Reach Baseball Guide 1900 ,1990-07-01 **The reach** ,1912 The New York Giants Base Ball Club James D. Hardy, Jr.,2015-08-13 Though baseball would eventually come to embody the American spirit in the nineteenth century onlookers regarded the game with some ambivalence To capture the hearts of the public baseball needed teams worth watching and no team was a better ambassador for baseball in the 19th century than the New York Giants The pre John McGraw Giants were occasionally very good and frequently very fashionable but they had not yet become the trademark team of the National League that they would become in the early 20th century The Giants were however one of the league s premier teams simply because they played in the country s premier city New York and its Giants epitomized the rise of industrialized America and the need for organized spectator diversions Together the city and the team helped propel baseball into its position as the national pastime *American Baseball. West Virginia Baseball William E. Akin,2006-07-20 West Virginia sprang into existence as a state in the midst of the Civil War and base ball as it was called then was close on the heels of statehood A game in 1866 hosted by the Hunkidori Base Ball Club in Wheeling is considered the first match game of Base Ball Some historians contend the game spread via the movement of soldiers who were from urban areas The real roots of baseball are not the romantic image of rural boys in sandlots or lazy father son afternoons It was born and came of age as an urban sport a social pursuit of well heeled young men that in the early days often involved banquets and shows following each game The author traces the history of minor league and independent league baseball in West Virginia Baseball below the minor leagues has a rich and comparatively unexplored history and West Virginia has made substantial contributions to this legacy Chapters examine the chronological history of baseball and the larger economic and cultural changes that have influenced it Eras include baseball as a social game through 1873 the emergence of professional baseball through 1895 its second boom through 1905 the deadball era through 1920 the Martinsburg dynasty 1914 to 1934 as a miners sport 1920 to 1941 the Middle Atlantic League 1925 1942 the Mountain State League 1937 1942 the postwar years 1945 1955 the nadir 1955 1985 and A Minor Miracle 1985 2000 a chapter that heralds a comeback in the popularity of professional baseball The Publishers Weekly ,1922 **Baseball** Steven P. Richard Worth,2013-02-21 Professional baseball is full of arcane team names The Los Angeles Dodgers for instance owe their nickname to the trolley tracks that honeycombed Brooklyn in the early 1880s Residents were trolley dodgers From the Negro Leagues there were the Pittsburgh Crawfords sponsored early by the Crawford Bath House and Recreation Center from the minors the Tucson Waddies slang for cowboy and later the Montgomery Biscuits for the would be concessions staple from

overseas the Adelaide Australia Bite a shark reference but also a pun for bight and the Bussum Netherlands Mr Cocker HCAW the sponsoring restaurant chain followed by the acronym for the official team name Honkbalclub Allan Weerbaar This comprehensive reference book explains the nicknames of thousands of major and minor league franchises Negro League and early independent black clubs and international teams from 1869 through 2011 **For Fun And Profit** Richard Butsch,1990-06-19 During the nineteenth century leisure industries emerged to provide recreation and entertainment to Americans of all classes Entertainment has become a multi billion dollar industry The essays collected here explore the transformation this wrought in leisure and analyze its effects on class relations in American society *The Spalding Baseball Collection* New York Public Library,1922 **Bookseller and Stationer** ,1921 *The Publishers Weekly* ,1946

Baseball in 1889 Daniel Merle Pearson,1993 National League players planned revolt as the crowds swelled hoping to take advantage of baseball s growing popularity The season became as one sportswriter said something approaching a Lobster Frankenstein nightmare **BOOK JACKET** **American Baseball** David Quentin Voigt,2010-11-01 **Before They Were Cardinals** Jon David Cash,2002 Mark McGwire Ozzie Smith Lou Brock These famous Cardinals are known by baseball fans around the world But who and what were the predecessors of these modern day players and their team In *Before They Were Cardinals* Jon David Cash examines the infancy of major league baseball in St Louis during the last quarter of the nineteenth century His in depth analysis begins with an exploration of the factors that motivated civic leaders to form the city s first major league ball club Cash delves into the economic trade rivalry between Chicago and St Louis and examines how St Louis s attempt to compete with Chicago led to the formation of the St Louis Brown Stockings in 1875 He then explains why three years later despite its initial success St Louis baseball quickly vanished from the big league map St Louis baseball was revived with the arrival of German immigrant saloon owner Chris Von der Ahe Cash explains how Von der Ahe originally only interested in concession rights purchased a controlling interest in the Brown Stockings His riveting account follows the team after Von der Ahe s purchase from the formation of the American Association to its merger in 1891 with the rival National League He chronicles Von der Ahe s monetary downturn and the club s decline as well following the merger *Before They Were Cardinals* provides vivid portraits of the ball players and the participants involved in the baseball war between the National League and the American Association Cash points out significant differences such as Sunday games and beer sales between the two Leagues In addition excerpts taken from Chicago and St Louis newspapers make the on field contests and off field rivalries come alive Cash concludes this lively historical narrative with an appendix that traces the issue of race in baseball during this period The excesses of modern day baseball players jumping contracts or holding out for more money gambling on games and drinking to excess owners stealing players and breaking agreements were all present in the nineteenth century sport Players were seen then as they are now as an embodiment of their community This timely treatment of a fascinating period in St Louis baseball history will appeal to both baseball aficionados and those who want to understand
