*Weapons of Legacy* not only offers rules for creating weapons whose powers increase with their wielders' abilities, but it also provides a whole book of such weapons, each with fully detailed statistics. *Legacy* weapons are a convenient way to ensure that your characters don't consistently have to "trade up" weapons so get items commensurate with their power.

*White Plume Mountain* is a D&D adventure for four 7th-level player characters (PCs) that utilizes the new material in *Weapons of Legacy*. The first version of this adventure was written by Lawrence Schick. Later, Bruce Cordell updated the original dunge-on in *Return to White Plume Mountain*. Now designers Andy Collins, Gwendolyn F.M. Kestrel, and James Wyatt have updated and expanded the adventure again, casting the three signature weapons as legacy weapons.

The main action takes place within the volcano known as White Plume Mountain, home of the ancient wizard Keraepis and his minions. The PCs may attempt to locate and remove one, two, or all three of the legacy weapons.

As always, feel free to adapt the material presented here as you see fit to make it work with your campaign.
