Lost Childhoods

Suellen Murray

Lost Childhoods:

Lost Childhoods Michaela Soyer, 2018-12-11 *Lost Childhoods* focuses on the life course histories of thirty young men serving time in the Pennsylvania adult prison system for crimes they committed when they were minors. The narratives of these young men, their friends and relatives reveal the invisible yet deep seated connection between the childhood traumas they suffered and the violent criminal behavior they committed during adolescence. By living through domestic violence, poverty, the crack epidemic and other circumstances, these men were forced to grow up fast while familial ties that should have sustained them were broken at each turn. The book goes on to connect large scale social policy decisions and their effects on family dynamics and demonstrates the limits of punitive justice. *Lost Childhoods* Gregory J. Jurkovic, 2014-06-17 Parentification, the assumption of responsibility for the welfare of family members by children and adolescents, is increasing as a result of various forces both inside and outside of the family. Evidence suggests that pathological parentification of children has serious consequences for them and for succeeding generations, as do other forms of maltreatment. This work is an exploration of the forces at work in families with parentified children and the treatment strategies that hold the promise of interrupting a cycle of destructive behaviour. The author begins by guiding the reader from conceptualization to possible causes and manifestations of parentification, facilitating a clear understanding of how and why this scenario is common. The second part of the book builds on this foundation to introduce methods of assessment, treatment and prevention. This part of the text includes insights into the professional, ethical and personal challenges faced by therapists who themselves have a history of pathological parentification.

Finding Lost Childhoods Suellen Murray, 2017-08-01 This book explores care leavers' access to their personal records. People who grew up in care in previous decades may know little about their family nor understand why they were placed in care nor how decisions were made about their lives. Personal records can be a source of this information. Murray posits that it is crucial that those releasing these records understand their significance. Taking a person-centred approach, the book is based on the moving life history accounts of people who have sought their records. *Finding Lost Childhoods* highlights the importance of records to their identity formation, recounts what they discovered about themselves and their family, and discusses the consequences of finding this information. With a focus on policy and practice implications, the book will be of particular interest to those engaged in the work of releasing records as well as care leavers themselves, professional bodies and students and scholars with an interest in social work, policy studies, welfare studies and youth work.

Lost Childhoods Gregory J. Jurkovic, 2015-06-12 First published in 1997, Routledge is an imprint of Taylor & Francis, an informal company.

Conflicts in Childhood Miriam Damrow, Helen Hearn, 2019-07-22 This volume was first published by Interdisciplinary Press in 2014. Childhood is not merely a simple developmental stage prior to adulthood but rather a complex, changeable concept that is of interest and debated by international scholars from diverse disciplinary fields. One emerging debate is the perceived conflicts in childhood. Some of these are from adults' representations

of children for example in literature law and education to the practical and relational conflicts children experience at school and at home between peers siblings and others This volume presents a collection of these conflicts in childhood from interdisciplinary perspectives Consideration is given to children s rights and freedom childhood relationships gender children s representation in media and policies and politics about children Children, Childhoods and Global Politics J. Marshall Beier, Helen Berents, 2025-05-20 Though children have never been absent from international studies discourse they are too often reduced to a few simplistic and unidimensional framings This book seeks to recover children s agency and to recognize the complex variety of childhoods and the global issues that affect them Written by an international list of contributors from Europe Africa North America and Australasia chapters present highly nuanced accounts of children and childhoods across global political time and space split into three broad sections imagined childhoods governed childhoods and lived childhoods Through its analysis the book demonstrates how international relations is somewhat paradoxically quite deeply invested in a particular rendering of childhood as primarily a time of innocence vulnerability and incapacity **The Global History of Childhood Reader** Heidi Morrison, 2012 The Global History of Childhood Reader provides an essential collection of chapters and articles on the global history of childhood The Reader is structured thematically so as to provide both a representative sampling of the historiography as well as an overview of the key issues of the field such as childhood as a social construct commonalities and differences globally and why the twentieth century was not the century of the child for most of the world s children The Reader is divided into four parts Theories and methodologies of the history of childhood Constructions of childhood in different times and places Children s experiences in different times and places Usage of the past to articulate solutions to problems facing children today Topics covered include theories and methodologies in the global history of childhood sources for writing a global history of childhood education gender disability race class and religion the individual in history and emotions violence labour and illiteracy With introductions that contextualize each of the four parts and the articles further reading sections and questions this is the perfect guide for all students of the history of childhood

Problematizing Law, Rights, and Childhood in Israel/Palestine Hedi Viterbo, 2021-08-05 In this book Hedi Viterbo radically challenges our picture of law human rights and childhood both in and beyond the Israel Palestine context He reveals how Israel rather than disregarding international law and children s rights has used them to hone and legitimize its violence against Palestinians He exposes the human rights community s complicity in this situation due to its problematic assumptions about childhood its uncritical embrace of international law and its recurring emulation of Israel s security discourse He examines how and to what effect both the state and its critics manufacture shape and weaponize the categories child and adult Bridging disciplinary divides Viterbo analyzes hundreds of previously unexamined sources many of which are not publicly available Bold sophisticated and informative Problematizing Law Rights and Childhood in Israel Palestine provides unique insights into the ever tightening relationship between law children s rights and state violence at both the

local and global levels **The Sociology of Childhood and Youth in Canada** Xiaobei Chen, Rebecca Raby, Patrizia Albanese, 2017-12-12 The sociology of childhood and youth has sparked international interest in recent years and yet a reader highlighting Canadian work in this field has been long overdue Filling this gap in the literature *The Sociology of Childhood and Youth in Canada* brings together cutting edge Canadian scholarship in this important and growing discipline Thought provoking and timely this edited collection explores a breadth of essential topics including research on and with children and youth the social construction of childhood and youth intersecting identities and citizenship rights and social engagement With a focus on social justice the contributing authors critically examine various sites of inequality in the lives of children and young people such as gender sexuality colonialism race class and disability Encouraging further development of Canadian scholarship in the sociology of childhood and youth this unique collection ensures that young people's voices are heard by involving them in the research process Pedagogical supports including learning objectives study questions suggested research assignments and a comprehensive glossary make this volume an invaluable resource for students of childhood and youth studies in Canada **The Undead Child in Popular Culture** Craig Martin, Debbie Olson, 2024-08-07 In this study of representations of children and childhood a global team of authors explores the theme of undeadness as it applies to cultural constructions of the child Moving beyond conventional depictions of the undead in popular culture as living dead monsters of horror and mad science that transgress the borders between life and death rejuvenation and decay the authors present undeadness as a broader concept that explores how people objects customs and ideas deemed lost or consigned to the past might endure in the present The chapters examine nostalgic texts that explore past incarnations of childhood mementos of childhood zombie children spectral children images and artefacts of deceased children as well as states of arrested development and the inability or refusal to embrace adulthood Expanding undeadness beyond the realm of horror and extending its meaning conceptually while acknowledging its roots in the genre the book explores attempts at countering the transitory nature of childhoods This unique and insightful volume will interest scholars and students working on popular culture and cultural studies media studies film and television studies childhood studies gender studies and philosophy

Lost Childhoods Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lost Childhoods PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lost Childhoods PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lost Childhoods free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Lost Childhoods Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lost Childhoods is one of the best book in our library for free trial. We provide copy of Lost Childhoods in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lost Childhoods. Where to download Lost Childhoods online for free? Are you looking for Lost Childhoods PDF?
