Reading After Theory:

The Novel After Theory Judith Ryan, 2014-01-01 Novels began to incorporate literary theory in unexpected ways in the late twentieth century Through allusion parody or implicit critique theory formed an additional strand in fiction that raised questions about the nature of authorship and the practice of writing Studying this phenomenon provides fresh insight into the recent development of the novel and the persistence of modern theory beyond the period of its greatest success In this book Judith Ryan opens these questions to a range of readers drawing them into debates over the value of theory Ryan investigates what prompted fiction writers to incorporate and respond to theory nearly thirty years ago Designed for readers unfamiliar with the complexities of theory Ryan's book introduces the discipline's major trends and controversies and notes the salient ideas of a carefully selected set of individual thinkers Ryan follows novelists' adaptation to and engagement with arguments drawn from theory as they translate abstract ideas into language structure and fictional strategy At the core of her book is a fascinating microstudy of French poststructuralism in its dialogue with narrative fiction Investigating theories of textuality psychology and society in the work of Don DeLillo Thomas Pynchon J M Coetzee Margaret Atwood W G Sebald and Umberto Eco as well as Monika Maron Alain Robbe-Grillet Marguerite Duras Marilynne Robinson David Foster Wallace and Christa Wolf Ryan identifies subtle negotiations between author and theory and the richness this dynamic adds to texts Resetting the way we think and learn about literature her book reads current literary theory while uniquely tracing its shaping of a genre

Montaigne after Theory, Theory after Montaigne Zahi Zalloua, 2011-07-01 Essayist Michel de Montaigne is one of the most accessible and widely read authors in world literature His skepticism and relativism and the personal quality of his writing make him a perennial favorite among readers today Montaigne After Theory Theory After Montaigne pursues the idea that theory has altered the scholarly understanding of Montaigne while Montaigne's ideas have simultaneously challenged the authority of the various interpretive doxa collectively known as theory Montaigne's life and writings have drawn myriad interpretations While some scholars of his work focus on the content of the writings to define the man others stress his playful use of language Montaigne's complex and multifaceted works provide fertile ground for exploring themes of wide-ranging significance within the field of literary theory including the relationship between biography and theory the critique of modernism a critical history of the confessional mode of writing sexuality and gender and the theory of practice The essays in this collection move beyond the current stalemate in Montaigne criticism by revisiting questions about the role of theory in literary studies and by opening up a dialogue on the validity and limitations or use and abuse of theory in Montaigne studies

Theory After Theory Nicholas Birns, 2010-06-14 Theory After Theory provides an overview of developments in literary theory after 1950 It is intended both as a handbook for readers to learn about theory and an intellectual history of the recent past in literary

criticism for those interested in seeing how it fits in with the larger culture Accessible but rigorous this book provides a wealth of historical and intellectual context that allows the reader to make sense of the movements in recent literary theory

Reading After Freud Rainer Nägele, 1987 *Life After Theory* Michael Payne, 2004-07-01 Is there life after theory If the death of the Author has now been followed by the death of the Theorist what's left Indeed who's left To explore such riddles *Life After Theory* brings together new interviews with four theorists who are left each a major figure in their own right Jacques Derrida Frank Kermode Toril Moi and Christopher Norris Framed and introduced by Michael Payne and John Schach the interviews pursue a whole range of topics both familiar and unfamiliar Among other things Derrida Kermode Moi and Norris discuss being an outsider taking responsibility valuing books getting angry doing science listening to music remembering Empson rereading de Beauvoir being Jewish asking forgiveness smoking in libraries befriending the dead committing bigamy forgetting to forget thinking not thinking believing and being mad These four key thinkers explore why there is life after theory but not as we know it Jacques Derrida is Professor at the cole des Hautes études en Sciences Sociales in Paris He is the author of a range of extraordinarily influential works including *Of Grammatology* *Writing and Difference* and *Dissemination* Sir Frank Kermode is a former King Edward VII Professor of English Literature at the University of Cambridge and author of among many other books *The Sense of An Ending* *Studies in the Theory of Fiction* *Shakespeare's Language* and *Not Entitled* his memoirs Toril Moi is James B Duke Professor of Literature and Romance Studies at Duke University Her books include *Sexual Textual Politics* *Feminist Literary Theory* *Simone de Beauvoir* *The Making of an Intellectual Woman* and *What Is a Woman And Other Essays* Christopher Norris is Distinguished Research Professor in Philosophy at the University of Cardiff He has published some twenty books to date including most recently *Deconstruction and the Unfinished Project of Modernity* *Quantum Theory and the Flight from Realism* *Truth Matters* *Realism Anti Realism* and *Response Dependence* and Hilary Putnam *Reason Realism and the Uses of Uncertainty* *After Reception Theory* Lucia Aiello, 2017-12-02 More often than not monographs on the reception of an author are either detailed chronologically organised accounts of the reputation of that author or studies in literary influence This study adopts neither of those approaches and deals with the reception of Fedor Dostoevskii in Britain from a double perspective The detailed analysis of primary sources such as reviews essays and monographs on Dostoevskii is associated here with a critical investigation of the dynamics of the reception process On the one hand the available sources are examined with the intention of exposing their underlying ideological tensions and impact on British literary circles On the other hand Fedor Dostoevskii's novels are shown to function as a prism through which significant aspects of nineteenth and early twentieth century British intellectual life are refracted In the final analysis by using Dostoevskii as an exemplary case study this book develops both a methodology that aims at clarifying what we mean when we refer to reception and a theoretical alternative to prevalent notions of reception

Theory After 'Theory' Jane Elliott, Derek Attridge, 2011-03-25 This volume argues that theory far from being dead has

undergone major shifts in order to come to terms with the most urgent cultural and political questions of today Offering an overview of theory s new directions this groundbreaking collection includes essays on affect biopolitics biophilosophy the aesthetic and neoliberalism as well as examinations of established areas such as subaltern studies the postcolonial and ethics Influential figures such as Agamben Badiou Arendt Deleuze Derrida and Meillassoux are examined in a range of contexts Gathering together some of the top thinkers in the field this volume not only speculates on the fate of theory but shows its current diversity encouraging conversation between divergent strands Each section places the essays in their contexts and stages a comparison between different but ultimately related ways in which key thinkers are moving beyond poststructuralism Contributors Amanda Anderson Ray Brassier Adriana Cavarero Eva Cherniavsky Rey Chow Claire Colebrook Laurent Dubreuil Roberto Esposito Simon Gikandi Martin Haggl nd Peter Hallward Brian Massumi Peter Osborne Elizabeth Povinelli William Rasch Henry Staten Bernard Stiegler Eugene Thacker Cary Wolfe Linda Zerilli

Criticism After Theory from Shakespeare to Virginia Woolf Perry Meisel, 2022-05-30 The argument of this book is a simple one that criticism after theory is a single movement of thought defined by synthesis and continuity rather than by conflict and change The most influential figures in criticism since Saussure Bakhtin Derrida and Foucault are wholly consistent with Saussure s foundational Course in General Linguistics 1916 no matter the traditions of complaint that have followed in Saussure s wake from Bakhtin forward These complaints vitiate despite themselves and often hilariously so the misconceptions that have made cottage industries out of quarrels with Saussurean semiology that are based on notions of Saussure that are incorrect The materialist criticism dominant today is actually dependent upon on the legacy of a presumably formalist structuralism rather than a step beyond it New Historicism postcolonialism gender studies environmental criticism archive studies even shared and surface reading are like deconstruction the by products of Saussure s structuralism not its foils Saussure s sign is sensory and concrete Language and materiality are not distinct but one and the same history society the psychological subject even the environment are systems of signs material archives read and reread by futures that produce the past after the fact Without Saussure contemporary criticism would have no identifiable or effective source The book begins with chapters on Saussure and Derrida Bakhtin and Shakespeare and Freud and Foucault followed by chapters on Victorian and American fiction D H Lawrence and modern poetry Virginia Woolf and Melanie Klein and the historicist tropology of psychoanalysis It concludes with a coda in life writing on the author s epileptic disability

Post-Theory, Culture, Criticism, 2016-09-12 Post Theory Culture Criticism offers a collection of essays that provide provocative re articulations of theory culture and criticism It contains distinguished and original work by a number of leading and emerging figures within cultural and critical theory and cultural studies who believe that all of the above is in urgent need of theoretical and practical exploration In probing the feasibility and desirability of theory s re articulation the essays demonstrate that theory can only reinvent itself as worthwhile post theory through its own critical self revaluation Jacket

Social Constructionist Identity

Politics and Literary Studies S. Gupta,2007-01-10 This study presents a critique of social constructionist identity politics which is distinguished from specific identity based political positions from within and with social constructionist commitments Gupta examines the institutionalization of social constructionist identity politics in literary studies considering the notions of canonicity

Practices of Surprise in American Literature After Emerson Kate Stanley,2018-07-19 Practices of Surprise in American Literature After Emerson locates a paradoxical question how does one prepare to be surprised at the heart of several major modernist texts Arguing that this paradox of perception gives rise to an American literary methodology this book dramatically reframes how practices of reading and writing evolved among modernist authors after Emerson Whereas Walter Benjamin defines modernity as a series of shocks inflicted from without Emerson offers a countervailing optic that regards life as a series of surprises unfolding from within While Benjaminian shock elicits intimidation and defensiveness Emersonian surprise fosters states of responsiveness and spontaneity whereby unexpected encounters become generative rather than enervating As a study of how such states of responsiveness were cultivated by a post Emerson tradition of writers and thinkers this project displaces longstanding models of modernist perception defined by shock s passive duress and proposes alternate models of reception that proceed from the active practice of surprise

Shakespeare After Theory David Scott Kastan,2013-05-13 The most familiar assertion of Shakespeare scholarship is that he is our contemporary Shakespeare After Theory provocatively argues that he is not but what value he has for us must at least begin with a recognition of his distance from us

Literary Theory and the New Testament Michal Beth Dinkler,2019-11-26 A comprehensive case for a fresh literary approach to the New Testament For at least a half century scholars have been adopting literary approaches to the New Testament inspired by certain branches of literary criticism and theory In this important and illuminating work Michal Beth Dinkler uses contemporary literary theory to enhance our understanding and interpretation of the New Testament texts Dinkler provides an integrated approach to the relation between literary theory and biblical interpretation employing a wide range of practical theories and methods This indispensable work engages foundational concepts and figures the historical contexts of various theoretical approaches and ongoing literary scholarship into the twenty first century In Literary Theory and the New Testament Dinkler assesses previous literary treatments of the New Testament and calls for a new phase of nuanced thinking about New Testament texts as both ancient and literary

A Glossary of Literary and Cultural Theory Peter Brooker,2016-12-08 The Glossary of Literary and Cultural Theory provides researchers and students with an up to date guide through the vibrant and changing debates in Literary and Cultural Studies In a field where meanings are frequently complex and ambiguous this text is remarkable for its clarity and usefulness This third edition includes 17 entirely new entries and updates to more than a dozen others which address key concepts and contemporary positions in both literary and cultural theory New entries include Actor Network Theory Anthropocene Ecocriticism Digital Humanities Postcapitalism World Literature

The Invention of the Biblical Scholar Stephen D.

Moore,Yvonne Sherwood, In this tale of two disciplines Stephen D Moore and Yvonne Sherwood invite the reader into a paradox just as the wider field of literary studies has now come to operate after theory biblical scholars continue their long search for an elusive Holy Grail a definitive literary critical theory Understanding that paradox requires revisiting the peculiar history by which the curious figure of the biblical scholar was invented during the Enlightenment and how contemporary biblical scholarship continues however unwittingly to pursue Enlightenment goals **Mindful Aesthetics**

Chris Danta,Helen Groth,2013-11-07 In the last few decades literary critics have increasingly drawn insights from cognitive neuroscience to deepen and clarify our understanding of literary representations of mind This cognitive turn has been equally generative and contentious While cognitive literary studies has reinforced how central the concept of mind is to aesthetic practice from the classical period to the present critics have questioned its literalism and selective borrowing of scientific authority Mindful Aesthetics presents both these perspectives as part of a broader consideration of the ongoing and vital importance of shifting concepts of mind to both literary and critical practice This collection contributes to the forging of a new interdisciplinarity to paraphrase Alan Richardson s recent preface to the Neural Sublime that is more concerned with addressing how rather than why we should navigate the increasingly narrow gap between the humanities and the sciences

French Thought and Literary Theory in the UK Irving Goh,2019-10-21 This collection presents a sort of counter history or counter genealogy of the globalization of French thought from the point of view of scholars working in the UK While the dominating discourse would attribute the US as the source of that globalization particularly through the 1966 conference on the Languages of Criticism and the Sciences of Man at Johns Hopkins University this volume of essays serves as a reminder that the UK has also been a principal motor of that globalization The essays take into account how French thought and literary theory have institutionally taken shape in the UK from the 70s to today highlight aspects of French thought that have been of particular pertinence or importance for scholars there and outline how researchers in the UK today are bringing French thought further in terms of teaching and research in this twenty first century In short this volume traces how the country has been behind the reception and development of French thought in Anglophone worlds from the late 70s to the present **Dyslexia: Advances in Theory and Practice** I. Literary Theory: A Complete Introduction Sara Upstone,2017-05-04 Literary theory has now become integral to how

we produce literary criticism When critics write about a text they no longer think just about the biographical or historical contexts of the work but also about the different approaches that literary theory offers By making use of these they create new interpretations of the text that would not otherwise be possible In your own reading and writing literary theory fosters new avenues into the text It allows you to make informed comments about the language and form of literature but also about the core themes concepts such as gender sexuality the self race and class which a text might explore Literary theory gives you an almost limitless number of texts to work into your own response ensuring that your interpretation is truly original This is why although literary theory can initially appear alienating and difficult it is something to get really excited about Imagine you are standing in the centre of a circular room with a whole set of doors laid out around you Each doorway opens on to a new and illuminating field of knowledge that can change how you think about what you have read perhaps in just a small way but also perhaps dramatically and irrevocably You can open one door or many of them The choice is yours Put the knowledge you gain together with your own interpretation however and you have a unique and potentially fascinating response Each chapter in *Literary Theory A Complete Introduction* covers a key school of thought progressing to a point at which you ll have a full understanding of the range of responses and approaches available for textual interpretation As well as focusing on such core areas as Marxism Modernism Postmodernism Structuralism and Poststructuralism this introduction brings in recent developments such as Eco and Ethical Criticism and Humanisms
