Bezzazi,2010-05-19 To the Teacher This Reading book is for high beginning students of English as a foreign language It contains 5 units each containing 4 lessons featuring not longer than one page reading texts on topics of high interest to university students in Saudi Arabia The book has been designed with great care taking account of cultural sensitivity The rationale of this book is that University students in Saudi Arabia need to improve their communicative competence for the purposes not only of participating effectively in tutorials seminars and teacher led classes but also of survival within the system professionally Therefore each of the 5 thematic units in this book contains readings which introduce students to their immediate academic environment In the first unit students are introduced to resources commonly found in universities These lessons guide students in dealing with issues such as university registration using the library and building awareness of the different academic and support departments in universities The second unit carries on with university resources In the first

lesson of this unit students are guided in the process of using such resources The unit then promptly shifts to content subjects that university students study in their Orientation Programme i e Mathematics and Computing This part of the second unit is designed to serve Preparatory Year students by helping them grasp basic principles in mathematics and computing Therefore it can be stated that this unit addresses a specific purpose which is acquainting students with their content subject areas through specific reading texts and their accompanying activities Unit three goes into more detail about these two subject areas by providing reading texts related to these areas The activities however target students understanding of the language forms used in these areas without heavily relying on the jargon associated with these topics Unit four contains lessons which support students understanding of mathematical language and analysis The approach however emphasises linguistic and communicative tasks which test students understanding of the readings This is done through the introduction of activities which require students to interact with the readings and infer meanings to support their comprehension Unit five however includes a variety of readings which are not entirely linked to content subject areas University Preparatory Year vii students take in their first year This unit features selected readings which aim at broadening students understanding of scientific processes and some patterns of social behaviour in Middle Eastern societies This Reading book provides the students with intellectually stimulating readings which are not far beyond their understanding The focus in the entire book is on strategies that make reading easier for the students To this end both vocabulary and grammar have been carefully controlled to be at the students level of comprehension Throughout the book students are exposed to limited vocabulary items which are continuously recycled to enable them to improve rapidly High frequency vocabulary has been recycled throughout the units of the book to give students the opportunity to see new vocabulary many times and in a variety of contexts The tasks that students are required to perform are not too exigent It is hoped that students will move through the units of this book with a growing sense of confidence and achievement as they discover that they can find main ideas guess meaning from context make inferences recognise topics and understand the vocabulary used In addition some of the pre reading activities allow students to practice dictionary skills in an attempt to foster learning independence through self directed learning activities

The Top Books of the Year Reading At University A Guide For Students The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Reading At University A Guide For Students : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Reading At University A Guide For Students : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
