Reaching Youth Today Heirs To The Whirlwind:

Reaching a Generation for Christ Richard R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed The Truth has not The 1950 s are gone forever The days of the Sunday school attendance award and the much loved Sunday school picnic have faded into oblivion Yet some youth ministries still operate as if today s kids are living in a vacuum unaffected by the changing morals of today s society How can we reach these kids with the truth of the gospel More than fifty of America s youth experts give advice and encouragement to those who long to see this generation know the love of Christ They help readers think through their philosophies of youth ministry break down barriers that impede progress and maximize their own gifts and the gifts of those who work with them They answer tough questions such as How can leaders build a relational youth ministry How can we find and support volunteers What are the issues women face in youth ministry How do we minister in ethnic communities How should we respond to popular culture How can we help hurting adolescents You can have a vibrant youth ministry even in these uncertain times You can reach this generation for Christ Reaching Youth Today Barbara Hargrove, Stephen D. Jones, 1983

Welcoming Africa's children - Theological and ministry perspectives Jan Grobbelaar, Gert Breed, Stephan de Beer, Nico Koopman, Elijah Mahlangu, Malan Nel, Dirkie Smit, Pieter Verster, 2016-12-31 The purpose of this book is to combine perspectives of scholars from Africa on Child Theology from a variety of theological sub disciplines to provide some theological and ministerial perspectives on this topic The book disseminates original research and new developments in this study field especially as relevant to the African context In the process it addresses also the global need to hear voices from Africa in this academic field It aims to convey the importance of considering Africa s children in theologising The different chapters represent diverse methodologies but the central and common focus is to approach the subject from the viewpoint of Africa s children The individual authors varied theological sub disciplinary dispositions contribute to the unique and distinct character of the book Almost all chapters are theoretical orientated with less empirical but more qualitative research although some of the chapters refer to empirical research that the authors have performed in the past Most of the academic literature in the field of Child Theologies is from American or British European origin The African context is fairly absent in this discourse although it is the youngest continent and presents unique and relevant challenges This book was written by theological scholars from Africa focussing on Africa s children It addresses not only theoretical challenges in this field but also provides theological perspectives for ministry with children and for important social change Written from a variety of theological sub disciplines the book is aimed at scholars across theological sub disciplines especially those theological scholars interested in the intersections between theology childhood studies and African cultural or social themes It addresses themes and provides insights that are also relevant for specialist leaders and professionals in this field No part of the book was plagiarised from another publication or published elsewhere *Youth Ministry* Malan Nel, 2018-12-01 This book aims at contributing to the scientific and academic discourse

as regards to the what and why of youth ministry Too often youth ministry has been approached from a mainly practical point of view almost asking how we keep young people off the streets Its methodology has often not included the theological and theoretical presuppositions that lie behind this ministry Previous scientific reflection has been determined by a one dimensional and almost exclusive point of view In comparison with existing literature this book does not focus so much on the how of youth ministry It innovates a different approach The book challenges the existing exclusive approach and develops an inclusive congregational and missional understanding of and approach to youth ministry From a particular perspective on the understanding the main objectives of Practical Theology the author endorses the so called movement of what is supposed to be going on He adds the outcome of an empirical round table discussion with some 16 leaders in this field on the descriptive and interpretive movements within the subject field what is going on and why is it going on The book will form the standard for any new research with regard to youth ministry The book s contribution lies on the level of sound theological reasoning and argumentation supported by many scholars for an inclusive congregational understanding of ministry as an integral part of every congregation being missional in being and doing Youth children adolescents and emerging adults are just as integral a part of every congregation within which they live and serve Today's Parish ,1982 The End of the World-- as We Know it Chuck Smith,2001 Clear Direction for Bold and Innovative Ministry in a Postmodern World **Покорение для Христа** Ричард Данн,Марк Сентер,2013-12-18 Forthcoming Books Rose Arny,1983 **The Wisconsin Baptist** ,1989 *Transforming Discipleship in the Inclusive Church* Stephen D. Jones,1984 *The Publishers Weekly* ,1924 **Yearbook of the American Baptist Churches in the U.S.A.** American Baptist Churches in the U.S.A.,1984 **Paperbound Books in Print** ,1992 *The Publishers' Trade List Annual* ,1992 *Religion and the Sociology of Knowledge* Barbara Hargrove,1984 This is a collection of 17 essays presented at a seminar on the sociology of knowledge and religion at Iliff School of Theology The central theme of the volume is that one s particular place in society shapes the ways in which one thinks learns and responds to religion as to other factors in life *Medical and Health Care Books and Serials in Print* ,1987 **Subject Guide to Books in Print** ,1983 **Publishers Trade List Annual, 1992** ,1992 **The Writers Directory** ,1988 **Yearbook** American Baptist Churches in the U.S.A.,1979
