

A close-up photograph of a violin and a lit candle. The violin is positioned diagonally across the frame, with its ornate silver-colored metal tailpiece and f-hole clearly visible. The body of the violin is a dark, polished wood. To the right of the violin, a small, dark, textured candle holder contains a single lit candle, which casts a warm, yellow glow. The background is a dark, textured surface, possibly a book cover or a piece of wood, with some vertical lines suggesting the edges of books. The overall lighting is dim and atmospheric, emphasizing the textures and the warm light of the candle.
