Reaching For The Reins

Reaching For The Reins:

Reaching for the Reins Tara Carlsen, 2013-10-21 Tara Carlsen wanted to help at risk students learn without relying on stale clinical teaching methods. Instead of trying to find solutions in the classroom, the mathematics teacher transplanted failing students from an alternative high school to a horse ranch. There she encouraged them to reach for the reins and she witnessed dramatic results. Students who could not relate to their peers or teachers could relate to horses and suddenly their futures looked a whole lot brighter. Carlsen and her students proceeded to take an inspiring journey learning the basics of horsemanship through equine assisted learning, a therapeutic approach to interpersonal development using horse related activities. After learning the basics, the students taught peers with special needs what they'd learned, drawing upon their own struggles and triumphs to help them achieve success. Punctuated with humor, heartbreak, and hard won triumph, Reaching for the Reins Lou

Dean, 2000-11-01 Fifteen year old CJ while trying to adjust to her parents recent divorce must face the reality that the boy she loves has been involved in a school shooting. She gets on her horse, takes her dog, and runs away from home to come to terms with the tragedy. **The Book of Gideon** Timothy Estorga, 2021-06-29 This story is not intended to demonize one side and glorify another, nor is it to romanticize death, for death is not romantic to those who stand face to face with it. It will simply try to tell of a generation of civilians caught in the middle of a war that lies just right outside their front door. Even though they may have escaped from the shells falling from above, they were devastated by it. Volume one of The Book of Gideon is told through the eyes of a French farming family trying their best to survive the very beginnings of the Great War.

Reaching for the Reins Lou Dean, 2000-11-01 The Star of Babylon Stewart Diesel-Reynolds, 2024-09-19 While from the north the mighty Medo Persian army threatens the very existence of the great Neo Babylonian Empire within the city of Babylon, a secretive and defiant resistance movement has set itself against the reckless overindulgent King Belshazzar and is collaborating with the Persians against him. Amidst the subterfuge and the stringent measures taken by the king to quell this rebellion, the princess and her lover Eli, a Hebrew, are struggling to make sense of a relationship marred by the huge social and religious gap which separates their two cultures and religions. They find themselves caught between the resistance and the invading Persians and only manage to escape the chaos with the help of two dissonant palace officials and the leaders of the Hebrew community. Their escape, however, is hampered by the injuries Eli has sustained at the hands of the palace guards, and the princess is forced to leave Babylon without him. Later he sets out on the camel trail to find her and, after running the gauntlet between the desert and the Bedouin bandits, he eventually meets up with her on the camel trail to Jerusalem and their new adventure is about to begin. Throwaways D. R. Strahan, 2010-11-05 In the city of At il, there were two laws strictly enforced. Number one, it was against the law to feed the children, and number two, it was against the law to leave the city. Fox, the thirteen year old son of the governor, had done both. When he and two friends, eight year old Hawk and Wolf, age

twelve were invited to visit a family compound outside the city Fox deliberated hard and long about the situation Breaking the law as a loner was one thing but when it involved others the decision was much more difficult It brought back memories of his first time outside the city walls the broad unending space of earth and sky he experienced had been a shock to his well being It had taken him some time before the freedom of boundaries was a comfortable experience He was afraid this unknown may be too much of an adjustment for his friends since they had never ventured further than the guard shack steps at the city entrance True he and his friends were only children numbers on the city records If they were ever found missing as Throwaways they would just be crossed off the list of city residents **The Web** Jerry Ahern, John Thomas Rourke M D ex CIA Covert Operations Officer weapons expert and survival authority has accomplished one of his goals he s helped his young friend Paul Rubinstein locate his parents Now Rourke s search for his own family must continue hampered by severe storms raging along the Eastern Seaboard caused by the earthquakes which destroyed Florida Rourke picks up his relentless quest avoiding the Russian troops searching for the missing data on the enigmatic Eden Project and rides into the most bizarre situation he s discovered since the Night of the War Life in the Tennessee mountain village is all too normal seemingly unaffected by the war It is there that John Thomas Rourke finds himself in the middle of a mass suicide pact and is expected to participate While battles rage and blizzards roar Rourke fights to escape He must go on he is The Survivalist
