The Silent Appalachian Vicki Sigmon Collins, 2017-01-11 Appalachian literature is filled with silent or non discursive characters The reasons for their wordlessness vary Some are mute or pretend to be some choose not to speak or are silenced by grief trauma or fear Others mutter monosyllables stutter grunt and point speak in tongues or idiosyncratic language They capture the reader's attention by what they don't say

The Reception of Northrop Frye, 2021-08-31 The widespread opinion is that Northrop Frye's influence reached its zenith in the 1960s and 1970s after which point he became obsolete his work buried in obscurity This almost universal opinion is summed up in Terry Eagleton's 1983 rhetorical question Who now reads Frye In *The Reception of Northrop Frye* Robert D Denham catalogues what has been written about Frye books articles translations dissertations and theses and reviews in order to demonstrate that the attention Frye's work has received from the beginning has progressed at a geomantic rate Denham also explores what we can discover once we have a fairly complete record of Frye's reception in front of us such as Hayden White's theory of emplotments applied to historical writing and Byron Almon's theory of musical narrative The sheer quantity of what has been written about Frye reveals that the only valid response to Eagleton's rhetorical question is a very large and growing number the growth being not incremental but exponential

Palace-Burner Sarah Morgan Bryan Piatt, 2005 The unique and powerful voice of an extraordinary nineteenth century woman poet Sarah Morgan Bryan Piatt 1836 1919 now ranks as the strongest American woman poet of the nineteenth century after Emily Dickinson Published heavily in all the period's most prestigious journals Piatt was widely celebrated by her peers as a gifted stylist in the genteel tradition This selected edition reveals Piatt's other side a side that contemporary critics found more problematic ironic experimental pushing the limits of Victorian language and the sentimental female persona Spanning more than half a century this collection reveals the borderland temper of Piatt's mind and art As an

expatriate southerner Piatt voices guilt at her own past as the daughter of slave holders and raw anguish at the waste of war as an eleven year exile in Ireland she expresses her dismay at the indifference of the wealthy to the daily suffering of the poor Her poetry whether speaking of children motherhood marriage or illicit love affairs uses conventional language and forms but in ways that greatly broadened the range of what women s poetry could say Going beyond and even contradicting the genteel aesthetic Piatt s poetry moves toward an innovative kind of dramatic realism built on dialogue an approach more familiar to modern readers acquainted with Faulknerian polyvocal texts than to her contemporaries who were as ill at ease with complexity as they were with irony This astutely edited selection of Piatt s mature work much of it never before collected explains why her deviant poetics caused her peers such discomfort and why they offer such fertile ground for study today Illustrated with engravings from Harper s Weekly and Harper s Bazaar both periodicals in which Piatt s work appeared Palace Burner marks the reemergence of one of the most interesting writers in American literary history *Zora Neale Hurston*

Rose P. Davis, 1997-11-30 Zora Neale Hurston 1891 1960 is one of 20th century America s foremost fiction and folklore writers Though she was criticized by some of her contemporaries including Richard Wright and Ralph Ellison her works are now frequently taught in literature courses and are widely admired for their style and substance This reference book is a comprehensive guide to the large body of work written about her in the last 75 years Included are annotated entries for books dissertations and theses written about Hurston s life and literary career The volume also looks at hundreds of articles book chapters conference papers reviews children s books and web sites The bibliography additionally points the reader to guides and biographical sources and to anthologies where her works are collected Finally an exhaustive list of works by Hurston is provided along with a catalog of the special collections where her manuscripts correspondence and ephemera are stored Zora Neale Hurston 1891 1960 is one of 20th century America s foremost fiction and folklore writers One of the most important authors of the Harlem Renaissance and one of the first black anthropologists she received little recognition during her lifetime She was criticized by some of her contemporaries including Richard Wright and Ralph Ellison and her works were largely neglected until the early 1970s Her works are now frequently taught in literature courses and are widely admired for their style and substance Her anthropological study *Mules and Men* 1935 is a pioneering examination of Voodoo and related folklore As a novelist she is best known as the author of *Jonah s Gourd Vine* 1934 and *Their Eyes Were Watching God* 1937 In addition she was a prolific journalist who contributed to the most popular magazines and newspapers of her time Though long neglected Hurston has become firmly established in the literary canon and scores of books and articles have been written about her This reference book is a comprehensive guide to the large body of work written about her in the last 75 years Included are annotated entries for books dissertations and theses written about Hurston s life and literary career The volume also looks at hundreds of articles book chapters conference papers reviews children s books and web sites The bibliography additionally points the reader to guides and biographical sources and to anthologies where her
