## READING COMPREHENSION

### SACAGAWEA

#### A JOURNEY OF COURAGE AND DISCOVERY

Read the text below and then answer the comprehension questions on the next page.

Sacagawea, born around 1812, was a Native American woman from the Lemhi Shoshone tribe. Her remarkable life journey as an interpreter, guide, and symbol of courage and resilience played a vital role in the westward expansion of the United States.

In 1804, when Sacagawea was just a young teenager, she was captured by a Shoshone tribe and later became the wife of French-Canadian fur trader Toussaint Charbonneau. In November 1804, Meriwether Lewis and William Clark, leaders of the Corps of Discovery, arrived at the Lemhi village seeking interpreters and guides for their expedition to explore the newly acquired Louisiana Purchase.

Sacagawea's presence proved invaluable to the expedition, as she spoke both Shoshone and English and knew the land and its resources well. Additionally, her role as a Native American woman and a mother provided a sense of peace and non-aggression to the various tribes encountered during the journey.

During the grueling journey, Sacagawea demonstrated remarkable bravery and resourcefulness. On one occasion, she saved valuable horses and supplies from a collapsed foot, earning the admiration of the explorers. She also played a crucial role in negotiating with her people, the Shoshones, helping the expedition secure much-needed horses to cross the Rocky Mountains.

Sacagawea's contributions were not only instrumental to the success of the expedition but also served as a symbol of the strength and resilience of Native American women. Despite the challenges and dangers faced, she persevered and displayed unwavering determination.

After the expedition, Sacagawea and her family settled in a Shoshone village. Although little is known about her later life, her legacy lives on as a symbol of courage, adventure, and cultural exchange.

Today, Sacagawea's story continues to inspire generations, and her image has appeared on the United States dollar coin since 2000. She remains a testament to the significant contributions of Native Americans to the exploration and history of the United States.
