Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure

you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more that I did writing them Monstress #3 Marjorie Liu,2016-01-27 Maika must confront

stunning Publishers Weekly starred review selection of the best of John Edgar Wideman s short stories over his fifty year career representing the wide range of his intellectual and artistic pursuits When John Edgar Wideman won the PEN Malamud Award in 2019 he joined a list of esteemed writers from Eudora Welty to George Saunders all of whom are acknowledged masters of the short story Wideman s commitment to short fiction has been lifelong and here he gathers a representative selection from throughout his career stories that have a wary brooding spirit a lonely intelligence and air the problem of consciousness including the fragile contingency of our existence The New York Times Wideman s stories are grounded in the streets and the people of Homewood the Pittsburgh neighborhood of his childhood but they range far beyond there to the small western towns of Wyoming and historic Philadelphia the contemporary world and the ancient past He explores the interior lives of his characters and the external pressures that shape them These stories are as intellectually intricate as they are rich with the language and character Wideman has been compared to William Faulkner and James Baldwin these prove that he is every bit as masterful a cartographer of the American spirit as his forebears Esquire Comprised of thirty five stories drawn from past collections American Histories Briefs God s Gym All Stories Are True Fever and Damballah and an introductory essay by the National Book Critics Circle board member and scholar Walton Muyumba

this volume of Wideman's selected stories celebrates the lifelong significance of this major American writer's essential contribution to a form illuminating the ways that he has made it his own. If there were any doubts, Wideman belongs to the American canon; this puts them to bed. Publishers Weekly, starred review      *Religious Remembrancer*, 1918      Forum, 1982
