Reaching For The Invisible God:

Reaching for the Invisible God Philip Yancey, 2009-05-18 Why does God feel so distant so often and how do I bridge the gap Does your hunger for God often seem more frustrating than satisfying Have you sensed a disturbing disparity between God's promises and life's realities Have you seen God's promises work but you've stumbled and want to believe again Award winning author Philip Yancey articulates the fundamental questions that confront us all How do I relate to a God who is invisible when I'm never quite sure he's there Reaching for the Invisible God offers deep satisfying insights to the questions you're sometimes afraid to ask Honest and deeply personal here is straight talk on Christian living for the reader who wants more than pat answers to life's imponderables Ultimately Yancey shifts the focus from your questions to the One who offers himself in answer A brilliant book It is both profound and simple the best blend in my view Simple is neither shallow nor simplistic The sections on doubt and God's absence are classics Rick Warren pastor and author The Purpose Driven Life

Riley,2023-04-04 For centuries the belief that God was directly engaged in our individual lives has comforted untold numbers of people but today that belief is being challenged by many within the community of faith The randomness of violence innocent suffering and inexplicable evil has pushed believers to question whether God is personal in any meaningful way How can we believe

that God is involved in our daily lives when so often God appears deaf to our prayers and indifferent to our broken world We in the Shadow explores how or in what way God may be personal Unless this question can somehow be thoughtfully and practically answered faith will be viewed as an option only for those who skim over the incomprehensibly cruel surfaces of life with eyes closed and fingers stuck firmly in their ears *Endangered Nature* Dr. Pawan Kumar,2015-08-24 The book *Endangered Nature Tales in Indian Context* authored by Dr Pawan Kumar are some untold stories on the nature These stories have their characters from villages of India depicts the suffering of animals birds trees and environment Dr Pawan Kumar is a young emerging writer of India who has published many stories and essays in renowned magazines of India and abroad He has given multiple talks and conducted many radio programs on his work He already has published four books about his stories essays and novels Mankind has made irreversible dents on Mother Nature and has gone astray in fulfilling obligations and responsibilities toward her The trees are being cut down natural water reservoirs are being destroyed and environment has become polluted bringing the global warming at its climax Many species are endangered now Elephant tusks animal skins their skeletons and teeth are being smuggled through human network across the globe Killings of animals are on the rise These innocent animals who are voiceless suffer immensely by these inhumane and barbarian acts to fulfill mankind's food or monetary gains These animals have the same emotions feelings and sentiments as human beings have They love their family and they mourn in their loss of their near or dear ones as we do The irony is these animals can't go to the courts to seek justice These stories remind us that we can't escape from our wrong doings toward Mother Nature as we can't escape from the court of the Almighty **Not Sure** John D. Suk,2011-09-02 In 2002 while touring North America with his wife in an RV John Suk lifelong Christian longtime pastor and noted leader in the Christian Reformed Church experienced a crippling crisis of faith He emerged from that dark time with a strange new gift doubt In *Not Sure* Suk takes readers on an eyes wide open deeply personal voyage through the past and present of Christian belief reexamining Christian faith in his own life and in fifteen centuries of Christian history through a skeptic's eyes He exposes major pitfalls of modern Christian movements and questions what he considers to be faulty paradigms the personal relationship with Jesus the health and wealth gospel and traditional ethnicity based belief systems In the end he is left clinging to what is for him a truer wiser kind of faith in Jesus Christ faith that struggles and lives with doubt **CHANGE MY HEART O LORD** DR. JENNY P DEVA MD,2014-12-17 Changing our hearts through prayer changes things and truly moves the hand of God We often hear other believers sharing about this God's timing is not ours to command If we do not start the fire with the first strike of our match we must try again God does hear our prayer but He may not answer it at the precise time we have appointed in our minds He will reveal Himself to our seeking hearts though not necessarily when and where we may expect The offence causing me to turn away may be spiritual I had imagined that once within His fold I would never again suffer from the stinging winds of temptation Yet it is best for me the way it is for when I endure temptation His grace is magnified my own character matures

and heaven seems sweeter at the end of the day There is one thing you can do that can accelerate your spiritual growth more than almost any other thing Learn to take correction from the Spirit of God and from His people Remember that next time someone corrects you Love that person and thank him or her for being concerned for you and helping to speed up your spiritual progress If you ll do that you ll come out ahead every time **The Bible Jesus Read** Philip Yancey,2010-05-18

Take a pilgrimage through some of the most challenging and rewarding parts of the Old Testament with bestselling author Philip Yancey Because it is often daunting many Christians approach Old Testament carefully Or avoid it altogether But each of the books of the Old Testament the Bible Jesus read contains an essential part of the story of grace The more we comprehend the Old Testament Yancey writes the more we comprehend Jesus In The Bible Jesus Read Yancey challenges the perception that the New Testament is more important than the Old Writing with keen insight into the human condition and God s provision for it he sets off on a personal journey through the parts we most like to keep at arm s length Job Deuteronomy Psalms Ecclesiastes and the Prophets and he asks us to bring our own questions concerns and our openness to the wonders of God We may discover that this set of writings that comprise the Old Testament is at once as mystifying and strangely satisfying as life itself that it s worth the effort it takes to read and wrestle with Because reading the Scriptures that Jesus so revered gives us a profound new understanding of Christ the Cornerstone of the new covenant *Fearfully and Wonderfully Made* Philip Yancey,Paul Brand,2010-05-11 Mysterious intricate pulsing with energy The human body is an endlessly fascinating repository of secrets The miracle of the skin the strength and structure of the bones the dynamic balance of the muscles your physical being is knit according to a pattern of incredible purpose In *Fearfully and Wonderfully Made* renowned surgeon Dr Paul Brand and best selling writer Philip Yancey explore the human body Join them in a remarkable journey through inner space a spellbinding world of cells systems and chemistry that bears the impress of a still deeper unseen reality This Gold medallion Award winning book uncovers eternal statements that God has made in the very structure of our bodies presenting captivating insights into the Body of Christ **Contemporary Authors New Revision Series** ,2001-08

Luther's Theology of the Cross Dennis Ngien,2018-06-11 Luther was fundamentally a preacher pastor a care taker of souls whose ingenuity lies in his usage of the biblical message as a source of pastoral encouragement This book seeks to capture the often overlooked pastoral side of the Reformer through an examination of his sermons on John s gospel The sermons on John show the intrinsic close and causal link between doctrine and consolation They are an exercise of his

vocation as a pastor or more precisely as a theologian of the cross who seeks to inculcate the good news of justification by faith in his people leading them to experience it within the dialectic of law and gospel St John said Luther is the master in the article of justification Luther s theological method namely his theology of the cross permeates and governs the exposition of the text and all major themes of his theology Christology Trinity and soteriology appear in his exegesis of John
