Lost and Found: My Journey to a Saved Soul Michelle Marie Damico, 2016-08-02

Have you ever wondered if there is more to life than we can see? Are there really other dimensions within our world? If so, who or what resides there? Do angels and demons truly exist? If so, where are they and how do they function in our world? What does the Bible say about angels and demons? Is there a biblical mystery that has been overlooked? Lost and Found My Journey to a Saved Soul will answer these questions and more through uncovering one of the mysteries that has been hidden since the fall of mankind. This mystery is broken down through God-given biblical revelation regarding the unseen world. This mystery became a living reality when Michelle Damico and her husband Chris Damico entered into the unseen realm on a forty-day journey. They had experienced firsthand what it was like to function within another dimension, also known as the spirit world. It was through unknowingly opening a door into forms of witchcraft that entered them into the spirit realm, being led to a shaman and tricked into a ritual that they believed was a marital ceremony. This led to her mother being spiritually attacked, therefore triggering a subarachnoid hemorrhage and her mother's near-death experience. Michelle's husband's possession and cry to be institutionalized and her children being attacked by spirits that desired to possess their soul. Their home was overpowered with evil and deep darkness, and there was nobody they could turn to but Jesus. All glory and honor to our Lord and Savior Jesus Christ for delivering us out of the darkness and into his marvelous light. Giving thanks to the Father who has qualified us to share in the inheritance of the saints, God's people in the Light. For He has rescued us and has drawn us to Himself from the dominion of darkness and has transferred us to the kingdom of His beloved Son in whom we have redemption because of His sacrifice, resulting in the forgiveness of our sins and the cancellation of sins' penalty. He is the exact living image, the essential manifestation of the unseen God, the visible representation of the invisible, the firstborn, the preeminent one, the sovereign, and the originator of all creation. Colossians 1:12-15 AMP

Leaving the Saints Martha Beck, 2005-03-01 Leaving the Saints is an unforgettable memoir about one woman's spiritual quest and journey toward faith. As a Mormon within the Church of Jesus Christ of Latter-day Saints, Martha Beck was raised in a home frequented by the Church's high elders, known as the apostles, and her existence was framed by their strict code of conduct. Wearing her sacred garments, she married in a secret temple ceremony but only after two Mormon leaders ascertained that her past contained no flirtation with serious sins such as committing murder or drinking coffee. She went to church faithfully with the other brothers and sisters of her ward. When her son was born with Down syndrome, she and her husband left their graduate programs at Harvard to return to Provo, Utah, where they knew the supportive Mormon community would embrace them. However, soon after Martha began teaching at Brigham Young University, she began to see firsthand the Church's ruthlessness as it silenced dissidents and masked truths that contradicted its published beliefs. Most troubling of all, she was forced to face her history of sexual abuse by one of the Church's most prominent authorities. This book chronicles her difficult

decision to sever her relationship with the faith that had cradled her for so long and to confront and forgive the person who betrayed her so deeply This beautifully written inspiring memoir explores the powerful yearning toward faith It offers a rare glimpse inside one of the world s most secretive religions while telling a profoundly moving story of personal courage survival and the transformative power of spirituality [How I Lost My Uterus and Found My Voice](#) Michelle L.
