something larger than ourselves **Lost and Found** Samantha Evans,2016-06-28 **Lost and Found** Pleunie Nicole Ruiters,2025-09-29 She was stranded He was grieving Neither expected to fall When Jess Taylor s car breaks down in the middle of nowhere she s just looking for help Instead she crashes into Joe Miller a brooding small town handyman fresh off a loss that gutted him Their connection is reluctant electric and complicated Just as Jess starts to find comfort in Wookleberry a dark secret surfaces Joe s grandmother didn t die of old age As love grows and danger closes in Jess and Joe must face the truth about the past each other and what it really means to come home *Embracing Prodigals* John Sanders,2020-07-31 Do you wonder why some people you know hold theological and political views that blow your mind but they find quite reasonable Today Christians are at odds over how to understand the Bible atonement and salvation of non Christians They are also polarized over issues such as same gender marriage income inequality and health care Two social science models Nurturant and Authoritative explain this divide Values are at the heart of our disagreements Nurturants prize empathy and cooperation while Authoritatives cherish obedience to law and order Each group has distinct core values and these lead them to embrace different theological moral and political views This book explains the divide and makes the case that Jesus embodied the Nurturant way of life He modeled empathy grace forgiveness and care for those beyond his own tribe The Nurturant and Authoritative approaches have competed for thousands of years but contemporary research shows that the Nurturant way of life produces better mental and spiritual health as well as superior communities in which to live **More Cadillac V-16s Lost and Found** Christopher W. Wayne Shute - Jonathan W. Shute,2022-04-19 Although an upbeat and positive novel this book has a timeless message during part of the nineteenth century and throughout the entire twentieth century a perceptible shift of values occurred in the West particularly in the United States This shift has created a present day tragic intellectual and moral crisis for all of us especially our children This book takes us on a journey to recover research based time tested and powerful teaching and learning principles While on the journey our hero teachers Jack Edwards and Emily Lopez explore why our schools have lost these proven principles of teaching and learning And in the process they find those principles that must be restored in order for children to thrive intellectually and morally in our educational systems *Athenaeum and Literary Chronicle* ,1853 The Athenaeum ,1853 **Lost and Found in Translation** Martha J. Cutter,2006-05-18 Starting with

Salman Rushdie's assertion that even though something is always lost in translation something can always be gained Martha Cutter examines the trope of translation in twenty English language novels and autobiographies by contemporary ethnic American writers She argues that these works advocate a politics of language diversity a literary and social agenda that validates the multiplicity of ethnic cultures and tongues in the United States Cutter studies works by Asian American Native American African American and Mexican American authors She argues that translation between cultures languages and dialects creates a new language that in its diversity constitutes the true heritage of the United States Through the metaphor of translation Cutter demonstrates writers such as Maxine Hong Kingston Sherman Alexie Toni Morrison and Richard Rodriguez establish a place within American society for the many languages spoken by multiethnic and multicultural individuals Cutter concludes with an analysis of contemporary debates over language policy such as English only legislation the recognition of Ebonics and the growing acceptance of bilingualism The focus on translation by so many multiethnic writers she contends offers hope in our postmodern culture for a new condition in which creatively fused languages renovate the communications of the dominant society and create new kinds of identity for multicultural individuals *The Journal of Education for Upper Canada*, 1854 **Cast of Characters: Lost and Found** Max Lucado, 2012-03-12 Common people
