Lost Battalions Going For Broke In The Vosges Autumn 1944:

Lost Battalions Franz Steidl, 2008-12-30 The remarkable story of two battalions one German one American cut off in the same forest at the same time and the heroic efforts to save them The 1st Battalion 141st Infantry Alamo Regiment had been cut off for six days and food water and ammunition were running out Sent to rescue the Texans were the Japanese American Nisei of the famed Go For Broke 100 442d Regimental Combat Team At virtually the same time only five miles away a similar drama unfolded as the Wehrmacht's 201st Mountain Battalion attempted an equally desperate rescue of its sister unit the 202d Mountain Battalion The weather was abysmal the terrain virtually impassable Some generals lost their sons there other generals lost only their honor Told by the soldiers American and German from both sides Lost Battalions is an unforgettable account of courage honor and humanity *Going for Broke* James M. McCaffrey, 2013-04-30 When Japanese forces attacked Pearl Harbor on December 7 1941 Americans reacted with revulsion and horror In the patriotic war fever that followed thousands of volunteers including Japanese Americans rushed to military recruitment centers Except for those in the Hawaii National Guard who made up the 100th Infantry Battalion the U S Army initially turned Japanese American prospects away Then as a result of anti Japanese fearmongering on the West Coast more than 100 000 Americans of Japanese descent were sent to confinement in inland relocation centers Most were natural born citizens their only crime their ethnicity After the army eventually decided it would admit the second generation Japanese American Nisei volunteers it complemented the 100th Infantry Battalion by creating the 442nd Regimental Combat Team This mostly Japanese American unit consisted of soldiers drafted before Pearl Harbor volunteers from Hawaii and even recruits from the relocation centers In *Going for Broke* historian James M McCaffrey traces these men's experiences in World War II from training to some of the deadliest combat in Europe Weaving together the voices of numerous soldiers McCaffrey tells of the men's frustrations and achievements on the U S mainland and abroad Training in Mississippi the recruits from Hawaii and the mainland have their first encounter with southern style black white segregation Once in action they helped push the Germans out of Italy and France The 442nd would go on to become one of the most highly decorated units in the U S Army McCaffrey's account makes clear that like other American soldiers in World War II the Nisei relied on their personal determination social values and training to go for broke to bet everything even their lives Ultimately their bravery and patriotism in the face of prejudice advanced racial harmony and opportunities for Japanese Americans after the war **Infantry**, 1999 **The Western European and Mediterranean Theaters in World War II** Donal Sexton, 2011-10-06 The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean theaters including politics
