## Reaching The Unreached:

**Reaching and Teaching** M. David Sills, 2010-04-01 Most Christians know and understand that we are to seek to reach the lost around the world Yet Christ's command to us is more specific and calls us to a higher standard of involvement with the peoples of the world He has called the church to make disciples of all people groups and to teach them to observe all He commanded us Matthew 28:18-20 In recent years mission agencies and missionaries have increasingly shifted away from discipleship and teaching toward an emphasis upon evangelism and church planting many to the exclusion of any other field activity While evangelism and church planting are essential components of a biblical missions program they are not sufficient for the complete task to which we have been called Reaching and Teaching examines the task Christ gave in the Great Commission and redefines the task of missions from that which is currently prevalent It surveys missions strategies and methodologies that have increasingly replaced Christ's Great Commission instructions even as they have sought to fulfill it It is a clarion call to return to the biblical task of reaching and teaching the nations for Christ's sake

**Reaching the Unreached** Peyton Jones, 2017-05-16 For too long church leaders have focused on increasing the size of their church rather than increasing their reach outside of the four walls of the church building The result Church life becomes a predictable set of routines with predictable results Church members struggle to reach the neighborhoods they drive through on their way to church programs unable to penetrate their surrounding communities in a meaningful way Reaching the Unreached recounts the stories struggles and triumphs of individuals and churches that have reinvented themselves to meet the world where it is working to reach the ones that no one else is reaching The search for the silver bullet of success has diverted us from tapping into the timeless principles found in the book of Acts says author pastor and front line church planter Peyton Jones Yet the spiritual climate that Paul and the Apostles stepped into is not all that different from the brave new world the church faces today From accidentally planting a church in a Starbucks in Europe to baptizing members of the Mexican mafia in Long Beach Harbor Jones has been on the frontlines of today's missional movement and has lived to tell the tale In Reaching the Unreached he teaches church planters pastors and church leaders how to convert pew jockeys into missionaries and awake the sleeping giant of Christ's church one person at a time Today there are two types of churches those who put their proverbial heads in the sand and those who champion 1st century principles meet the challenges head on and embrace the adventure of mission in community Tomorrow only one type of church will survive those that accept the challenge to reach the unreached

Reaching the Unreached for Christ Charles F. Dreyer, 1960 That Everyone May Hear Edward R. Dayton, 1979 **A Third of Us** Marvin J. Newell, 2021-09-21 A Great Need Requires a Great Response Today over three billion people a third of humanity have yet to hear the good news of Jesus They have no opportunity to believe in him as their Savior and find peace with God through him Of all the injustices in the world and there are many that are quite distressing this is the worst because of the eternal consequences A third of anything is significant especially this third In light of this

staggering need Marv Newell explores the five Great Commission passages where Jesus methodically unfolds the essence of the disciples task A Third of Us is not just an invitation to be aware of the need but a rally cry for today s disciples to respond Writing to the whole body of Christ Newell casts a vision for multiple ways to get involved in reaching the unreached When finishing the task set by our Savior feels overwhelming this practical and inspiring book points us back to Jesus words with hope So are you ready to reach A Third of Us *Reaching the Unreached* Barry Blackstone,2023-11-09 Have you ever imagined a trip back in time Have you ever dreamed of exploring a native village that hasn t changed from its primitive past Have you ever thought what it might be like to take the Gospel to an unreached people group Since 1972 Barry Blackstone a pastor from Maine has imagined dreamed and thought of doing just that again Those imaginations began with a trip to the deserts of Western Australia recorded in his published book *The Region Beyond* to minister to an Aboriginal tribe that had just been reached but it wasn t until 2022 that this dream was fulfilled once more Travel again with Pastor Blackstone to the remote tribal villages in Chhattisgarh and Kerala India Experience again the thrill of proclaiming God s word to villagers so removed from the modern world that the only way to reach them is by foot It was on this trip that this pastor of fifty years learned why the apostle Paul said How beautiful are the feet of them that preach the gospel of peace and bring glad tidings of good things Rom 10 15 Share in a baptism in a concrete water storage tank for goats witness the first graduation of an institute educating natives to reach their own tribes with the good news of Jesus Christ experience the thrill of preaching to four native churches on one s seventy first birthday walk over a forest trail up a steep incline through virgin trees for nearly a mile before coming to a hidden hamlet where many of the people live in trees then return to the modern world to be the graduation speaker for the fourth time at Kerala Baptist Bible College The contrasts will be epic the connections will be eternal and the cultures will be eye opening This was Pastor Blackstone s sixth journey into the unknowns of India and perhaps his most dramatic *Powerful Resources for Reaching the Unreached* John D. Internal Revenue Service,2002 Razones Jack Nelson,2025-06-04 People lose their WAY when they lose their WHY Michael Hyatt It was first said in a business context but is no less true in a ministry context Many in the Christian church have lost their WHY when it comes to actively seeking to reach unreached people for Jesus Why should each Christian take the required time and make the required effort to assure that each unreached person has the same opportunity they did to hear understand and respond to God s tangible love and saving Good News Are there reasons why Yes **Theology and Practice of Mission** Bruce Riley Ashford,2011-09-01 Theology disconnected from mission is not Christian theology at all The pastors professors and missionaries writing *Theology and Practice of Mission* provide a clear biblical theological framework for understanding the church s mission to the nations Toward that goal the book holds three major sections God s mission the church s mission and

the church's mission to the nations Part one explores the canon of Christian Scripture from narrative and systematic angles explaining how the mission of God to redeem a people who will be a kingdom of priests to the praise of his glory bear witness to his gospel advance his church and dwell with him forever on a new heaven and earth is communicated in the Bible's four movements Creation Fall Redemption and Restoration Part two sees the mission of God's people in the light of God's mission emphasizing not only preaching and church planting but also gospel witness in every dimension of human culture glorifying God in family church work community through the arts sciences education business and the public square The writers encourage us to live missionally leaving all of our resources at God's disposal for the sake of his kingdom Finally part three contends that the North American church must come to terms with its missional calling just as international missionaries do and gives a starting point and parameters for conceiving the church's mission to all people groups and cultural contexts Chapters here include ones on unreached people groups Muslims Hindus Buddhists and Postmoderns **Reaching the**
