Beckwith,2018-11-26 Judaism and Christianity are both religions of history and remembrance and rely on calendars and accurate chronologies to recall and reenact the signal events in their histories The import of dividing the day and night of knowing the moment of Sabbath and Lord s Day of properly timing Passover and Easter cannot be overstated Throughout the history of both religions these issues were central to worship and practice of religion and had far reaching effects from messianism to prophecy But their very centrality meant they were issues of controversy and debate Roger Beckwith looks carefully at the Jewish and Christian records concerning calendar and chronology compares contrasts and challenges rival solutions to these complex questions His breath of research from the ancient Near East to Qumran from Josephus and Philo to the Maccabean writings and from the points of view of Paul and Jesus to the Fathers of the church and his focus on the more controversial issues of dating make Calendar and Chronology an essential book for any serious scholar of history liturgy worship and interpretation This publication has also been published in paperback please click here for details      **The Sporting magazine; or Monthly calendar of the transactions of the turf, the chace, and every other diversion interesting to the man of pleasure and enterprize** ,      *Calendar of State Papers and Manuscripts, Relating to English Affairs, Existing in the Archives and Collections of Venice and in the Other Libraries of Northern Italy* Horatio Forbes Brown,Rawdon Brown,1894      *Barrel and Box and Packages* ,1911      **Calendar of State Papers and Manuscripts Relating, to English Affairs, Existing in the Archives and Collections of Venice** Great Britain.
