film experience have viewed recent girly films as a betrayal of second wave feminism and why on the other hand such films have proven to be so successful at the box office **The Boundaryless Career** Michael B. A critical investigation of how virginity is represented in film. It considers virginity as it is produced and marketed in film. With chapters that span a range of periods, genres, and performances, it intends to prove that although it seems like an obvious quality at first glance, virginity in film is anything but simple. *Sex and the Goddess* Karin E. Weiss Ph.D., PhD, 2019-11-25. It has been over twenty years since the full manuscript of my book was edited for publication in 1998. I had begun writing it in the previous decade, the 1980s, a period of flourishing women's liberation movements against the patriarchal status quo. Books about women's sexuality and spirituality were flooding the bookstores, and many writers were producing profound studies of the untold heroism of women throughout history. I was a pioneer in the burgeoning field of sex therapy and education at the University of Minnesota Medical School's Program in Human Sexuality. In addition, I conducted women's self-enrichment groups and workshops in my private practice, Woman's Discovery Institute, where I also gave professional astrology readings and classes. This rich mix of psychology, philosophy, spirituality, and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women's unsung heroism throughout history. It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi-layered lives. I based my theory on the lunar cycle, which is eternally linked to women's menstrual, emotional, and psychic cycles. With a friend, I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals. Yet for various reasons, my book manuscript remained in my own bookshelf, never getting published. Until now, the times again call for women to claim their autonomy and gain equality in an overly male-dominated and viciously callous world. I am blessed to find in Xlibris a publisher ready to take on the project with me. I am thrilled to finally see my *Life's Masterwork* in print. You will find many divergent ideas in these two volumes. No single woman encompasses all that are described, but as you read and recognize these characters in yourselves and your

friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers **Talk about Sex** Janice M. Irvine, 2002-09-02 Examining a range of issues played out in living rooms and schools since the 1960s she shows how a newly emerging Christian Right chose sex education as one of its first battlegrounds then went on to dominate the public conversation on the subject Talk about Sex is a rich and fascinating consideration of American sex education's strategic place in the long history of efforts to regulate sexual morality by controlling sexual speech **BOOK JACKET** **Virginity Lost** Laura Carpenter, 2005-11 Includes information on abstinence focused sex education

African Americans Asian Americans birth control born again virginity chastity coming out conservative Christians definitions of virginity loss double standard Latinos Latinas oral sex race ethnicity rape religion secondary virginity stigma technical virginity etc *A Woman Scorned* Peggy Reeves Sanday, 1997-01-01 In this bracing study of American sexual culture and the politics of acquaintance rape esteemed anthropologist Peggy Reeves Sanday identifies the sexual stereotypes that continue to obstruct justice and diminish women Beginning with a harrowing account of the St John's rape case Sanday reaches back through British and American landmark rape cases to explain how with the exception of earliest Colonial times rape has been a crime notable for placing the woman on trial A ground breaking work of scholarship *A Woman Scorned* brings a broader perspective to our understanding of acquaintance rape and envisions finally a new paradigm for female sexual equality *Sexuality Across the Life Course* Alice S. Free Speech and the Politics of Identity David A. J. Richards, 1999 *Free Speech and the Politics of Identity* challenges the scholarly view as well as the dominant legal view outside the United States that the right of free speech may reasonably be traded off in pursuit of justice to stigmatized minorities These views appeal to an alleged reasonable balance between two basic human rights the right of free speech and the right against unjust discrimination Compelling arguments of normative political theory and interpretative history show however that these rights are structurally linked the abridgement of one compromises the other To make this case David Richards offers an original political theory of toleration and of structural injustice that addresses the nature and scope of the right of free speech and the right against unjust discrimination its

analytic focus is on the role played by members of subordinated groups in the protest of the terms of structural injustice the politics of identity advancing constitutional justice under law While the argument is developed on the basis of American constitutional experience from the antebellum period forward its normative force is brought to bear both in defending and criticizing some aspects of American law and in challenging the continuing legitimacy of laws against group libel obscenity and blasphemy under national legal systems including Germany France Britain Canada Israel India South Africa and others regional systems the jurisprudence of the European Court of Human Rights and public international law The book's innovative normative and interpretative methodology calls for a new departure in comparative public law in which all states responsibly address their common problems not only of inadequate protection of free speech but correlative failure to take seriously the continuing political power of such evils as anti-Semitism racism sexism and homophobia

**Just Sex?** Nicola Gavey, 2013-10-14 Winner of the Association for Women In Psychology 2006 Distinguished Publication Award The past two decades have witnessed a significant shift in how rape is understood in Western societies This shift in perception has revealed the startling frequency of occurrences of date rape obscuring the divide between rape and what was once just sex Just Sex combines an overview of the existing literature with an analysis of recent research to examine the psychological and cultural implications of this new epidemic The result is the conclusion that feminist theory on sexual victimisation has gone both too far and not far enough The reader is presented with a challenging and original perspective on the issues of rape sex and the body incorporating subjects including rape as a social problem the social constructionism of sex subjectivity and the body heterosexuality under the microscope This book succeeds in making a valuable contribution to feminist and social constructionist work on rape that will be of interest to those studying psychology gender studies cultural studies and sociology Just Sex The Cultural Scaffolding of Rape was selected as a 2005 winner of AWP's Association for Women in Psychology distinguished publication award

**Sex in the Heartland** Beth Bailey, 2002-10-31 This is the story of the sexual revolution in a small university town in the quintessential heartland state of Kansas Bypassing oft told tales of radicals and revolutionaries on the coasts Bailey argues that the revolution was forged in towns and cities alike as ordinary people struggled over boundaries of sexual behavior in postwar America

**Sex Matters** Mona Charen, 2018-06-26 Author of the New York Times bestseller Useful Idiots and popular columnist Mona Charen takes a close reasoned look at the aggressive feminist agenda undermining the success and happiness of men and women across the country In this smart deeply necessary critique Mona Charen unpacks the ways feminism fails us at home in the workplace and in our personal relationships by promising that we can have it all do it all and be it all Here she upends the feminist agenda and the liberal conversation surrounding women's issues by asking tough and crucial questions such as Did women's full equality require the total destruction of the nuclear family Did it require a sexual revolution that would dismantle traditions of modesty courtship and fidelity that had characterized relations between the sexes for centuries Did it cause the broken dating culture and the rape crisis on our

college campuses Did it require war between the sexes that would deem men the enemy of women Have the strides of feminism made women happier in their home and work life The answer is No Sex Matters tracks the price we have paid for denying sex differences and stoking the war of the sexes family breakdown declining female happiness aimlessness among men and increasing inequality Marshaling copious social science research as well as her own experience as a professional as well as a wife and mother Mona Charen calls for a sexual ceasefire for the sake of women men and children The Intimate Life of Computers Reem Hilu, 2024-11-19 A feminist perspective on the early history of personal computing revealing how computers were integrated into the most intimate aspects of family life The Intimate Life of Computers shows how the widespread introduction of home computers in the 1980s was purposefully geared toward helping sustain heteronormative middle class families by shaping relationships between users Moving beyond the story of male dominated computer culture this book emphasizes the neglected history of the influence of women s culture and feminist critique on the development of personal computing despite women s underrepresentation in the industry Proposing the notion of companionate computing Reem Hilu reimagines the spread of computers into American homes as the history of an interpersonal romantic and familial medium She details the integration of computing into family relationships from helping couples have better sex and offering thoughtful simulations of masculine seduction to animating cute robot companions and giving voice to dolls that could talk to lonely children underscoring how these computer applications directly responded to the companionate needs of their users as a way to ease growing pressures on home life The Intimate Life of Computers is a vital contribution to feminist media history highlighting how the emergence of personal computing dovetailed with changing gender roles and other social and cultural shifts Eschewing the emphasis on technologies and institutions typically foregrounded in personal computer histories Hilu uncovers the surprising ways that domesticity and family life guided the earlier stages of our all pervasive digital culture The Politics of Sex Barbara Sullivan, 1997-09-07 This political history of the sex industry in Australia since World War II cogently presents all sides of a complex and changing debate
