Lost Tomb Of Viracocha:

The Lost Tomb of Viracocha Maurice Cotterell, 2003-02-20 Bestselling author of *The Tutankhamun Prophecies* decodes the spiritual mysteries hidden within the recently discovered Mochian pyramids in Sipan. Reveals that ancient Inca sun kings possessed the same solar science as Lord Pacal of Mexico and Tutankhamun of Egypt. Solves the mystery of the ancient Inca legend concerning a white god who traveled through ancient Peru healing the sick and restoring sight to the blind. Inca mythology tells of a tall white leader who wandered along the coast performing miracles, a man they called Viracocha Pachamac, which means God of the World. Centuries later another great miracle worker similar to the first appeared and wandered the countryside healing the sick and restoring sight to the blind. He too was named Viracocha. These accounts have long baffled scholars, as have the carvings left by the people of Tiahuanaco who preserved these legends. Now Maurice Cotterell, who cracked the codes hidden in both ancient Maya carvings and the treasures of Tutankhamun, unlocks the secrets concealed within the treasure-filled tombs of Viracocha Pachamac and Viracocha. His investigation of these tombs held within the long-lost pyramids of Peru proves that these two figures were not myth but actually existed 1 500 years ago. The two Viracocha sun kings had much in common with Lord Pacal of Mexico and Tutankhamun of Egypt and like them left the secrets of a super solar science encoded in their treasures. This science reveals the intimate connection between the cycles of life and birth on Earth and solar activity such as sunspots. More important, it holds the key to reincarnation and human spiritual realization with answers to the spiritual mysteries of life and death.

Jesus, King Arthur, and the Journey of the Grail Maurice Cotterell, 2006-04-18 Reveals how the super science of the sun and the higher orders of spirituality are concealed and contained in the Holy Grail. Connects the discovery of 4 000 year old Celtic mummies in China with the transmission of this ancient knowledge. Documents the truth of the Holy Grail's connection with King Arthur and Joseph of Arimathea. Confirms the pedigree of the Grail using secret information from the Mayan Pyramid of Inscriptions in Mexico and the Gateway of the Sun in Peru. Using the same knowledge that enabled him to break the codes of the Mayas, Peruvians, Egyptians, and Chinese, Maurice Cotterell now follows the migration of the Celts 4 000 years ago from Asia across Europe to Ireland. His account of this epic journey together with his knowledge of the secret codes of the Celts help him to identify and locate the Holy Grail, the actual cup used by Christ and his disciples at the Last Supper. The author explains the true story of the Grail, how it contains the secret super science of the sun and the higher orders of spirituality, how it was carried to England by Joseph of Arimathea, how in A.D. 453 it was found by King Arthur who engraved it with the same esoteric information found on the Pyramid of Inscriptions in Palenque, Mexico, and the Gateway of the Sun at Tiahuanaco in ancient Peru. His discoveries reveal that the Grail does actually radiate light in accordance with the Arthurian legends, proving that the so-called legends are actually based on fact. The author goes on to show how the holy cup was passed for safekeeping to the monks of Lindisfarne who copied the secrets of the Grail into the Lindisfarne Gospels and the Book of Kells. Fleeing from

Viking raids the monks carried their treasures to Ireland explaining how the cup found its way to the Dublin Museum where it rests today

The Terracotta Warriors Maurice Cotterell, 2004-03-25 When the first emperor of unified China Ch in Shi Huangdi felt his death approaching he decreed that he be entombed within a pyramid and that his tomb be protected by an army of terracotta figures Cotterell decodes the emperor s farewell message concealed in the terracotta warriors a message that reveals the secrets of heaven and hell
