The Bodhisattva Path to Unsurpassed Enlightenment Asanga, 2016-03-08 A complete translation of Asanga's classic work on the distinguishing qualities of bodhisattvas that describes how to awaken, develop and perfect the mind of enlightenment in the Great Vehicle or Mahayana Buddhist tradition. Arya Asanga, famous for having been the conduit through which the teachings contained in the Five Texts of Maitreya were received and recorded, is also considered to be the author in his own right of several other foundational works of Yogic philosophy. One of these, considered the definitive text of the Yogic school of Buddhism, is the encyclopedic synthesis of Mahayana Buddhist doctrines and practices known as the Yogic rabh mi or Stages of Spiritual Practice. The Bodhisattvabh mi or Stages of the Bodhisattva Path is one portion of that massive work, though it is considered a stand-alone text in the Tibetan traditions; for example, it is counted among the six core texts of the Kadampas. However, despite the text's centrality to the Yogic school and its seminal importance in the Tibetan traditions, it has remained unavailable in English except in piecemeal translations. Engle's translation will therefore be especially welcomed by scholars and students alike.

Golden Garland of Eloquence - Vol. 3 Tsong kha pa, 2015-11-15
Golden Garland of Eloquence Legs bshad gser phreng is the famous Perfection of Wisdom prajnaparamita commentary written by the influential Tibetan writer Tsong kha pa 1356-1419. It is Tsong kha pa's first major work, written before his better-known works on Madhyamaka. It is greatly respected and much studied by all schools of Buddhism in Tibet. The Golden Garland supplements the two main Indian Perfection of Wisdom commentaries, Arya Vimuktisena's Vrtti and Haribhadra's Aloka, on which it is based. It explains the Perfection of Wisdom Sutra and earlier commentaries in detail, glossing difficult words and going into detailed explanations of difficult points. It introduces the reader to some twenty works by the most important Indian Perfection of Wisdom writers and to the earlier Tibetan traditions of Ngok and Dolpopa and the traditions of Buton and Nyaon. This translation makes available for the first time in English an example of the rich Tibetan Perfection of Wisdom commentarial tradition and will be of interest to both scholars and informed general readers alike. This is the third of four volumes.

The Middling Sort Margaret R. Hunt, 2023-12-22 To be one of the middling sort in urban England in the late seventeenth or eighteenth century was to live a life tied one way or another to the world of commerce. In a lively study that combines narrative and alternately poignant and hilarious anecdotes with convincing analysis, Margaret R. Hunt offers a view of middling society during the hundred years that separated the Glorious Revolution from the factory age. Thanks to her exploration of many family papers and court records, Hunt is able to examine what people thought, felt and valued. She finds that early capitalism and early modern family life were far more insecure than their classical models supposed. Commercial needs and social needs coincided.

to a large extent The family is central to Hunt s story and she shows how financial struggles brought conflict ambiguity and tension to the home She investigates the way gender intertwined with class and family hierarchy and the way many businesses survived as precarious successes secured through the sacrifices made by female as well as male family members The Middling Sort offers a dynamic portrait of a society struggling to minimize the considerable social and psychic dislocation that accompanied England s launch of a full scale market economy To be one of the middling sort in urban England in the late seventeenth or eighteenth century was to live a life tied one way or another to the world of commerce In a lively study that combines narrative and alternately poignant and hilarious anecdote **You Can Teach High Schoolers** Ardith Hooten,Paul Heidebrecht,1981
