XVII. ,1882 The Fragrant Companions Li Yu,2022-07-12 Two young gentry women meet by chance at a nunnery in Yangzhou where they fall in love at first sight After they exchange poetry and recognize each other s literary talents their emotional bond deepens They conduct a mock wedding ceremony at the nunnery and hatch a plan to spend the rest of their lives together Their schemes are stymied by a series of obstacles but in the end the two women find an unlikely resolution a marriage The Fragrant Companions is the most significant work of literature that portrays female same sex love in the entire premodern Chinese tradition Written in 1651 by Li Yu one of the most inventive and irreverent literary figures of seventeenth century China this play is at once an unconventional romantic comedy a barbed satire and a sympathetic portrayal of love between women It offers a sensitive portrait of the two women s passion for each other depicts their intellectual pursuits and resourcefulness and celebrates their partial triumph over social convention At the same time Li caustically mocks the imperial examination system and deflates the idealized image of the male scholar The Fragrant Companions is both an indispensable source for students and scholars of gender and sexuality in premodern China and a compelling work of literature for all readers interested in China s rich theatrical traditions **The Medical World** ,1893 **School Library Journal** ,2008 *Lord Jim - With Audio Level 4 Oxford Bookworms Library* Joseph Conrad,2014-09-30 A level 4 Oxford Bookworms Library graded reader This version includes an audio book listen to the story as you read Retold for Learners of English by Clare West A hundred years ago a seaman s life was full of danger but Jim the first mate on board the Patna is not

Thompson,2011-09-01 In this lucid exposition an acclaimed interpreter shows that the book of Revelation is to be read as a unified work of religious poetry aimed at extricating Christians from Roman society in which they were living quietly and peacefully Thompson considers connections between John s negative view of society and his social location as a wandering prophet compares his visionary experience with that of other prophets and seers especially in Judaism notes similarities between the depictions of Christ and Satan in Revelation and portraits of heroes and demons in other writings of the time and emphasizes that John s vision of heaven and the future were intended to infuse everyday Christian life with confidence in the goodness and ultimate triumph of God Thompson s commentary on Revelation is written in an engaging literary style and by presenting perceptive comparisons and contrasts with both Greco Roman and Jewish literature canonical and non canonical he highlights the distinctive features of this book He deals effectively with the rhetorical and even the epistemological dimensions while offering an illuminating and convincing proposal for the structure and thematic development of Revelation In short it is a most revealing and insightful analysis of this challenging early Christian writing as it shows how this book addresses perennial human questions about divine purpose and human destiny Howard Clark Kee
