Pope Francis Mario I Aguilar,2014-05-29 Pope Francis His Life and Thought paints a compelling picture of a truly remarkable pope considering his life in detail until his election as Pope Francis in 2013 Cardinal Jorge Bergoglio was a highly unusual candidate for the papacy for two main reasons the pope from far away is the first non European to be elected and furthermore he began his career as a Jesuit one of God s soldiers Members of the order traditionally do not ascend the hierarchy of the Church and it took a personal request from Pope John Paul II for Bergoglio to leave the Society of Jesus and accept his appointment as bishop Bergoglio s theological principles have been profoundly shaped by these two factors However the author also reveals that the evolution of his thought was deeply affected by his simple Argentinean upbringing and his fearless work in the slums of Buenos Aires as a young Jesuit and as a senior member of the Church Bergoglio has consistently emphasised the importance of alleviating the suffering of the poor following the teaching of Vatican II and in keeping with his own unflinching morality This volume reveals Pope Francis as remarkably humble and altruistic man doctrinally conservative and engaged less in politics than in the struggle to re centre the Church at the margins of society It will be of great interest to any reader who wishes to know more about this inspiring individual Sixteenth-Century Mission Robert L. Gallagher,Edward L. Smither,2021-04-07 Did the Reformers lack a vision for missions In Sixteenth Century Mission a diverse cast of contributors explores the wide reaching practice and theology of mission during this era Rather than a century bereft of cross cultural outreach we find both Reformers and Roman Catholics preaching the gospel and establishing the church in all the world This overlooked yet rich history reveals themes and insights relevant to the practice of mission today **How Then Shall We Guide?** Jimmy Boon-Chai Tan,2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition s practice of spiritual direction expresses its particular

theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work s thesis *A Ministry of Discernment* Amanda C Osheim,2016-08-18 Both the faithful and bishops are called to learn and to teach Empowered by the Holy Spirit the faithful of the local church witness to the apostolic tradition with their lives and so are teachers Learning to receive and respond to the sense of the faithful is an essential way the bishop grows in his personal ability to teach the church s faith in authentic and meaningful ways How is the bishop s ministry of discernment formed by spirituality and what structures strengthen it Ignatian spirituality and the structures of discernment in the Society of Jesus model ways for bishops to cultivate discernment as a spiritual habit and provide insight for renovating diocesan structures to incorporate discerning dialogue with the faithful In *A Ministry of Discernment* Amanda Osheim moves from ecclesiological theory to imagining spiritual practices and church structures in the hope of contributing not only to the academic conversation about the *sensus fidelium* but also to the ways the church practically lives out our response to the Holy Spirit **To Live in Christ-Discipleship** Robert Fabing,Sj Fabing,2007 A comprehensive lay spirituality formation program for those who are seeking a deeper more meaningful spiritual relationship with Christ Participants are invited to open their minds share thoughts and opinions review gospel passages and apply the Way the Truth and the Life in their cultural relationships **Spiritual Christianity 2Nd Edition** William M. Beecham,2013-08-08 The spiritual journey continues *Spiritual Christianity* is a book for people who want to approach God with love and humility God we want to love you and do not know how Please show us For those of you who desire to have Gods presence in your lives and to know Gods love Dr Beecham has created a spiritual roadmap to guide you to that destination Let Dr Beecham take you on a spiritually guided journey Using passages from the Bible he explains these messages from God in an understandable way Learn how to interpret these passages and then talk to God Having God in your life is achievable You only need to desire and ask Learn how to pray and have a conversation with Jesus Ask for guidance and receive Gods love if you hear my voice and open the door I will come in to you and eat with you and you with me Rev 3 20 *G.E.M.S.* Daphne Valcourt,2020-01-10 In the ancient traditions inspirational life lessons and words of wisdom were passed on from one generation to the next through the oral tradition modern technology television electronic games gizmos and social media however has replaced these oral traditions resulting in important life lessons and impactful stories that help to strengthen character and build resilience not being passed on This book was written as a legacy to my daughter to help preserve these life lessons for generations to come in so doing these lessons will not be lost or forgotten In times of crisis or distress most people tend to revert to a more primitive form of existence to seek for strength but
