

A painting of a man with grey hair, wearing a red academic robe over a white shirt and blue tie. He is holding a large, open map or document that shows a coastal area with a bay and some buildings. The background is dark and moody, suggesting a night scene with a light source on the right.

Lord Of Point Grey Larry Mackenzie At Ubc:

Lord of Point Grey P.B. Waite, 2011-11-01 Few university presidents could be considered to the manner born Larry MacKenzie was the exception He discovered this talent when president of the University of New Brunswick from 1940 to 1944 He became president of the University of British Columbia in 1944 and served for eighteen years Although UBC's present eminence owes much to many people as biographer P B Waite points out it is basically Larry MacKenzie's creation His importance to UBC is inestimable No doubt demography alone enjoined UBC's considerable expansion but Larry gave it force and focus He established the Faculty of Graduate Studies and introduced professional faculties such as law and medicine He was a marvellous doer but more important he could recognize talent in others like his chief expediter Gordon Shrum UBC's redoubtable head of physics and dean of graduate studies Larry's big archive at UBC has enabled Waite to essay the life of a marvellously adept and humane president who loved his work and his students a vital and great hearted Canadian who had lived and worked as one could say a *mari usque ad mare*

Man in the Ivory Tower Stanley Brice Frost, 1991-01-01 Tracing the course of a serendipitous career from a working class home in London England where he was born shortly after the turn of the century to his death there in 1973 the James story sheds light on student and professional life at the University of Pennsylvania in the 1920s on economic and political changes in the US during the turbulent thirties and on the development of the US banking industry in one of its most critical periods James was invited to McGill to direct the School of Commerce but was almost immediately appointed Principal He guided the university through the constricting years of war and as chairman of the Advisory Committee on Reconstruction made a major contribution to the ground plan of Canada's national welfare system During the post war years he inspired McGill's response to the knowledge explosion of the forties and fifties and to the huge growth in demand for higher education He also masterminded the successful endeavour of the National Conference to secure federal funding for all Canadian universities A great traveller James played a major role in the Association of Universities of the British Commonwealth as well as in the International Association of Universities of which he was elected President in 1960 As James' literary executor Stanley Frost had privileged access to his private papers and has made full use of the opportunity to reveal the complexity of James' personality his brilliance of mind high ideals and acute self knowledge as well as his deep rooted sense of insecurity and his strange inhibitions in personal relationships The privileged person in the Ivory Tower emerges in these pages as a very human one

Bomber Command Roddy MacKenzie, 2023-02-16 Roddy MacKenzie's father served in Bomber Command during the Second World War but like so many brave veterans who had survived the war he spoke little of his exploits So when Roddy started on his personal journey to discover something of what his father had achieved he uncovered a great deal about the devastating effectiveness of Bomber Command and the vital role it played in the defeat of Third Reich He realised that the true story of Bomber Command's achievements has never been told nor fully acknowledged Roddy became a man on a mission and this startlingly

revealing and often personal study is the result Bomber Command Churchill's Greatest Triumph takes the reader through the early days of the Second World War and introduces all the key individuals who turned the Command into the war winning weapon it eventually became as well as detailing the men and machines which flew night after night into the heart of Hitler's Germany The main focus of his book is the destruction and dislocation wrought by the bombing to reduce and ultimately destroy Germany's ability to make war In his analysis Roddy dug deep into German archival material to uncover facts rarely presented to either German or English language readers These demonstrate that Bomber Command's continual efforts at appalling cost in aircrew casualties and aircraft losses did far more damage to the Reich than the Allies knew Roddy's father served with the Royal Canadian Air Force and Roddy naturally highlights its contribution to Bomber Command's successes another aspect of this fascinating story which the author believes has not been duly recognized Bomber Command Churchill's Greatest Triumph will certainly raise the debate on the controversial strategy adopted by Bomber Harris and how he was perceived by many to have over stepped his remit But most of all this book will revise people's understanding of just how important the endeavours were of those men who flew through the dark and through the searchlights the flak and the enemy night fighters to bring the Second World War in Europe to its crushing conclusion **Searching for W.P.M. Kennedy**

Martin L. Friedland, 2020-04-06 In this highly entertaining biography W P M Kennedy emerges as a complicated yet compelling figure in the academic and legal history of Canada *Counting Out The Scholars* William Bruneau, Donald C. Savage, Canadian Association of University Teachers, 2002-03-07 Canada's universities have lost their autonomy Under the guise of accountability reformers from government and large corporations have undermined the original purposes of these institutions insisting that they operate according to a business model The chief tool used to effect this change is the performance indicator a method of evaluation and ranking well suited to measuring sales per square foot for example but useless in assessing qualities such as critical thinking creativity and wisdom Evaluating use of performance indicators in Canada the United States United Kingdom and New Zealand the authors challenge readers to look beyond this narrow business based measure of value and to consider more creative and effective methods of evaluation Counting Out the Scholars is a penetrating analysis of current methods of performance evaluation in the university one that offers alternatives to the prevailing orthodoxy **Bora Laskin** Philip Girard, 2015-01-15 In any account of twentieth century Canadian law

Canada he fought antisemitism corporate capital omnipotent university boards the Law Society of Upper Canada and his own judicial colleagues in an effort to modernize institutions and re shape Canadian law Girard exploits a wealth of previously untapped archival sources to provide in vivid detail a critical assessment of a restless man on an important mission **Lives of Dalhousie University, Volume 2** P.B. Waite,1997-05-06 The lives of professors and students deans and presidents their ideas and idiosyncrasies their triumphs and failures provide the driving force of Waite s narrative Avoiding the details of financing curriculum and administration that sometimes dominate institutional histories Waite focuses on the men and women who were the blood of the university and who established its traditions and ethos Halifax in peace and war is basic to Dalhousie s history as is its relations with other colleges and universities in Nova Scotia Waite sets all this out placing Dalhousie s development within the larger Nova Scotian context *The Dignity of Every Human Being* Kirk Niergarth,2015-02-26 The Dignity of Every Human Being studies the vibrant New Brunswick artistic community which challenged the tyranny of the Group of Seven with socially engaged realism in the 1930s and 40s Using extensive archival and documentary research Kirk Niergarth follows the work of regional artists such as Jack Humphrey and Miller Brittain writers such as P K Page and crafts workers such as Kjeld and Erica Deichmann The book charts the rise and fall of social modernism in the Maritimes and the style s deep engagement with the social and economic issues of the Great Depression and the Popular Front Connecting local national and international cultural developments Niergarth s study documents the attempts of Depression era artists to question conventional ideas about the nature of art the social function of artists and the institutions of Canadian culture The Dignity of Every Human Being records an important and previously unexplored moment in Canadian cultural history **The Study of Religion in British Columbia** Brian J.
