David Visser

Lost Buried Treasure Of The Mibibippi River:

World's Best Lost Treasure Stories Carroll B. Colby,1991 Thirty six brief accounts of lost treasures and the circumstances of their disappearance *Lost Mines and Hidden Treasure* Leland Lovelace,1956 Stories of the historic lost mines and hidden treasures of the Southwest with clues for finding them once again Lost Treasures of America Arnold Madison,1977 Describes the searches for lost treasures such as the White Sands Missile Base treasure whose existence is based on historical evidence Lost Treasures of American History W. C. Jameson,2006 In *Lost Treasures of American History* professional treasure hunter W C Jameson has collected the most compelling tales and legends of lost mines and buried treasure to be found across the United States Recorded history is rich with clues to hundreds of lost fortunes and Jameson not only details how why and where each treasure was lost he also immerses the reader in the adventurous lives of this country s early explorers traders settlers and soldiers Jacket flap Lost Treasure ,1991 Treasure gold and ancient wisdom of long ago **Buried Treasure** Charles River Editors,2019-11-08 Includes pictures Includes a bibliography for further reading When Robert Louis Stevenson published *Treasure Island* in the late 19th century it all but created every stereotype now associated with pirates The book is a coming of age adventure that mixes character studies action a vivid setting and commentary on the ambiguity of morality as embodied by the memorable Long John Silver Its influence on the popularity of historical pirates is unmistakable with its inclusion of treasure maps where X marks the spot schooners tropical islands and one legged pirates with parrots on their shoulders Of course Stevenson s work and the public s fascination with pirates were hardly new phenomena After all people had heard tales of hidden booty and gold for centuries from rumors about Blackbeard and Captain William Kidd to stories about outlaws and criminals burying their booty to come back for it at a later date It was only fitting that Stevenson s work came in the same era that people across the world were panning the earth for mineral resources most notably the California Gold Rush in the late 1840s As this all suggests there s something about buried treasure that catches someone s attention like few other things As soon as there s the potential for uncovering hidden wealth otherwise sane and reliable people will abandon their homes and regular lives and become obsessed with tracking down the treasure In the 1969 *Western* Mackenna s Gold word gets out that the Apaches have an entire canyon filled with gold deep in their territory A gang of outlaws go after it with the sheriff hot on their tails but the sheriff s task gets immeasurably harder when the nearby locals rush out looking for the gold too Soon the local cavalry captain gets corrupted by gold fever as well and everyone is fighting everybody with the Apaches picking off the survivors Luckily most treasure hunts aren t that bloody but they can be dangerous and disappointing Indeed those who typically traveled to boomtowns to make their fortunes struck out Nonetheless the rare cases of success have always sparked imaginations and they offer reminders that the latest treasure to be found is not the last one They may be nearly impossible to find but there are no doubt more caches of gold silver and jewels hidden in a shipwreck somewhere or buried at a secret location *Buried Treasure*

A Collection of Strange Mysteries Golden Legends and Lucky Finds in the Search for Hidden Wealth chronicles some of the most interesting stories associated with hidden treasures and the people who went looking for them Along with pictures of important people places and events you will learn about buried treasures like never before *The Book of Buried Treasure* Ralph Delahaye Paine,2019-11-27 The language has no more boldly romantic words than pirate and galleon and the duller imagination is apt to be kindled by any plausible dream of finding their lost treasures hidden on lonely beach or tropic key or sunk fathoms deep in salt water In the preface of that rare and exceedingly diverting volume *The Pirates Own Book* the unnamed author sums up the matter with so much gusto and with so gorgeously appetizing a flavor that he is worth quoting to this extent With the name of pirate is also associated ideas of rich plunder caskets of buried jewels chests of gold ingots bags of outlandish coins secreted in lonely out of the way places or buried about the wild shores of rivers and unexplored sea coasts near rocks and trees bearing mysterious marks indicating where the treasure was hid And as it is his invariable practice to secrete and bury his booty and from the perilous life he leads being often killed or captured he can never revisit the spot again therefore immense sums remain buried in those places and are irrevocably lost Search is often made by persons who labor in anticipation of throwing up with their spade and pickaxe gold bars diamond crosses sparkling amongst the dirt bags of golden doubloons and chests wedged close with moldy ducats and pearls but although great treasures lie hid in this way it seldom happens that any is recovered **1001 Lost, Buried Or Sunken Treasures** Ferris La Verne Coffman,1957 *Lost Mines and Buried Treasure* Linda Morehead,Colorado Historical Institute for Children,1982

Montana Wonderful Tales of Treasure Lost David Visser,1996-05-20 Hey podnah Do you like adventure If you can not go yourself reading wonderful tales of treasure lost is the next best thing The subject is lost gold mines and buried treasures of your state and all the other states in the United States One separate book for each state These fine volumes do not just contain true stories They also contain half a dozen or so HOW TO chapters Basic very interesting and usefull They are the most complete treasure hunting manuals on the market that I have seen The chapters are as follows The lost art of reading ancient Spanish mining and treasure symbols Exiting new information on stone markers and monuments that lead to treasure Where to find gold in rivers and streams Information on the little known skill of dowsing for treasure and minerals Excellent diagrams of real Spanish death traps that were pulled from ancient manuscripts The IRS treasure trove laws Antiquities laws These are real man sized books Eight and a half by eleven They even have extra pages to use for notes when out in the field

Lost Treasures Eric Chaline,2020 Uncovering the world s lost treasures Reveals 41 vanished treasures and the mysterious stories behind them Features chapters on tomb treasures buried treasures holy treasures and art treasures Includes legends such as the treasure of the Knights Templar and El Dorado Fully illustrated throughout with photographs and archive images Back cover
